Manuel Ancizar Una Peregrinacion Por Los Caminos:

Peregrinación de Alpha (M. Ancizar) por las provincias del norte de la Nueva Granada Manuel Ancizar, 1853 La colonización antioqueña una empresa de caminos Eduardo Santa Loboguerrero, 2021-07-19 Cuando se escriba la historia de los grandes movimientos populares en Colombia aquella que tenga profundas raíces en el alma colectiva en las instituciones seculares y en el movimiento de la conciencia nacional seguramente aparecer que las migraciones colonizadoras que tuvieron su génesis y su aliento en la vieja Antioquia constituyen la más grande aventura realizada en nuestro suelo durante el siglo XIX Esos grupos antioqueños constituidos todos por gentes resueltas emprendedoras y valientes hasta el propio heroísmo continuaron la empresa de los conquistadores españoles quizás con mayor fortuna que estos y a ese tenaz esfuerzo por construir la patria se debe la existencia de más de cien poblaciones grandes y pequeñas que en conjunto constituyen un fuerte núcleo estrechamente unido por un común denominador antropogeográfico Sociológicamente esas poblaciones nuevas todas hijas del siglo XIX y del hacha antioqueña forman un conglomerado social típicamente homogéneo y triplemente unido por la sangre por la tradición y las costumbres Tales grupos migratorios que tienen una serie de causas tan variadas como complejas entre las que se cuentan el espíritu aventurero propio de los antioqueños estimulado por la pobreza del suelo nativo por el crecimiento desmedido de las familias por el afán de hacer riqueza y particularmente por la búsqueda de tesoros indígenas o guaqueros y también por el fenómeno del contagio social que movilizó grandes masas en algunas empresas históricas como sucedió en las Cruzadas en la conquista de América y en la colonización de Texas y California constituyen sin lugar a dudas la única gran revolución efectiva en el campo social y económico de la república Manuel Ancizar Yolanda Reyes, 1998 *Caminos y fundaciones: Eje Sonsón-Manizales* Jorge Enrique Esguerra Leongómez, Beatriz Sierra de Mejía, 2021-02-05 Los procesos de poblamiento y urbanización que se produjeron en la región centrooccidental de Colombia en el siglo XIX que fueron protagonizados principalmente por antioqueños son temas que en términos generales han atraído la indagación de investigadores de las ciencias sociales particularmente de los historiadores economistas sociólogos o antropólogos de la que se pueden extraer invaluable enseñanzas acerca de cómo se desarrollaron esos procesos en un lapso específico cuáles fueron sus límites cómo se interrelacionaron los diversos agentes para su cometido cuáles fueron las instituciones que las condicionaron etc Pero a pesar de los esfuerzos por integrar las diversas disciplinas que necesariamente confluyen en su interpretación siempre quedan vacíos provenientes la mayoría de ellos de la escasa importancia que se le da a establecer la relación entre la sociedad que genera el poblamiento y el territorio que la acoge principalmente en sus aspectos geomorfológicos porque además de los factores de clima vegetación y demás variables que condicionan la adaptación ecosistémica las formas que genera la especificidad geográfica es decir el relieve el curso de los ríos los espacios que acogen y favorecen la producción o la habitación o los que la rechazan son determinantes en el análisis pertinente Pero con mayor razón existen deficiencias en el estudio de los asentamientos que con el tiempo gracias a su vocación se consolidaron como centros urbanos

y permanecieron vinculados a desarrollos disímiles. Así las investigaciones tendientes a esclarecer el fenómeno urbano que produjeron las gestas migratorias han sido en verdad escasas por no decir que inexistentes y algunas veces han incurrido en graves deformaciones porque se han desconocido las particularidades del medio geográfico del centrooccidente de Colombia como definitorias de los cauces del poblamiento y de la génesis de los poblados. **Nueva geografía universal** Élisée Reclus, 1897. *Globalización y diversidad religiosa en Colombia* Ana María Bidegaín, Juan Diego Demera Vargas, 2005.
