Near Death Experiences and Sacred Scripture

Douglas Charles Hodgson,2024-08-30 Near Death Experiences and Sacred Scripture The Parallel Messaging examines striking similarities and parallels between messaging found in accounts of those who have written about their near death experiences and in accounts contained in the sacred scriptures of the world s great religions This symmetrical and mutually reinforcing messaging is timeless in nature and is arguably more relevant today than in any previous period in human history as humanity continues to face existential threats to its survival In an era of rampant materialism and consumerism armed conflict environmental degradation species extinction global warming as well as an obsessive preoccupation with self rather than others and a devaluation of the life s sanctity It s timely to spark a revived interest in and knowledge of God and the afterlife and in seeking answers to life s larger religious spiritual philosophical and metaphysical questions This book will provide assurance and solace to those who are terminally ill or fear the death of their physical body for those who are suffering a difficult bereavement and for those who feel lost and confused about the meaning and purpose of life and what lies ahead of them

traumatized and sometimes depressed returnees incorporate their experiences successfully back into their relationships and life on earth The thoroughly research text will help families and loved ones to provide support and understand what the returnee is going through Very well presented with substantial solid evidence well explained point by point From an Orthodox viewpoint its theology is sound Father John D Alton Orthodox Priest **Path of the Golden Heart** Cindy Jarrett,2015-11-05 Path Of The Golden Heart Conscious Dating In An Unconscious World the first book in Cindy Jarrett s Conscious Relationships Series is based on Cindy s pioneering work into the necessity for emotional maturity as the key for healthy and sustaining love relationships to succeed It is an in depth training that brings truth back into the dating process where single men and women can fully be their authentic selves while getting to know each other It brings an end to the suffering that has long been associated with dating It is a modern approach to dating that dispels the myths about the games in dating many authorities try to promote This training brings single people the necessary education as to why love has become so difficult to attain and what stands in the way of effortlessly entering into love relationships Readers are provided easy and accessible actions to take that makes Conscious Dating a welcomed relief Love what we all desire It matters most to us and drives us to do the most courageous to craziest of things Love is what gives us our supreme experiences and challenges It is our most powerful expression Love heals all things And love is our greatest teacher Yet love eludes us It is everywhere and missing in so many hearts We fear it We run from it We long for it We deserve it It is our birthright And it is this desire for love that brings us to the dating ritual again and again And love is not enough We need more than just love to build and sustain a healthy relationship We also need commitment clarity honesty character an inner life consistency maturity an open heart forgiveness training guidance consciousness more maturity healthy communications sensitivity have I said maturity yet and much much more We don t usually relate to love or love relationships with maturity in mind We don t necessarily declare that these elements are also what loving another requires The Gnostic Path to Spiritual Reality ,
