Paul May I Speak With You 6 Dialogues For Bible Study:

Paul! May I Speak with You? Marion Fairman, 1992-12 Woman Paul how do you explain what happened the light and the voice Paul with spirit I don't need any explanation Woman For us in the 20th century then Paul For you then I might say that in some way the limitations of my physical body had been shattered from the first dialogue Paul May I Speak With You includes six dialogues between a woman of the 20th century and the Apostle Paul Each dialogue includes helpful discussion questions scripture references and other suggestions for the teacher This series can be a Lenten Bible study a series of dialogue sermons in the church worship hour Vacation Bible School curriculum or material for youth fellowship discussion Dialogue chapter titles are Paul's early life through his conversion The years of suspicion The first missionary journey The gospel reaches Europe The third journey and trials in Caesarea Journey to Rome Paul's last days Marion Fairman Pittsburgh Pennsylvania has traveled with her husband volunteering in many areas of mission She has taught literature and writing at Miami of Ohio Westminster College Pennsylvania and the University of Pittsburgh She writes curriculum and critiques manuscripts for The Writing Academy an interdenominational group of Christian writers **Topical Bible Studies** David Lendway, 2019-08-20 This book is Volume 3 of three volumes and contains a different collection of Bible topics than each of the other two volumes These topics like the previous topics in the other two volumes will also allow the reader to easily identify and with little or no effort on their part to commit to memory exactly what God expects of them from within HIS written Word Although this will not necessarily bring about the reader's ability to remember precisely where each of these topics appears in the Bible's book chapter and verse it will after reading enough of these topics make their daily Bible reading much easier and so much more enjoyable due to their new found understanding The reader will also discover when studying topic by topic they will remember the subject matter much better than when these particular subjects flew by them at lightning speed while reading along in their Bible These self contained Bible studies work for everyone It doesn't matter where one stands in their faith or how much they know about the Bible these studies will work For those who are well rooted in the Word these studies will work for them as a review those who own an average understanding of God's Word will be able to use these studies not only as a review but also for learning something that God has said and they had previously missed Those who know very little about the Word of God will be able to learn a great deal from these topical studies since they are self contained and require no explanation because all commentary is backed up with book chapter and verse from the inspired Word of God Those who know nothing about the Word and are seeking to learn about God the Father God the Son God the Holy Spirit their salvation and the existence of this spiritual world they have heard so much about will now be able to learn straight from His Word right in the comfort of their living room whatever it is they want to know The Westminster Study Bible Westminster John Knox Press, 2024-10-01 The Westminster Study Bible WSB is the first entirely new study Bible to utilize the recently released New Revised Standard Version Updated Edition Soon to be an essential tool for all religious
