**Gerald McDermott**

## **Public Religion In American Culture:**

*Public Religion in American Culture* John Frederick Wilson, 1979      **Religion and American Cultures** Gary Laderman, Luis León, 2014-12-17 This four volume work provides a detailed multicultural survey of established as well as new American religions and investigates the fascinating interactions between religion and ethnicity gender politics regionalism ethics and popular culture This revised and expanded edition of *Religion and American Cultures Tradition Diversity and Popular Expression* presents more than 140 essays that address contemporary spiritual practice and culture with a historical perspective The entries cover virtually every religion in modern day America as well as the role of religion in various aspects of U S culture Readers will discover that Americans aren't largely Protestant Catholic or Jewish anymore and that the number of popular religious identities is far greater than many would imagine And although most Americans believe in a higher power the fastest growing identity in the United States is the nones those Americans who elect none when asked about their religious identity thereby demonstrating how many individuals see their spirituality as something not easily defined or categorized The first volume explores America's multicultural communities and their religious practices covering the range of different religions among Anglo Americans and Euro Americans as well as spirituality among Latino African American Native American and Asian American communities The second volume focuses on cultural aspects of religions addressing topics such as film Generation X public sacred spaces sexuality and new religious expressions The new third volume expands the range of topics covered with in depth essays on additional topics such as interfaith families religion in prisons belief in the paranormal and religion after September 11 2001 The fourth volume is devoted to complementary primary source documents      **The Routledge Handbook of Religion and American Culture** Chad E. Seales, 2025-03-31 The Routledge Handbook of Religion and American Culture explains where religion is made in the United States It offers essays profiling cultural sites including energy industry public life music arts and entertainment and life and death These sites organize the volume's 31 chapters demonstrating how cultural religion has been constructed and performed in specific historical and ethnographic case studies This volume offers a much needed resource for Religious Studies scholars and students interested in the study of religion and culture in the United States as well as those in American Studies Anthropology of Religion Sociology of Religion Material Culture Studies Environmental Studies and History      *Public Religion and Urban Transformation* Lowell W Livezey, 2023-11-21 American cities are in the midst of fundamental changes Deindustrialization of large aging cities has been enormously disruptive for urban communities which are being increasingly fragmented Though often overlooked religious organizations are important actors both culturally and politically in the restructuring metropolis *Public Religion and Urban Transformation* provides a sweeping view of urban religion in response to these transformations Drawing on a massive study of over seventy five congregations in urban neighborhoods this volume provides the most comprehensive picture available of urban places of worship from mosques and gurdwaras to churches and

synagogues within one city Revisiting the primary site of research for the early members of the Chicago School of urban sociology the volume focuses on Chicago which provides an exceptionally clear lens on the ways in which religious organizations both reflect and contribute to changes in American pluralism From the churches of a Mexican American neighborhood and of the Black middle class to communities shared by Jews Christians Hindus and Muslims and the rise of megachurches Public Religion and Urban Transformation illuminates the complex interactions among religion urban structure and social change at this extraordinary episode in the history of urban America

**Public Religions in the Modern World** José Casanova, 2024-05-31 In a sweeping reconsideration of the relation between religion and modernity Jose Casanova surveys the roles that religions may play in the public sphere of modern societies During the 1980s religious traditions around the world from Islamic fundamentalism to Catholic liberation theology began making their way often forcefully out of the private sphere and into public life causing the deprivatization of religion in contemporary life No longer content merely to administer pastoral care to individual souls religious institutions are challenging dominant political and social forces raising questions about the claims of entities such as nations and markets to be value neutral and straining the traditional connections of private and public morality Casanova looks at five cases from two religious traditions Catholicism and Protestantism in four countries Spain Poland Brazil and the United States These cases challenge postwar and indeed post Enlightenment assumptions about the role of modernity and secularization in religious movements throughout the world This book expands our understanding of the increasingly significant role religion plays in the ongoing construction of the modern world

