Social Work Armando Morales, Bradford W. Sheafor, 1980 Social Work A Profession of Many Faces now in its ninth edition has stood the test of time as an introduction to the profession of social work This book includes historical material on the emergence of social work as a profession the areas

and groups where human services are provided and career opportunities for social workers today The book reflects up to date empirical data about where social workers are employed what positions they hold what personal characteristics they bring to their practice and the competencies required to perform their work The main focus of the text is on the various groups most of them disenfranchised to whom social workers provide services including children older adults women disabled persons and members of minority racial and ethnic groups A new chapter entitled Social Work Throughout the World helps readers gain a broader understanding of how the profession of social work has evolved in different parts of the world For anyone interested in Social Work **Introduction to Social Work, Fourth Edition** Ira Colby, Sophia F. Dziegielewska, 2015-06 There are certain questions that all students considering social work ask Who are social workers What is it that social workers do How is the social work profession changing What does it take to become a social worker Ira Colby and Sophia Dziegielewska bring their decades of experience in social work practice and education to answer these questions This engaging text gives readers a practical guide to the many ways in which social workers effect change in their communities and the world The authors offer an overview and history of the profession introduce readers to the practice of social work at the micro mezzo and macro level and finally look closely at the many settings and populations that social workers work with While realistically portraying the pressures and obstacles that social workers face Colby and Dziegielewska communicate their own passion for social work **Program Evaluation for Social Workers** Richard M. Grinnell Jr., Peter A. Gabor, Yvonne A. Unrau, 2012-02-15 Now in its sixth edition this popular student friendly introduction to program evaluation provides social workers with a sound conceptual understanding of how to use basic evaluation techniques in the evaluation of their cases case level and programs program level Eminently approachable straightforward and practical this edition includes the fundamental tools that are needed in order for social workers to fully appreciate and understand how case and program level evaluations will help them to increase their effectiveness as contemporary data driven practitioners Genograms Monica McGoldrick, Randy Gerson, Sueli Petry, 2020-04-07 The latest edition of this definitive book in the field of family therapy the first update in ten years Widely used by family therapists and by health care professionals in general the genogram is a graphic way of organizing the mass of information gathered during a family assessment This visual representation allows the practitioner to find patterns in the family system for more targeted treatment Now in its fourth edition Genograms has been fully updated by renowned therapist Monica McGoldrick Expanded with four color images throughout additional material explaining the use of genograms with siblings and couples and a thorough updating to essential concepts this edition provides a fascinating view into the richness of family dynamics Informative comprehensive and beautifully written and illustrated this book helps bring to life principles of family system theory and systemic interviewing as well as walk readers through the basics of constructing a genogram doing a genogram interview and interpreting the results Foundations of Social Work Practice with Lesbian and Gay Persons Gerald P

Mallon,2013-09-13 Focusing on the pragmatic aspects of social work with gay and lesbian persons this book offers a knowledge base of practice that will better prepare students and practitioners for working more competently and effectively with lesbians and gay men Written by scholars and practitioners in the social work profession Foundations of Social Work Practice with Lesbian and Gay Persons teaches you how to develop practice approaches that are sensitive to issues of sexual orientation as well as how to work with this population in the contexts of practice with individuals couples families groups communities and organizations The book s sensible strategies and case studies provide you with critical information that will help you deal with homophobia and heterocentrism and enact a professional commitment to pursuing economic and social equality for diverse and at risk client populations A foundation level text on social work practice with gays and lesbians this book is designed to provide social work students academics and practitioners with an understanding of the values and ethics fundamental to practice with this group of clients Foundations of Social Work Practice with Lesbian and Gay Persons summarizes the variety of issues dynamics and techniques required to work effectively with gay and lesbian clients who are at different points in their development and life cycles To further help you in your practice it also discusses providing skilled professional assistance to gay victims of hate crimes how homophobia can prevent lesbians and gay men from receiving adequate services the obstacles social workers sometimes face when trying to integrate the core set of professional values and ethical principles into their practice practitioner self disclosure regarding sexual identity developmental milestones for lesbian and gay persons alcohol and substance abuse among lesbians family therapy concepts of fusion and enmeshment same gender socialization assessing issues of sexual expression Counselors social workers and students and academics in gay and lesbian studies will find that Foundations of Social Work Practice with Lesbian and Gay Persons greatly expands the social work knowledge base to disrupt the impact of institutional individualized and internal homophobia on social workers their clients and the institutions in which social workers practice Its flexible and creative treatment approaches to therapy with sexual minorities are sure to help you sensitize your therapeutic techniques and improve the quality of care you deliver

