DAVID ORRELL PhD mathematician and author of numerous books including *Truth or Beauty* and *Economyths* *My Walk with Hue* William M. Lee, 2017-03-23 This is an inspirational story based on real life events that leads to a discovery of Bills own humanity After a tragic event Bill is guided through his past to reveal four pillars of spirituality The discovery reveals a path of life filled with opportunities The struggle for bigger dreams in life competes with a darkness of complacency The four pillars form one final lesson as darkness sets in again revealing the foundation of life Upon reflection of his journey the path revealed Gods guiding hand Intertwined with a miracle or two along the way the disciplines became the foundation for his future success The Theosophical Path Katherine Augusta Westcott Tingley, 1921 Where Do You Live? Janet L. McGee, 2011-04-27 Your freedom is Gods will Have you ever seen a woman who was full of the Lords joy and secretly wished that you too could live life with that kind of confidence Janet McGee set out with her husband Scott in 2005 to plant a church in Santa Maria California They were certain in the leading they felt from the Lord and believed they would watch Him quickly gather precious people together to form a beloved church family She learned that yes this is Gods plan but He had a much bigger one and it was to capture her heart and change the whole way she lived Through her story you will learn that the freedom she found is available to everyone even you Although this account of Janets life is based from a pastors wifes perspective the truths learned and the freedom gained from Christ are available to anyone who loves the Lord Read this warm honest and compelling glimpse into her life and learn from her example of how exploring Gods Word leads us into true freedom Share in her discovery that when choosing to live life from His truths and promises it becomes filled with peace and joy Hidden in the midst of the stories of her adventure with God are precious insights of how God views us and how He encourages us to live This book is a feast for your soul Study guide included