The Oxford Handbook of Church and State in the United States Derek H. Davis, 2010-10-19 Study of church and state in the United States is incredibly complex Scholars working in this area have backgrounds in law religious studies history theology and politics among other fields Historically they have focused on particular angles or dimensions of the church state relationship because the field is so vast The results have mostly been monographs that focus only on narrow cross sections of the field and the few works that do aim to give larger perspectives are reference works of factual compendia which offer little or no analysis The Oxford Handbook of Church and State in the United States fills this gap presenting an extensive multidimensional overview of the field Twenty one essays offer a scholarly look at the intricacies and past and current debates that frame the American system of church and state within five main areas history law theology philosophy politics and sociology These essays provide factual accounts but also address issues problems debates controversies and where appropriate suggest resolutions They also offer analysis of the range of interpretations of the subject offered by various American scholars This Handbook is an invaluable resource for the study of church state relations in the United States

**Religion in American Public Life** Azizah al-Hibri, Jean Bethke Elshtain, Charles C. Haynes, 2001 How should the First Amendment guarantees apply to current controversies concerning religion in public life Should state religious institution partnerships be encouraged How should we live with our differences on such issues as sexual orientation abortion

and physician assisted suicide What role should religion play in business and corporate governance not for profit organizations academia citizen action and science and technology

**BOOK JACKET**      Popular Evangelicalism in American Culture Richard Kyle, 2017-09-18 Popular Evangelicalism in American Culture explores the controversies complexities and historical development of the evangelical movement in America and its impact on American culture Evangelicalism is one of the most dynamic and growing religious movements in America and has been both a major force in shaping American society and likewise a group which has resisted aspects of the modern world Organised thematically this book demonstrates the impact of American culture on popular evangelicalism by exploring the following topics politics economics salvation millennialism the megachurch and electronic churches and popular culture This accessible and thought provoking volume will interest anyone concerned with the modern day success of the Evangelical movement in America      Prophetic and Public Kristin E. Heyer, 2006-06-02 The United States was founded on a commitment to religious tolerance Based on this commitment it has become one of the most religiously diverse and religiously observant liberal democracies in the world Inherent in this political reality is the question What is the appropriate relationship between religious beliefs and public life This is not a new question but in contemporary US politics it has become a particularly insistent one In this intelligent wide ranging book Kristin Heyer provides new and nuanced answers Prophetic and Public employs the discourse of public theology to consider what constitutes appropriate religio political engagement According to Heyer public theology connects religious faith concepts and practices to their public relevance for the wider society Her use of public theology concepts to address the appropriate possibilities and limits for religio political engagement in the United States is both useful and enlightening Heyer approaches the relationship between public morality and religious commitment through the example of the Catholic Church She looks at two prominent Catholics Michael Baxter and Bryan Hehir as a way of discussing norms for practice of public theology Heyer also analyzes case studies of three US Catholic advocacy groups The US Conference of Catholic Bishops NETWORK and Pax Christi USA Through her analysis she shows the various ways that the organizations Catholic identity impacts their social and political efforts From her investigations come norms that define possibilities and limits for political actions based on religious conviction This deeply thoughtful book examines what is truly fundamental and inescapable about public life and private religious belief in the United States In doing so it makes skillful use of the tools of theology philosophy law and advocacy to demonstrate that the Catholic Church reveals great diversity in its public theology providing legitimate options for a faithful response to urgent political issues      One Holy and Happy Society Gerald McDermott, 1992-09-15 Jonathan Edwards 1703-58 was arguably this country's greatest theologian and its finest philosopher before the nineteenth century His school of disciples the New Divinity exerted enormous influence on the religious and political cultures of late colonial and early republican America Hence any study of religion and politics in early America must take account of this theologian and his legacy Yet historians still regard Edwards' social theory as either nonexistent or

underdeveloped Gerald McDermott demonstrates to the contrary that Edwards was very interested in the social and political affairs of his day and commented upon them at length in his unpublished sermons and private notebooks McDermott shows that Edwards thought deeply about New England's status under God America's role in the millennium the nature and usefulness of patriotism the duties of a good magistrate and what it means to be a good citizen In fact his sociopolitical theory was at least as fully developed as that of his better known contemporaries and more progressive in its attitude toward citizens rights Using unpublished manuscripts that have previously been largely ignored McDermott also convincingly challenges generations of scholarly opinion about Edwards The Edwards who emerges from this nook is both less provincial and more this worldly than the persona he is commonly given

