broader view of Paul's work Paul's Prison Epistles provides the pastor and teacher with helpful outlines and comments that will enhance their ministry **Paul's Letters from Prison** ,1976 The letters Paul wrote to the Ephesians Philippians Colossians and Philemon have one feature in common that distinguishes them from the other letters he wrote in them Paul calls himself a prisoner This thought provoking study examines closely the metaphorical and literal meaning of Paul's bonds and chains Through analysis of the letters themselves Caird considers whether Paul was actually behind bars when he wrote them and if so in which prison or prisons whether he may have been referring to himself figuratively as a prisoner of Jesus Christ and whether he was the actual author of all four letters In assessing these issues Caird outlines each letter's intended audience vocabulary style historical setting literary references and theology The Epistles of Paul Philip Schaff,1888
