Habben,Sarah Habben,2012-01-01 Why are there so many sacrifices in the Bible As you read through the Old Testament you ll quickly realize that in Old Testament times worship was very different from what we know today Why did God give his people so many laws to follow Why did he command them to offer sacrifices and burnt offerings What was the point of it all The Bloodstained Path to God offers you two unique ways to learn about this interesting time period First the authors give a basic explanation of the biblical laws focusing on the yearly cycle of festivals and sacrifices God commanded his people to offer Second using a series of short stories the authors illustrate what Jewish family life was like in the Old Testament These stories emphasize the impact of God s laws on day to day life and what worship was like at the temple in Jerusalem This book is part of the Bible Discovery Series which provides you with background resources to help you unearth and understand the Bible s greater meaning for your life today **Path of the Prophets** Barry L. Schwartz,2018-03-01 Devoted to the legacy of the biblical prophets identifies the prophetic moment in the lives of 18 biblical characters offers up an intimate view of their inner thoughts illuminates their ethical legacies and challenges each of us to walk the path of the prophets today

Christian Paraenesis in Context James Starr,Troels Engberg-Pedersen,2012-02-13 An up to date discussion of early Christian paraenesis in its Graeco Roman and Hellenistic Jewish contexts in the light of one hundred years of scholarship issuing from a research project by Nordic and international scholars The concept of paraenesis is basic to New Testament scholarship but hardly anywhere else How is that to be explained The concept is also notoriously without any agreed upon definition and it is even contested Can it at all be salvaged This volume reassesses the scholarly discussion of paraenesis both the concept and the phenomenon since Paul Wendland and Martin Dibelius and argues for a number of ways in which it may continue to be fruitful *Biblica: Vol.71* , **The Biblical Path to Psychological Maturity** Vivian Skolnick,2009 The

Golden Path David Sclar, 2023-05-01 Among the intellectual luminaries dotting the millennia of Jewish history none shines brighter than Maimonides 1138-1204. He was a rabbi, jurist, Talmudist, philosopher, physician, astronomer, and communal leader and produced a myriad of writings on halakhah, theology, medicine, and philosophy that have attained near canonical status. We have more source material from or about Maimonides than possibly any other Jewish figure in the medieval period and more has been written about him than perhaps any other Jew in history. Epithets like the Great Eagle and the Western Light and the glorifying statement From Moses to Moses none arose like Moses reflect centuries of authority, influence, and fascination. The Golden Path traces the impact and reception of Maimonides and his thought through a study of materiality, specifically the production and dissemination of textual objects. It consists of two sections: a descriptive catalogue of an exceptional private collection of manuscripts and rare books, and essays from leading scholars on aspects of Maimonides's cultural context, influence, and appropriation through disparate eras and geopolitical spheres. Combining intellectual reception and book historical research, the heavily illustrated volume explores his effects in assorted social and political circumstances across diverse intellectual and cultural environments. *The Figure of Abraham in John 8* Ruth

Sheridan, 2020-01-09 In the Gospel of John, the character of Jesus repeatedly comes into conflict with a group pejoratively designated as the Jews. In chapter 8 of the Gospel, this conflict could be said to reach a head with Jesus labeling the Jews as children of the devil (8:44), a verse often cited as epitomizing early Christian anti-Judaism. Using methods derived from modern and post-modern literary criticism, Ruth Sheridan examines textual allusions to the biblical figures of Cain and Abraham in John 8:1-59. She pays particular attention to how these allusions give shape to the Gospel's alleged and infamous anti-Judaism exemplified in John 8:44. Moreover, the book uniquely studies the subsequent reception in the Patristic and Rabbinic literature, not only of John 8 but also of the figures of Cain and Abraham. It shows how these figures are linked in Christian and Jewish imagination in the formative centuries in which the two religions came into definition. **Pathway to Prayer** Rabbi Mayer Brinbaum, Step by step guide through the Shemoneh Esrei of the Shalosh Regalim: Three Major Festivals: Passover, Sukkos, and Shavuot. Each word of the Amidah prayers of Shacharis and Mussaf is clarified. Includes inspirational essays for each of the Three Festivals.
