Patterns of Negro Segregation Charles Spurgeon Johnson (sociologue.), 1943 Abiding Courage Gretchen Lemke-Santangelo, 2000-11-09 Between 1940 and 1945 thousands of African Americans migrated from the South to the East Bay Area of northern California in search of the social and economic mobility that was associated with the region's expanding defense industry and its reputation for greater racial tolerance Drawing on fifty oral interviews with migrants as well as on archival and other written records *Abiding Courage* examines the experiences of the African American women who migrated west and built communities there Gretchen Lemke-Santangelo vividly shows how women made the transition from southern domestic and field work to jobs in an industrial wartime economy At the same time they were struggling to keep their families together establishing new households and creating community sustaining networks and institutions While white women shouldered the double burden of wage labor and housework black women faced even greater challenges finding houses and schools locating churches and medical services and contending with racism By focusing on women Lemke-Santangelo provides new perspectives on where and how social change takes place and how community is established and maintained *Traveling Black* Mia Bay, 2021-03-23 Winner of the Bancroft Prize Winner of the David J Langum Prize Winner of the Lillian Smith Book Award Winner of the Order of the Coif Book Award Winner of the OAH Liberty Legacy Foundation Award A New York Times Critics Top Book of the Year This extraordinary book is a powerful addition to the history of travel segregation Mia Bay shows that Black mobility has always been a struggle Ibram X Kendi author of *How to Be an Antiracist* In Mia Bay's superb history of mobility and resistance the question of literal movement becomes a way to understand the civil rights movement writ large Jennifer Szalai New York Times *Traveling Black* is well worth the fare Indeed it is certain to become the new standard on this important and too often forgotten history Henry Louis Gates Jr author of *Stony the Road* From *Plessy v. Ferguson* to *Driving While Black* African Americans have fought to move freely around the United States But why this focus on Black mobility From stagecoaches and trains to buses cars and planes *Traveling Black* explores when how and why racial restrictions took shape in America and brilliantly portrays what it was like to live with them Mia Bay rescues forgotten stories of passengers who made it home despite being insulted stranded rerouted or ignored She shows that Black

travelers never stopped challenging these humiliations documenting a sustained fight for redress that falls outside the traditional boundaries of the civil rights movement A riveting character rich account of the rise and fall of racial segregation it reveals just how central travel restrictions were to the creation of Jim Crow laws and why free movement has been at the heart of the quest for racial justice ever since *Charles S. Johnson* Patrick J. Gilpin, Marybeth Gasman, 2012-02-01 The milestones for blacks in twentieth century America the Harlem Renaissance the struggle for equal education and the civil rights movement would have been inconceivable without the contributions of one important but often overlooked figure Charles S Johnson 1893 1956 This compelling biography demonstrates the scope of his achievements situates him among other black intellectuals of his time and casts new light on a pivotal era in the struggle for black equality in America An impresario of Harlem Renaissance culture an eminent Chicago trained sociologist a pioneering race relations leader and an educator of the generation that freed itself from legalized segregation Johnson was a visionary who linked the everyday struggles of blacks with the larger intellectual and political currents of the day His distinguished career included twenty eight years at Fisk University where he established the famed Race Relations Institute and became Fisk s first black president **Gettysburg 1963** Jill Oline Titus, 2021-10-28 The year 1963 was unforgettable for Americans In the midst of intense Cold War turmoil and the escalating struggle for Black freedom the United States also engaged in a nationwide commemoration of the 100th anniversary of the Civil War Commemorative events centered on Gettysburg site of the best known bloodiest and most symbolically charged battle of the conflict Inevitably the centennial of Lincoln s iconic Gettysburg Address received special focus pressed into service to help the nation understand its present and define its future a future that would ironically include another tragic event days later with the assassination of another American president In this fascinating work Jill Oline Titus uses centennial events in Gettysburg to examine the history of political social and community change in 1960s America Examining the experiences of political leaders civil rights activists preservation minded Civil War enthusiasts and local residents Titus shows how the era s deep divisions thrust Gettysburg into the national spotlight and ensured that white and Black Americans would define the meaning of the battle the address and the war in dramatically different ways