**The Holocaust's Ghost** F. C. DeCoste, Bernard Schwartz, 2000-05 Numerous scholars explore the moral aesthetic and political outcomes of the Holocaust from the perspectives of various academic backgrounds including art literature political science education and history

**Public Religions in the Future World** David Morris, 2021-12-01 Public Religions in the Future World is the first book to map the utopian terrain of the political religious movements of the past four decades Examining a politically diverse set of utopian fictions this book cuts across the usual Right Left political divisions to show a surprising convergence each political religious vision imagines a revived world of care and community over and against the economization and fragmentation of neoliberalism Understanding these religions as utopian movements in reaction to neoliberalism Public Religions invites us to rethink the bases of religious identification and practice Offering new insights on texts from the Left Behind series to the novels of Octavia Butler Public Religions shows that the utopian energy of the present opens new opportunities for political organizing and genuine lasting community building Public Religions in the Future World presents a literary history of the political religious present arguing that the power of public religion lies in the utopian visions that underlie religious beliefs It shows that contemporary literary utopianism is deeply inflected with religious ideas with the visions values and ambitions of Christianity Islam nature mysticism and other traditions Further Public Religions demonstrates that this utopianism's religiosity is in turn politically inflected that it resonates with and underwrites a range of competing political projects those of imperialism globalization neoliberal capitalism deep ecology and the pro migration movement David Morris constructs a working theory of how religion makes large scale interventions in political debates The novels in his study draw on religious traditions to articulate visions programs or missions for achieving some version of an improved world In doing so they undertake the work of literary postmodernism to represent globality to recover the voices of the underrepresented and to imagine a future that escapes the destructiveness of global capitalism

**Evangelical Dictionary of Theology (Baker Reference Library)** Walter A. Elwell, 2001-05-01 Fifteen years after its original publication comes a thoroughly revised edition of the Evangelical Dictionary of Theology Every article from the original edition has been revisited With some articles being removed others revised and many new articles added the result is a completely new dictionary covering systematic

historical and philosophical theology as well as theological ethics

### **International Development and Public Religion**

Haemin Lee, 2016-02-23 Over the past few decades Christianity in the global South has grown exponentially in size and influence with many centers emerging around the globe such as Brazil South Korea and Nigeria One remarkable phenomenon in this process is the rise of faith based humanitarian international and nongovernmental organizations NGOs While traveling to about seventy different countries in Africa Asia and Latin America Haemin Lee has witnessed the surge of faith based NGOs all around the world This book explores the role that religion plays in encountering secular society from various angles by drawing upon discourses in mission studies sociology of religion and anthropology of development Specifically it probes the development practices of two major Korean organizations Korea Food for the Hungry International and Good Neighbors This book investigates the following hypothesis humanitarian care through international development NGOs appears to be the growing interest of Korean Christian mission and this shows a new direction of Korean Christianity as public religion However on closer examination a more complex reality emerges in which diverse theological and developmental ideals motivate the Korean NGOs humanitarian efforts Presidential Temples Benjamin Hufbauer, 2005 This book explores the visual and material cultures of presidential commemoration memorials and monuments libraries and archives and the problematic ways in which presidents themselves have largely taken over their own commemoration The author sees these various commemorative sites as playing a key role in the construction of our collective political and cultural self images and as another sign of our preoccupation with celebrity culture Ultimately he contends these presidential temples reflect not only our civil religion but also the extraordinary expansion of executive authority and presidential self commemoration since FDR **Military Chaplains' Review**, 1981 *Keywords for American Cultural Studies, Second Edition* Bruce Burgett, Glenn Hendler, 2014-12-19 The latest vocabulary of key terms in American Studies Since its initial publication scholars and students alike have turned to *Keywords for American Cultural Studies* as an invaluable resource for understanding key terms and debates in the fields of American studies and cultural studies As scholarship has continued to evolve this revised and expanded second edition offers indispensable meditations on new and developing concepts used in American studies cultural studies and beyond It is equally useful for college students who are trying to understand what their teachers are talking about for general readers who want to know what's new in scholarly research and for professors who just want to keep up Designed as a print digital hybrid publication *Keywords* collects more than 90 essays 30 of which are new to this edition from interdisciplinary scholars each on a single term such as America culture law and religion Alongside community prison queer region and many others these words are the nodal points in many of today's most dynamic and vexed discussions of political and social life both inside and outside of the academy The *Keywords* website which features 33 essays provides pedagogical tools that engage the entirety of the book both in print and online The publication brings together essays by scholars working in literary studies and political economy cultural anthropology and ethnic studies

