

A Political History
of Modern Scotland

Michael Fry

Patronage And Principle A Political History Of Modern Scotland

Iain E. Riddell

Patronage And Principle A Political History Of Modern Scotland:

Patronage and Principle Michael Fry,1991 **The Oxford Companion to Scottish History** Michael Lynch,2007

Searchable online reference covers more than 20 centuries of history and interpret history broadly covering areas such as archaeology climate culture languages immigration migration and emigration Multi authored entries analyze key themes such as national identity women and society living standards and religious belief across the centuries in an authoritative yet approachable way The A Z entries are complemented by maps genealogies a glossary a chronology and an extensive guide to further reading From title screen **Cosmo Innes and the Defence of Scotland's Past c. 1825-1875** Richard A. Marsden,2016-05-13 Today Scotland s history is frequently associated with the clarion call of political nationalism However in the nineteenth century the influence of history on Scottish national identity was far more ambiguous How then did ideas about the past shape Scottish identity in a period when union with England was all but unquestioned The activities of the antiquary Cosmo Innes 1798 1874 help us to address this question Innes was a prolific editor of medieval and early modern documents relating to Scotland s parliament legal system burghs universities aristocratic families and pre Reformation church Yet unlike scholars today he saw that editorial role in interventionist terms His source editions were artificial constructs that powerfully articulated his worldview and agendas emphasising Enlightenment inspired narratives of social progress and institutional development At the same time they used manuscript facsimiles and images of medieval architecture to foreground a romantic concern for the texture of past lives Innes operated within an elite associational culture which gave him access to the leading intellectuals and politicians of the day His representations of Scottish history therefore had significant influence and were put to work as commentaries on some of the major debates which exorcised Scotland s intelligentsia across the middle decades of the century This analysis of Innes s work with sources set within the intellectual context of the time and against the antiquarian activities of his contemporaries provides a window onto the ways in which the national past was perceived in Scotland during the nineteenth century This allows us to explore how historical thinkers negotiated the apparent dichotomies between Enlightenment and Romanticism whilst at the same time enabling a re examination of prevailing assumptions about Scotland s supposed failure to maintain a viable national consciousness in the later 1800s *Digital Genealogy as Second-Wave Digital Humanities* Iain E. Riddell,2025-06-13 In the first major engagement with Aberdeenshire s rural society since Carter s *The Poor Man s Country* of 1979 Riddell s study of Northeast Scotland encourages readers to consider the vast potential held by Digital Genealogy for second wave Digital Humanities Often overlooked in contemporary historical scholarship this study carves out a place for Digital Genealogy in academia Riddell constructs a new lens to examine rural society in the nineteenth century through which he extends and challenges Carter s analysis In recovering a breadth of people and their social networks through prosopographical data the book reveals the agency of individuals who left minimal records Riddell not only puts forward a fresh perspective on the social structures

