Renewal on the Run Jill Briscoe,1992 **Becoming the Pastor's Wife** Beth Allison Barr,2025-03-18 Provides a blistering critique of the narrowing options for female leadership in the evangelical church A powerful indictment of an unequal system Publishers Weekly As a pastor s wife for twenty five years Beth Allison Barr has lived with assumptions about what she should do and who she should be In Becoming the Pastor s Wife Barr draws on that experience and her academic expertise to trace the history of the role of the pastor s wife showing how it both helped and hurt women in conservative Protestant traditions While they gained an important leadership role it came at a deep cost losing independent church leadership opportunities that existed throughout most of church history and strengthening a gender hierarchy that prioritized male careers Barr examines the connection between the decline of female ordination and the rise of the role of pastor s wife in the evangelical church tracing its patterns in the larger history ancient medieval Reformation and modern of Christian women s leadership By expertly blending historical and personal narrative she equips pastors wives to better advocate for themselves while helping the church understand the origins of the role as well as the historical reality of ordained women **Get Back Up: Trusting God When Life Knocks You Down** Sheryl Giesbrecht,2013-03-01 Life is not always easy or fair for the follower of Christ Yet Sheryl Giesbrecht has learned from the depths of past pain it is possible to be raised up It is possible to heal Most importantly it is possible to exchange hurt for hope In her inspirational new book Get Back Up Trusting God When Life Knocks You Down Sheryl tells her own story She uses scripture to tell the stories of so many other Biblical figures who stumbled before they could be helped up Sheryl s message is one of hope Trusting God in the midst of a life turned upside down is essential to survival Without Him life would not be worth living Climbing out of the pits of despair would be impossible Yes with God to lean on finding hope is possible Healing is possible God is capable of taking our losses and mistakes and turning them into something remarkably beautiful Won t you let Him **Don't Miss the Blessing** Jo Ann Paris Leavell,2010-10-25 Recalling the rich experiences from her marriage to Dr Landrum P Leavell II past president emeritus of New Orleans Baptist Theological Seminary Jo Ann Paris Leavell provides a guide for Christian women particularly ministers wives She discusses such topics as family and finances while emphasizing the importance of communication and daily worship With optimism apparent on each page Leavell encourages women to use their God given gifts to shape a positive self image and achieve their goals of spiritual growth **The Search for Balance** Jill Briscoe,2003 Discover the secrets to learning to let God chart your course and help you chose between better and best New Books on Women and Feminism ,1992 *The Comparison Trap* Jill Briscoe,2003 A Note from Jill Briscoe Dear Friends Oh Lord I breathed as I sat on the platform at a meeting Look at that chic speaker three chairs down Why did I wear beige They won t be able to see me against the curtains I ve always struggled with comparisons I had a sister I adored and I wanted to be just like her I had a friend with cute freckles on her nose and I wanted freckles too I played tournament tennis and I wanted to

perfect my backhand and make it look just like my Wimbledon idol It didn t help when I became a Christian either In fact it grew worse I looked around at the new friends I had made and found an inordinate desire to walk like them talk like them witness like them pray like them and know the Bible like them It was a trap and a comparison trap and and this little church mouse was caught securely in it Half of the problem was my own insecurity Another piece of my problem was a sincere desire to be the very best for God and when I saw someone doing that I tried to copy her Comparisons usually lead to copying and that is not all bad if you copy the principles and not the particulars You can t copy spiritual gifts however even if you have gifts in the same area God has made us uniquely and intends for each of us to be ourselves Escaping the comparison trap is a question of being sure of your own identity The most freeing thought for me has been If I were them who d be me Why would God make me one of a kind if He wanted me to try being a clone Over the years I ve noted that the worst group for falling into the comparison trap is ministry wives who find themselves following a perfect predecessor No matter what just smile and insist on being you Hopefully those of you who battle with comparison will find the chapters in this book full of helpful hints and practical ways to escape it In His Love Jill Briscoe For more information about Just Between Us resources visit this page *The Cumulative Book Index* ,1992 A world list of books in the English language **American Book Publishing Record** ,2005 *Coffee, Cookies, and Inspiration* Mary Pielenz Hampton,1998 Insightful devotionals beautiful full color photographs and delicious cookie and coffee recipes help readers enjoy quiet moments with Jesus Recipes include Biscotti Coriander Diamond Cookies Mocha Meringue Stars Almond Coffee Delights Desert Mysteries Cinnamon Butterflies and more **The Community of Women and Men in the Church** World Council of Churches. Conference,1983 Rapport n a v de World Council of Churches Conference in Sheffield Engeland 1981 **Soul Inspiration** Sheritha Bowman,2001-11 Soul Inspiration The Triumphant Testimony of a Praying Wife will inspire every woman to stand on the promises of God and not give up With an anointed mixture of boldness and humor Bowman gives life changing advice on prayer love submission achieving your dreams and enduring the storms of life while maintaining peace in the midst of it all This book is for any woman who wants to be truly happy and receive the abundance of God in her life marriage and family Sheritha Bowman is the author of This Too Shall Pass Meditations Affirmations and Encouragement for My Sisters and publisher of the mini magazine The Inner Woman Bowman a Spiritual counselor and minister of the Gospel facilitates workshops and renders the word of God nationally She lives in Maryland with her husband and their three children Mysticism and Narcissism Kathleen Lyons,2015-11-25 Mysticism and Narcissism details the exceptional personal narrative of a long serving Cenacle nun during a time of particular historical significance for the Catholic Church The book s unique and original approach is highlighted by its application of psychoanalytic theory to questions of theological and Marian identity and relationality exploring narcissism and mysticism within the context of religious life In addition it provides an excellent historical resource for the study of women s religious orders in the twentieth century and in analysing the impact of Vatican II on the self