Social Workers' Desk Reference ,2015-01-13 People all over the world are confronted by issues such as poverty a lack of access to quality education unaffordable and or inadequate housing and a lack of needed health and mental services on a daily basis Due to these issues there is a need for social workers who have access to relevant and timely scholarly materials in order to meet the needs of those facing these issues The social psychological and biological factors resulting from these issues determine the level of a person s mental health at any given point in time and it is necessary for social workers to continue to evolve and develop to the new faces and challenges of the times in order to adequately understand the effects of these issues In the first and second editions of the Social Workers Desk Reference the changes that were occurring in social work practice education and research were highlighted and focused upon This third edition continues in the same tradition and continues to respond to the changes occurring in society and how they are impacting the education research and

practice of social work as a whole With 159 chapters collaboratively written by luminaries in the profession this third edition serves as a comprehensive guide to social work practice by providing the most recent conceptual knowledge and empirical evidence to aid in the understanding of the rapidly changing field of social work Each chapter is short and contains practical information in addition to websites and updated references Social work practitioners educators students and other allied professionals can utilize the Social Workers Desk Reference to gain interdisciplinary and interprofessional education practice and research

Social Work Theory and Ethics Dorothee Hölscher, Richard Hugman, Donna McAuliffe, 2023-03-17 This reference work addresses the ideas that shape social work Much of the social work literature addresses questions of theory and ethics separately so that the body of thought that is represented in social work scholarship and research creates a distinction between them However the differences between these categories of thought can be somewhat arbitrary This volume goes beyond this simple separation of categories Although it recognises that questions of theory and ethics may be addressed distinctly the connections between them can be made evident and drawn out by analysing them alongside each other Social work s use and development of theory can be understood in two complementary ways First theory from the social sciences and other disciplines can be applied for social work second considered systematic examinations of practice have enabled theory to be developed out of social work These different approaches are usually referred to as theory for practice and practice theory The advancement of social work theory occurs often through the interplay between these two dimensions through research and scholarship in the field Similarly social work ethics draw on principles and concepts that have their roots in philosophical inquiry and also involve applied analysis in the particular issues with which social workers engage and their practices in doing so In this way social work contributes to wider debates through advancement of its own perspectives and knowledge gained through practice Social Work Theory and Ethics Ideas in Practice offers a unique approach by bringing together the complementary dimensions of theory with each other and at the same time with ethical research and scholarship It presents an analysis of the ideas of social work in a way that enables connections between them to be identified and explored This reference is essential reading for social work practitioners researchers policy makers academics and students as well as an invaluable resource for universities research institutes government ministries and departments major non governmental organisations and professional associations of social work

Violence and Social Injustice Against Lesbian, Gay, and Bisexual People Lacey Sloan, Nora Gustavsson, 2014-07-16 Violence and Social Injustice Against Lesbian Gay and Bisexual People helps you look past the stereotypical picture of violence against sexual minorities the public physical assaults on gay lesbian bisexual and transgendered youth by hypermasculine male thugs and directs you toward the many daily acts of quiet violence that go on unhindered in the workaday settings of our legal social educational and law enforcement institutions You ll learn about the frightening prevalence of complacency homophobic ignorance and apathy that pervades our police departments courts high schools and churches Also armed with this critical

insight and statistical research you ll be better equipped to wage a non violent war of fairness and mutual respect against the daily senseless violence of policy and practice that threatens to render gay lesbian bisexual and transgendered people unwelcome and battered citizens in their own communities You ll find that Violence and Social Injustice Against Lesbian Gay and Bisexual People is ideal for aiding social workers counselors teachers and criminal justice officials in removing the unseen acts of violence from the policies and practices of the public sector These and other specific areas will give you the information and the fortitude necessary to evoke positive change in your community legal issues relating to same sex marriage the connection between social injustice and violence violence against sexual minority youth sexual identity and ethnic minorities practice and policy recommendationsAs this book shows violence against sexual minorities can be subtly woven into the very fabric of some of our most long standing respected social institutions For too long the sexual minorities of color for example and the lesbian who suffers physical assault at the hands of a partner have had little or no help from social workers law enforcement or education for fear of receiving either complete negligence or increased antagonism But now in Violence and Social Injustice Against Lesbian Gay and Bisexual People you ll find the facts and tools necessary for turning the ugliness of communal violence into social justice for people of all sexual orientations The Altruistic Imagination John H. Ehrenreich,2014-01-21 Social work and social policy in the United States have always had a complex and troubled relationship In The Altruistic Imagination John H Ehrenreich offers a critical interpretation of their intertwined histories seeking to understand the problems that face these two vital institutions in American society Ehrenreich demonstrates that the emphasis of social work has always vacillated between individual treatment and social reform Tracing this ever changing focus from the Progressive Era through the development of the welfare state the New Deal and the affluent 1950s and 1960s into the administration of Ronald Reagan he places the evolution of social work in the context of political cultural and ideological trends noting the paradoxes inherent in the attempt to provide essential services and reflect at the same time the intentions of the state He concludes by examining the turning point faced by the social work profession in the 1980s indicated by a return to casework and a withdrawal from social policy concerns *The Changing Face of Health Care Social Work* Sophia F. Dziegielewska, PhD, LCSW,Diane C. Holliman, PhD, LCSW,2019-08-12 This practical guide provides the knowledge and skills social workers need when navigating the complex health care environment while having to continuously adapt to change Substantially revised and updated the fourth edition delivers a wealth of new information reflecting the rapidly evolving health care landscape Full of practice oriented advice it encompasses all aspects of professional health care social work in the U S health care system across all key settings Throughout the fourth edition there is a strong emphasis on the importance of developing best practices that are evidence based culturally sensitive supportive and ethically accountable The book is also a call to action for social workers who must not only be therapeutically effective but also professionally competitive with other health care providers offering similar services Each chapter contains

