**BY**  
**YAQEEN - UL - HAQ AHMAD SIKANDER**

Today there are so many diverse issues and problems for the people of Kashmir. Some people may point that unemployment is an important problem, some may say corruption and some may pass a verdict that militancy is hampering the development of Kashmir. Our society is full of various troubles, which to refer, drug addiction, black marketing, red-tapism, back-door entries in different departments, bribery, cultural pollution, and the list goes on and on.

But as a resident of the valley of Kashmir, I think that the 'Human Rights' violations going on here due to the ongoing conflict is the most significant issue for the people of Kashmir and everybody should be concerned about it not only in Kashmir but in the world as a whole. But I think that the minds of very few people are diverted towards this issue. This issue has raised so many relevant issues, shaking the very foundation of our society. The occupational army is the fundamental obstacle which is responsible for the sabotage of progress and enlightenment of the Kashmiri people. Since the last eighteen years, the land described as the paradise of earth is virtually under siege with more than half a million armed personnel, the highest number of Army during peace time anywhere in the world - turning this Paradise into a concentration camp. The desire to fulfil other significant issues cools down because these forces have become the biggest threat to the security of the common people, whose lives they are supposed to secure. Lakhs are troops are present here to crush the eighteen year old genuine struggle of the innocent people who are the sufferers of every type of harassment by the troops.

In the presence of occupational troops in any part of the world, the political, social, and the economic life of the people is victimised. In the spread of drug-addiction and alcoholism, the troops have a big hand. The boy at the age of attending the school becomes a victim of drugs. Parents spend their sweat-soaked earnings to make the child's future bright but he remains in addicted state of mind, wasting his precious time and proving as a bane not only to his parents but to the whole society. Many incidents have been reported where girls have been abducted and ruthlessly abused by the security forces. These abducted girls, if released alive, have a social stigma attached to them for whole life and espousing them is an agonizing task. Many times these girls commit suicide to put an end to their wretchedness.

The troops use the way of terror in the form of custodial executions, extreme torture, forced labour, gang rapes, fake encounters and enforced disappearances in order to suppress the wishes and feelings of innocent Kashmiri people. Draconian laws like the

more than an endless encyclopedia of depressing statistics. It is also a place of fortitude, resistance, and imagination, a context in which inhabitants go to remarkable lengths to create the ordinary conditions of the everyday and to reject their exceptional status. Inspired by Gaza's inhabitants, this book builds on the positive capabilities of Gazans. It brings together environmentalists, planners, activists, and scholars from Palestine and Israel, the US, the UK, India, and elsewhere to create hopeful interventions that imagine a better place for Gazans and Palestinians. *Open Gaza* engages the Gaza Strip within and beyond the logics of siege and warfare; it considers how life can be improved inside the limitations imposed by the Israeli blockade and outside the idiocy of violence and warfare.

**The Life of Muhammad** Rizwi Faizer, 2013-09-05. Muhammad b. Umar al-Waqidi was a Muslim scholar born in Medina in the 1st Century. Of his several writings, the most significant is the *Kitab al-Maghazi*, one of the earliest standard histories of the life of the Prophet. Translated into English for the first time, Rizwi Faizer makes available this key text to a new English-speaking audience. It includes an Introduction authored jointly by Rizwi Faizer and Andrew Rippin and a carefully prepared index. The book deals with the events of the Prophet's life from the time of his emigration from Mecca to his death and is generally considered to be biographical. Bringing together events in the Prophet's life with appropriate passages of Qur'an in a considered sequence, the author presents an interpretation of Islam that existed in his times. It includes citations from the Qur'an as well as poetry that appears to have been inspired by activities during his life. This English translation of a seminal text on the life of Muhammad is an invaluable addition to the existing literature and will be of great significance to students and scholars in the field of Islamic studies, Islamic history, Medieval history, and Arabic literature. *New York Magazine*, 1992-10-26. *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back

to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
