Paul Struggles With His Congregation The Pastoral Message Of The Letters To The Corinthians

Matthew Levering

Paul Struggles With His Congregation The Pastoral Message Of The Letters To The Corinthians:

Paul Struggles with His Congregation Hans Urs von Balthasar, 2014 Commenting on the pastoral questions taken up by Saint Paul in his letters to the Corinthians Hans Urs von Balthasar offers a meditative interpretation of Paul's writings and difficulties with the Christians at Corinth He discusses the different roles of pastors and believers and we see how the problems are resolved through Paul's advice example and prayerful patience

Pastor Paul (Theological Explorations for the Church Catholic) Scot McKnight, 2019-09-03 Being a pastor is a complicated calling Pastors are often pulled in multiple directions and must become all things to all people 1 Cor 9:22 What does the New Testament say or not say about the pastoral calling And what can we learn about it from the apostle Paul According to popular New Testament scholar Scot McKnight pastoring must begin first and foremost with spiritual formation which plays a vital role in the life and ministry of the pastor As leaders pastors both create and nurture culture in a church The biblical vision for that culture is Christoformity or Christlikeness Grounding pastoral ministry in the pastoral praxis of the apostle Paul McKnight shows that nurturing Christoformity was at the heart of the Pauline mission The pastor's central calling then is to mediate Christ in everything McKnight explores seven dimensions that illustrate this concept friendship siblings generosity storytelling witness subverting the world and wisdom as he calls pastors to be conformed to Christ and to nurture a culture of Christoformity in their churches

Second Corinthians and Paul's Gospel of Human Mortality Richard I. Deibert, 2017-01-30 How does Paul's bodily mortality both collapse his apostolic authority in Corinth and yet confirm his gospel Richard I Deibert explores the vital relationship between Paul's experience of death and his theology of death Back cover

Mary's Bodily Assumption Matthew Levering, 2014-11-24 In Mary's Bodily Assumption Matthew Levering presents a contemporary explanation and defense of the Catholic doctrine of Mary's bodily Assumption He asks How does the Church justify a doctrine that does not have explicit biblical or first century historical evidence to support it With the goal of exploring this question more deeply he divides his discussion into two sections one historical and the other systematic Levering's historical section aims to retrieve the rich Mariological doctrine of the mid twentieth century He introduces the development of Mariology in Catholic Magisterial documents focusing on Pope Pius XII's encyclical *Munificentissimus Deus* of 1950 in which the bodily Assumption of Mary was dogmatically defined and two later Magisterial documents Vatican II's *Lumen Gentium* and Pope John Paul II's *Redemptoris Mater* Levering addresses the work of the neo scholastic theologians Joseph Duhr Alo's Janssens and R ginald Garrigou Lagrange before turning to the great theologians of the nouvelle th ologie Karl Rahner Hans Urs von Balthasar Louis Bouyer Joseph Ratzinger and their emphasis on biblical typology Using John Henry Newman as a guide Levering organizes his systematic section by the three pillars of the doctrine on which Mary's Assumption rests biblical typology the Church as authoritative interpreter of divine revelation under the guidance of the Holy Spirit and the fittingness of Mary's Assumption in relation to the other mysteries of faith Levering's ecumenical contribution is a significant engagement with

Protestant biblical scholars and theologians it is also a reclamation of Mariology as a central topic in Catholic theology

The Letter to the Colossians Scot McKnight, 2018-02-26 The Letter to the Colossians offers a compelling vision of the Christian life its claims transcend religion and bring politics culture spirituality power ethnicity and more into play Delving deeply into the message of Colossians this exegetical and theological commentary by Scot McKnight will be welcomed by preachers teachers and students everywhere