of Scotland's north eastern society but also informs a discussion on the nature of Britishness both within concepts of a developed western civilisation and beyond them This book will interest a broad readership Scottish history enthusiasts pursuers of Digital Genealogy and scholars and students of the Digital Humanities will all find value in this study **William Motherwell's Cultural Politics** Mary Ellen Brown,2021-12-14 William Motherwell 1797-1835 journalist poet man of letters wit civil servant and outspoken conservative published his anthology of ballads *Minstrelsy Ancient and Modern* in 1827 His views on authenticity editorial practice the nature of oral transmission and the importance of sung performance acquired through field collecting anticipate much later scholarly discourse Published after the death of Burns and the publication of Scott's *Minstrelsy of the Scottish Border* ballads such as those Motherwell collected were one focus of a loose knit movement that might be designated cultural nationalism This interest in preserving relics that suggested a distinctly Scottish culture and nation was one response to the union of the Scottish and English Parliaments in 1707 Mary Ellen Brown's study provides a model for historical ethnography focusing on an individual and illustrating the multiple ways he was richly embedded in his time and place **Scottish Unionist Ideology 1886-1965** Jonathan Wales,2021-07-16 Diese Monografie untersucht das politische Denken und die geistesgeschichtliche Entwicklung der schottischen Unionisten in der Zeit von 1885-1886 bis 1965 Sie bietet eine analytische Untersuchung der unionistischen Positionen wobei Bereiche wie politische Geschichte Ekklesiologie Sektierertum Geschichtsschreibung und unionistisch-nationalistische Gefühle untersucht werden Der Autor kontextualisiert das unionistische Denken innerhalb der Geschichte Schottlands und bietet Erkenntnisse die sowohl auf Archiv- und Primärforschung als auch auf einem gründlichen historiographischen Hintergrund beruhen Er untersucht die Komplexität des schottischen Unionismus in dieser entscheidenden Phase zwischen der Spaltung der Liberalen Partei über die Irish Home Rule bis zur Reorganisation der Scottish Unionist Party im Jahr 1965 Anhand des unionistischen Diskurses in dieser Zeit zeigt er die Komplexität der verfassungsrechtlichen und kulturellen Beziehungen Schottlands mit dem Rest des Vereinigten Königreichs auf **The Politics of Multinational States** Don MacIver,2016-07-27 The events of recent years have demonstrated beyond doubt not only that ethnic pluralism presents major problems for the management of political systems but that it is also a major cause of their failure and disintegration This timely and topical book discusses the general issue of ethnic pluralism and considers a range of types of multi-ethnic society within a common analytical framework It then examines the responses of governments to the problems of ethnic diversity and assesses the effects of ethnic conflict on the development and viability of states *William Wallace* Graeme Morton,2014-10-08 A deconstruction of the national biography and mythology of William Wallace Freed from the historian's bedrock of empiricism by a lack of corroborative sources the biography of this short-lived late medieval patriot has long been incorporated into the ideology of nationalism Independent and Free Richard J. Finlay,2001-01-01 This is the first comprehensive account of the formation of the Scottish National Party and it explains the peculiar circumstances in the inter-war era which gave rise to this phenomenon

The text fills a vacuum in one of the most under researched periods of Scottish history while its topicality is heightened and spread by contemporary interest in European nationalism The book is essential reading for students of Scottish history British political history politics and Scottish Studies from senior school level onwards The introductory chapter examines in depth the role of the Scottish Home Rule Association in Scottish politics in the period after the First World War up to the time of its collapse and the formation of the Scottish National Party in 1928 Subsequent chapters comprise detailed accounts of the Scottish National League 1920 28 the National Party of Scotland 1928 33 the formation of the Scottish National Party the Wilderness Years 1933 39 and the impact of the SNP on Scottish political development during the Second World War The role of nationalism in Scottish political development is assessed and the author demonstrates how this period was crucial to the formation of modern Scottish nationalism and how important this development has been in determining the response of Unionist politicians

A Communion of Love Jordan Stone, 2019-03-05 Few figures in church history that died before the age of thirty have left such a lasting legacy as Robert Murray M Cheyne 1813 43 His name is virtually synonymous with the pursuit of personal holiness M Cheyne was a living testimony to Scripture s command to let no one despise you for your youth but set the believers an example in speech in conduct in love in faith in purity 1 Tim 4 12 His ardent praying preaching and progress in godliness continue to captivate countless Christians around the world The model of piety found in M Cheyne s life and ministry provides needed encouragement for properly understanding biblical spirituality What was the main fuel of his spirituality Love for Jesus Christ In A Communion of Love Jordan Stone argues that rightly understanding M Cheyne s spirituality must begin with the fundamental issue of why he pursued the means of grace as he did before reckoning with how he used those means Such a reorientation reveals that loving communion with Christ was the all consuming driving force for M Cheyne s vision of the Christian life

Decoding **Patronage And Principle A Political History Of Modern Scotland**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force.