African American history and performance studies gender studies and political theory Some entries are explicitly argumentative others are more descriptive All are clear challenging and critically engaged As a whole Keywords for American Cultural Studies provides an accessible A to Z survey of prevailing academic buzzwords and a flexible tool for carving out new areas of inquiry

Public Religion and the Politics of Homosexuality in Africa Adriaan van Klinken, Ezra Chitando, 2016-04-14 Issues of same sex relationships and gay and lesbian rights are the subject of public and political controversy in many African societies today Frequently these controversies receive widespread attention both locally and globally such as with the Anti Homosexuality Bill in Uganda In the international media these cases tend to be presented as revealing a deeply rooted homophobia in Africa fuelled by religious and cultural traditions But so far little energy is expended in understanding these controversies in all their complexity and the critical role religion plays in them This is the first book with multidisciplinary perspectives on religion and homosexuality in Africa It presents case studies from across the continent from Egypt to Zimbabwe and from Senegal to Kenya and covers religious traditions such as Islam Christianity and Rastafarianism The contributors explore the role of religion in the politicisation of homosexuality investigate local and global mobilisations of power critically examine dominant religious discourses and highlight the emergence of counter discourses Hence they reveal the crucial yet ambivalent public role of religion in matters of sexuality social justice and human rights in contemporary Africa

**Anglo-American Cultural Studies** Jody Skinner, 2022-09-05 The third edition of Skinner's introduction to Anglo American cultural studies has been thoroughly revised to include Brexit Trump the pandemic and the war in Ukraine This standard textbook now includes new full color graphics as well as updated recommendations for further reading and watching at the end of each chapter Anglo American Cultural Studies refreshingly breaks with the tradition of dry impersonal summaries of facts and figures to provide German students with first hand experience of the personal tone and humor that can characterize academic discourse in Britain and the US

*America's Religions* Peter W. Williams, 2008 A panoramic introduction to religion in America newly revised and updated

### **Public Religion In American Culture Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Public Religion In American Culture has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Public Religion In American Culture has opened up a world of possibilities. Downloading Public Religion In American Culture provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Public Religion In American Culture has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Public Religion In American Culture. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Public Religion In American Culture. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Public Religion In American Culture, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Public Religion In American Culture has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of

free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Public Religion In American Culture Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Public Religion In American Culture is one of the best book in our library for free trial. We provide copy of Public Religion In American Culture in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Public Religion In American Culture. Where to download Public Religion In American Culture online for free? Are you looking for Public Religion In American Culture PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Public Religion In American Culture. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Public Religion In American Culture are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Public Religion In American Culture. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Public Religion In American Culture To get started finding Public

Religion In American Culture, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Public Religion In American Culture So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Public Religion In American Culture. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Public Religion In American Culture, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Public Religion In American Culture is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Public Religion In American Culture is universally compatible with any devices to read.
