Theatre 1601-2000 Chris Morash, 2002 Chris Morash's widely praised account of Irish Theatre traces an often forgotten history leading up to the Irish Literary Revival He then follows that history to the present by creating a remarkably clear picture of the cultural contexts which produced the playwrights who have been responsible for making Irish theatre's world wide historical and contemporary reputation The main chapters are each followed by shorter chapters focusing on a single night at the theatre This prize winning book is an essential entertaining and highly original guide to the history and performance of Irish theatre The Methuen Drama Guide to Contemporary Irish Playwrights Martin Middeke, Peter Paul

internationally than Fintan O Toole both as a controversial and provocative political commentator and theatre critic This

extensive collection brings together a wide range of his writings going back to 1980 It provides a privileged insight into the great moments of contemporary Irish theatre marking the contributions of playwrights Carr Murphy Friel McGuinness directors Hynes Byrne actors Hickey McKenna and designers Vanek Frawley It also demonstrates his unsettling of the usual canon with his thoughtful arguments promoting certain playwrights who deserve to up be there with Ireland s best including Antoine O Flatharta Paul Mercier Dermot Bolger and David Byrne *Irish Theatre* Eamonn Jordan,2023-09-27 This book on modern and contemporary Irish theatre traces how social cultural and economic capital are circulated in order to demonstrate complex and often contradictory outlooks on equality inequality Individual chapters analyse property ownership and inheritance wealth acquisition employment conditions educational access intercultural encounters sexual intimacy and violation and acts of resistance protest and solidarity This book addresses complex intergenerational intercultural racial sectarian ethnic gender and inter and intraclass dynamics from the perspective of ranked objectifying exploitative and coercive relationships but also in terms of commonalities complicities reciprocations and retaliations Notable are the significances of wealth precarity and shaming the consequences of anti materialistic dramaturgical leanings the pathologising of success the fraught nature of solidarity and the problematics of merit divisive partitioning and muddled m salliances Ultimately the book wonders about how Irish theatre distinguishes between tolerable and intolerable inequalities that are culturally and socially but principally economically derived *Masculinities and Manhood in Contemporary Irish Drama* Cormac O'Brien,2021-12-10 This book charts the journey in terms of both stasis and change that masculinities and manhood have made in Irish drama and by extension in the broader culture and society from the 1960s to the present Examining a diverse corpus of drama and theatre events both mainstream and on the fringe this study critically elaborates a seismic shift in Irish masculinities This book argues then that Irish manhood has shifted from embodying and enacting post colonial concerns of nationalism and national identity to performing models of masculinity that are driven and moulded by the political and cultural practices of neoliberal capitalism *Masculinities and Manhood in Contemporary Irish Drama* charts this shift through chapters on performing masculinity in plays set in both the Irish Republic and Northern Ireland and through several chapters that focus on Women s and Queer drama It thus takes its readers on a journey a journey that begins with an overtly patriarchal nationalist manhood that often made direct comment on the state of the nation and ultimately arrives at several arguably regressive forms of globalised masculinity which are couched in misaligned notions of individualism and free choice and that frequently perceive themselves as being in crisis