understanding of all women **Black Women in America** Kim Marie Vaz,1994-11-02 Nominated for the 1995 Distinguished Publication Award of the Association for Women in Psychology A provocative insightful volume Black Women in America offers an interdisciplinary study of black women s historic activism representation in literature and popular media self constructed images and current psychosocial challenges This new work by outstanding scholars in the field of race and gender studies explores the ways in which black women have constantly reconstructed and transformed alien definitions of black womanhood Black women have an image of themselves that differs from those others impose Collectively the contributors to this anthology demonstrate that such socially constructed images hide the complexities and ambiguities the challenges and the joys experienced in the real lives of black women Multifaceted in its approach Black Women in America is certain to stimulate debate stretch minds and spark future research Black Women in America is a welcome resource for scholars and students in African American or Ethnic Studies Women s Studies Sociology and Psychology The volume can be helpful in stimulating questions and discussion for students in African American studies Choice Black Women in America combines social history with contemporary analysis in one of the most thoughtful of scholarly compendia I have ever seen It will be useful to scholars who teach history sociology African American studies and women s studies but also to any American interested in a deeper and broader understanding of America s past present and future Sarah Susannah Willie Colby College Maine At a time when several anthologies of essays by and about black women are hitting the shelves Kim Marie Vaz s volume boasts an unusual and inventive mix of topics It treats a range of historical eras and geographical locations The apt emphasis on resistance rather than victimization is apparent throughout the essays I read it provides an excellent focal point In all Vaz s editorial contribution is admirable She has collected an impressively wide ranging group of essays on the history sociology and culture of black women Interdisciplinary in its approach and sound in its scholarship the volume will be welcomed by scholars and students in African American studies and women s studies in particular but also history sociology and political science Cheryl Ann Wall Rutgers University A Philosophy of Pastoral Preaching David A. Christensen,2023-05-26 I am a pastor I preach Doesn t that make me a pastoral preacher Not necessarily Many preach missional rather than pastoral sermons designed to appeal to the unchurched not the churched The popularity of regional churches and the global reach of the internet allow preachers to focus their sermons on people they do not know and market a message to an audience they never see Evangelical leaders produce many resources on attractional preaching but who is developing a vision for pastoral preaching David Christensen draws on years of experience to develop a philosophy of pastoral preaching He writes Social media changes the way we preach More and more pastors are preaching clickbait sermons These are sermons designed to get clicks or attract interest rather than teach truth We want catchy titles and clever analogies that will grab people s attention because the digital world is built on attention whatever will get likes or drive outrage However pastoral preaching builds community It is rooted in local soil to the people we know in the place we live We

need a philosophy of preaching that shepherds a community of disciples who worship together in one place **The Living Church** ,1968 *A Second Wind* Arni Jacobson,Robert Mims,2008-09 In A Second Wind Pastor Arni Jacobson and writer Robert Mims explore what happens when lifes greatest successes and spiritual victories are unexpectedly followed by stunning setbacks doubt and depression That journey begins with the ancient Jewish prophet Elijah and his confrontation with the wicked King Ahab and his murderous queen Jezebel over the soul of Israel Interspersed with Elijahs story are modern day examples from the famous Dr Gary Smalley Pastors John and Joel Osteen Pastor Rich Wilkerson and others as well as everyday people Pastor Jacobson has met and ministered to during times of grief sickness divorce and derailed dreams All these accounts are connected by the need for the spiritual equivalent of what all long distance runners crave the breath and grace to finish what remains ahead That second wind is the blessing to rebound from victory to valley experiences to even greater triumphs in life Arni Jacobson is a pastor mentor church planter motivator author father and grandfather He loves to build lasting relationships and see people come to a real understanding of their relationship with Christ Over more than 30 successful years in ministry Arni has built dynamic churches in Merrill Wisconsin Salt Lake City Utah Salem Oregon and pioneered a church of more than 3 000 in Green Bay Wisconsin In 2007 Arni and his son Chad embarked on a new ministry returning to Utah to co found City Church Arni continues to be a much sought after speaker and counselor to churches both in the United States and abroad Arni and his wife Jan and have two children and are very proud of their grandchildren Doing Member Care Well: Kelly O'Donnell,2002-06-01 This book explores how member care is being practiced around the world to equip sending organizations as they intentionally support their mission aid personnel The information provided includes personal accounts guidelines case studies worksheets and practical advice from all over the globe This book delivers what it promises Here are 50 chapters from the widest selection of writers in the member care field to date Brent Lindquist President Link Care Center This book was published in partnership with the World Evangelical Alliance **Congressional Record** United States.