Understanding the Religious Priesthood Christian, OSB Raab, Brian E., SJ Daley, 2020-10-14 Most contemporary theologies of Holy Orders consider priesthood mainly in its diocesan context and most contemporary theologies of religious life do not consider how ordained ministry functions when it is internal rather than external to religious life Understanding the Religious Priesthood provides a history and theology of religious priesthood that contributes to our understanding of this vocation s identity and mission It uncovers what religious priesthood shares with diocesan priesthood and non ordained religious life and what makes it different from both those other vocations Christian Raab begins by tracing the history of religious priesthood from its origins in the early Church to the eve of the Second Vatican Council He demonstrates that religious priests often faced questions about how to reconcile their two callings but that they also provided answers in their theologies and spiritualities of priesthood and religious life Meanwhile they made key contributions to the Church s life and mission Raab then investigates the teachings of the Second Vatican Council on priesthood and religious life Observing that the Council presented priesthood according to a diocesan typology and presented religious life without sacerdotal associations he argues that the lack of imagery of religious priesthood contributed to a post conciliar vocational identity crisis among religious priests He then seeks to remedy this lacuna by appealing to the biblical images for religious priesthood Hans Urs von Balthasar offered in his theology of vocations Raab argues that Balthasar s imagery is a promising way forward for understanding the identity and mission of religious priesthood In a final part Raab provides a substantial theological articulation of religious priesthood which illuminates its liturgical signification ecclesial mediation and mission and ministerial identity Here he draws not only from Balthasar but also from Pope John Paul II Yves Congar Jean Marie Tillard Brian Daley and Guy Mansini to construct his profile

Was the Reformation a Mistake? Matthew Levering, 2017-09-26 Was the Reformation a mistake In its actual historical context it hardly seems fair to call the Reformation a mistake In 1517 the Church was in need of a spiritual and theological reform The issues raised by Renaissance humanism and by the profound corruption of the Church s leaders the Avignon papacy and the Great Schism in the fourteenth and fifteenth centuries lingered unresolved What were key theological problems that led to the Reformation Theologian Matthew Levering helps readers see these questions from a Catholic perspective Surveying nine key themes Scripture Mary Eucharist Monasticism Justification and Merit Saints Priesthood and Scripture he examines the positions of Martin Luther and makes a case that the Catholic position is biblically defensible once one allows for the variety of biblically warranted modes of interpreting Scripture At the same time Levering makes clear that he cannot prove the Catholic case The

book concludes with a spirited response by mere Protestant theologian Kevin J Vanhoozer X **Aquinas's Eschatological Ethics and the Virtue of Temperance** Matthew Levering, 2019-11-15 Matthew Levering offers a biblical and Thomistic portrait of the cardinal virtue of temperance and its allied virtues in dialogue with an ecumenical range of theologians and scholars In Aquinas's Eschatological Ethics and the Virtue of Temperance Levering argues that Catholic ethics make sense only in light of the biblical worldview that Jesus has inaugurated the kingdom of God by pouring out his spirit Jesus has made it possible for us to know and obey God's law for human flourishing as individuals and communities He has reoriented our lives toward the goal of beatific communion with him in charity which affects the exercise of the moral virtues that pertain to human flourishing Without the context of the inaugurated kingdom Catholic ethics as traditionally conceived will seem like an effort to find a middle ground between legalistic rigorism and relativistic laxism which is especially the case with the virtue of temperance the focus of Levering's book After an opening chapter on the eschatological biblical character of Catholic ethics the ensuing chapters engage Aquinas's theology of temperance in the Summa theologiae which identifies and examines a number of virtues associated with temperance Levering demonstrates that the theology of temperance is profoundly biblical and that Aquinas's theology of temperance relies for its intelligibility upon Christ's inauguration of the kingdom of God as the graced fulfillment of our created nature The book develops new vistas for scholars and students interested in moral theology

Anatomy of Transcendence: Mental Excess and Rapture in the Thought and Life of Thomas Aquinas Peter Kwasniewski, 2025-02-12 Man is created by God for an eternal glory that surpasses his nature Even now he is called to a graced participation in divine life that draws him above and beyond himself conforming him to the one in whose image he is made In his theological writings Thomas Aquinas explored this order of excess that characterizes God's elevation of the rational creature discerning in its most extreme instances mystical transport ecstasy and rapture the essential contours of the ordering of Christian life to the transcendent union of beatific vision This same ordering is witnessed in Aquinas's own experience where toward the end of his life he was raised to a contemplative vision surpassing all language and further study In Anatomy of Transcendence Peter A Kwasniewski examines the intersection of Aquinas's theological writings and mysticism establishing a vocabulary and topography for the Angelic Doctor's study and experience of ecstasy and excess in God's raising of the human mind to divine things While drawing on the full scope of the saint's corpus the study pays particular attention to his engagement with Scripture especially the rapture of Paul related in 2 Corinthians thus contributing to the recovery of Aquinas not only as spiritual theologian but also as biblical theologian

Christ and the Catholic Priesthood Matthew Levering, 2010
