A Manual of Prayer, for Public and Private Worship William Greenleaf Eliot,1851 *Psalms and Hymns, and Spiritual Songs* Charles S. Robinson,2016-09-02 Excerpt from *Psalms and Hymns and Spiritual Songs A Manual of Worship for the Church of Christ* This Book of Hymns and Tunes has been prepared by a Pastor in charge of Church He has undertaken the work with the single aim and hope of encouraging singing by the Congregation as a part of divine worship He has not sought to compile a Manual of Hymnology nor to furnish a collection of pieces of Lyric Poetry Everything has been bent to the one purpose of actual use All the Selections are set to music in sight But it is not to be understood that each must be sung exactly and invariably to the tune under which it is printed In most cases a choice is presented a new or fresher one being matched with one older or more familiar It may be that mere mechanical reasons have forced the hymn into the place it occupies when the more appropriate music will be found below or across on the Opposite page A quiet care in noting the metres will avoid all confusion About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
