Paths Toward A Clearing Radical Empiricism And Ethnographic Inquiry:

Paths Toward a Clearing Michael Jackson, 1989 edition unseen 12 95 traditions bringing into being new modes of understanding Paper Anthropology and particularly ethnography is torn between two quests one to capture the diversity of social life and the other to discover universal principles structuring that diversity Jackson examines these quests within the context of ethnographic fieldwork focusing on the relationship between ethnographers and the people they study He is concerned with defining the anthropological project as something more than the projection of the anthropologist's traditions and concerns onto an alien culture Rather he would have the project open a genuine dialogue between people from different cultures or Annotation copyrighted by Book News Inc Portland OR *Paths Toward a Clearing* Michael Jackson, 1989

Affective Dimensions of Fieldwork and Ethnography Thomas Stodulka, Samia Dinkelaker, Ferdiansyah Thajib, 2019-08-20 This book illustrates the role of researchers' affects and emotions in understanding and making sense of the phenomena they study during ethnographic fieldwork Whatever methods ethnographers apply during field research however close they get to their informants and no matter how involved or detached they feel fieldwork pushes them to constantly negotiate and reflect their subjectivities and positionalities in relation to the persons communities spaces and phenomena they study The book highlights the idea that ethnographic fieldwork is based on the attempt of communication mutual understanding and perspective taking on behalf of and together with those studied With regard to the institutionally silenced yet informally emphasized necessity of ethnographers' emotional immersion into the local worlds they research defined as emic perspective narrating through the eyes of the Other seeing the world from the informants point of view etc this book pursues the disentanglement of affect related disciplinary conventions by means of transparent vivid and systematic case studies and their methodological discussion The book provides nineteen case studies on the relationship between methodology intersubjectivity and emotion in qualitative and ethnographic research and includes six section introductions to the pivotal issues of role conflict reciprocity intimacy and care illness and dying failing and attuning and emotion regimes in fieldwork and ethnography *Affective Dimensions of Fieldwork and Ethnography* is a must have resource for post graduate students and researchers across the disciplines of social and cultural anthropology medical anthropology psychological anthropology cultural psychology critical theory cultural phenomenology and cultural sociology *The Ethnographic I* Carolyn Ellis, 2004-01-13 A methodological textbook on autoethnography should be easily distinguishable from the standard methods text Carolyn Ellis the leading proponent of these methods does not disappoint She weaves both methodological advice and her own personal stories into an intriguing narrative about a fictional graduate course she instructs In it you learn about her students and their projects and understand the wide array of topics and strategies that fall under the label autoethnography Through Ellis's interactions with her students you are given useful strategies for conducting a study including the need for introspection the struggles of the budding ethnographic writer the practical problems in

explaining results of this method to outsiders and the moral and ethical issues that get raised in this intimate form of research Anyone who has taken or taught a course on ethnography will recognize these issues and appreciate Ellis's humanistic personal and literary approach toward incorporating them into her work A methods text or a novel The Ethnographic I answers yes to both *How to Read Ethnography* Paloma Gay y Blasco, Huon Wardle, 2019-04-08 How to Read Ethnography is an essential guide to approaching anthropological texts It helps students to cultivate the skills they need to critically examine and understand how ethnographies are built up as well as to think anthropologically and develop an anthropological imagination of their own The authors reveal how ethnographically informed anthropology plays a distinctive and valuable role in comprehending the complexity of the world we live in This fully revised second edition includes fresh excerpts from key texts for analysis and comparison along with lucid explanations In addition to concerns with argument authority and the relationship between theory and data the book engages with the purpose value and accountability of ethnographic texts as well as with their reception and usage A brand new chapter looks at the kinds of collaboration between informants consultants and anthropologists that go into the making of ethnographic writing
