Benjamin Franklin Underwood, 1886 Agnon's Story Avner Falk, 2018-10-22 Agnon's Story is the first complete psychoanalytic biography of the Nobel Prize winning Hebrew writer S Y Agnon It investigates the hidden links between his stories and his biography Agnon was deeply ambivalent about the most important emotional objects of his life in particular his father teacher his ailing depressive and symbiotic mother his emotionally fragile wife whom he named after her and his adopted home land of Israel Yet he maintained an incredible emotional resiliency and ability to sublimate his emotional pain into works of art This biography seeks to investigate the emotional character of his literary canon his ambivalence to his family and the underlying narcissistic grandiosity of his famous modesty Girl's Guide to Hunting & Kissing Joanne Rock, 2010-08-23 Let the hunt begin Nightlife heats up at Club Paradise when the sexy games start An ambiance coordinator for Club Paradise's extravagant settings Summer Farnsworth prides herself on taking the road less traveled when it comes to her career her astrological predictions and her men She knows immediately therefore that a pragmatic assistant district attorney like Jackson Taggart a Taurus of all things is completely wrong for her Since she doesn't own enough crystals to ward off the man's major magnetism however maybe a

simple no strings fling would fulfill her penchant for passion Jackson Taggart sees enough corruption in his native city and in his own family without entangling himself with one of the most visible figures in Miami's sexy club with a checkered history But Summer Farnsworth's figure is one that can't very well be ignored especially when she's knee deep redecorating the club's titillating accommodations Who can resist a woman who issues propositions in a mock bordello draped in red velvet Too bad her wild ways threaten to derail his political career ambitions that have begun to feel like a strait jacket Her scheme that he go a little wild on the town with her so that potential voters see him as more approachable is not what he had in mind in the weeks before formally announcing his candidacy Yet Jackson knows he's in way over his head when her sexy dare is all he can think about An earlier draft of this story was published by Harlequin **World's Press News and Advertisers' Review**, 1951-08 *Mandrake Root* Norma T.