professional profiles in diverse practice areas along with a glossary reflective questions and relevant websites New to the Fourth Edition Major updates on all recent changes in health care practice and the ACA and the role of the health care social worker including an increased emphasis on the role of social justice Updated information related to the NASW Code of Ethics including use of technology and evaluation Increased emphasis on Evidence Based Practice throughout Updated with the different roles of social workers including medical social work in the military VA hospitals and clinics and advocacy for those who are serving or have served New sections on behavioral health and integrative practice telehealth Institutional Review Boards IRBs social work practice in emergency departments and home health intimate partner domestic violence mandated reporting and duty to protect duty to warn Major changes to health and mental health assessment including updated DSM 5 and WHO assessments Examining ethical dilemmas including vaccinations and new sections on pain and spirituality Completely rewritten content on prevention health and wellness coaching Key Features Encompasses all aspects of professional health care social work in the U S health care system across key settings and patient populations Highlights the need for more organizational and leadership knowledge Provides tools for adapting to all major changes in health care with updated roles and functions Includes a wealth of advice through professional profiles Supplementary material for instructors includes PowerPoints and an Instructor s Manual with sample syllabus course related CSWE accreditation suggestions classroom activities and a test bank for each chapter

The Routledge Handbook of Postcolonial Social Work Tanja Kleibl,Ronald Lutz,Ndangwa Noyoo,Benjamin Bunk,Annika Dittmann,Boitumelo Seepamore,2019-07-30 The Routledge Handbook of Postcolonial Social Work reflects on and dissects the challenging issues confronting social work practice and education globally in the post colonial era By analysing how countries in the so called developing and developed world have navigated some of the inherited systems from the colonial era it shows how they have used them to provide relevant social work methods which are also responsive to the needs of a postcolonial setting This is an analytical and reflexive handbook that brings together different scholars from various parts of the world both North and South so as to distill ideas from scholars relating to ways that can advance social work of the South and critique social work of the North in so far as it is used as a template for social work approaches in postcolonial settings It determines whether and how approaches knowledge bases and methods of social work have been indigenised and localised in the Global South in the postcolonial era This handbook provides the reader with multiple new theoretical approaches and empirical experiences and creates a space of action for the most marginalised communities worldwide It will be of interest to researchers and practitioners as well as those in social work education

Managing for Service Effectiveness in Social Welfare Organizations Rino J Patti,Charles A Rapp,John Poertner,2013-05-13 This important book is the first to make an explicit link between management practices and service outcomes in social welfare agencies Managing for Service Effectiveness in Social Welfare Organizations is based on the premise that the primary responsibility and distinctive competency of social welfare management is delivering high

quality effective services to clients Collectively the book s esteemed contributors have clearly presented a model of administration founded on concepts and strategies for connecting managerial action with service effectiveness The sections of the book correspond to the core functions and tasks in an effective approach to management including measuring performance program and organizational design managing people managing information managing environmental relations and the ethics of managing for effectiveness

Person-Centred Counselling in Action Dave Mearns, Brian Thorne, 2007-05-21 Watch Dave Mearns and Brian Thorne s video on YouTube to hear the story behind the writing of the Third Edition and to find out about Dave s time spent under the stewardship of Carl Rogers SAGE celebrated the 20th Anniversary of the Counselling in Action series in November 2008 To view the video [click here](#)

REVIEWS Thank you for revising the bible I am a tutor on a so called integrative counselling course and I thoroughly endorse the idea that Carl Rogers would have welcomed this honesty and new interpretation of his model Your SAGE book is indeed a bible and I have repeatedly recommended it to the students lecturer YouTube For students and those new to person centred counselling there is a clear exposition of person centred theory For experienced practitioners there are new and challenging theoretical developments within the person centred approach If new to counselling this is a must have If wondering whether to invest in this edition when there is already a copy of the earlier one on the shelf the challenge of the new theoretical material is persuasive but if that is not enough then the updated practice guidance the practical questions and answers and the comprehensive references must make this new edition another bestseller

Therapy Today It is now almost twenty years since the first edition of Person Centred Counselling in Action appeared In that time this SAGE bestseller has maintained enormous popularity with trainees and practitioners and has achieved world wide acclaim This substantially revised Third Edition provides an excellent introduction to the theory and practice of person centred counselling while incorporating exciting new developments in the approach Dave Mearns and Brian Thorne have preserved the compelling and accessible style of its predecessors At the same time they provoke reflection on many of the key issues which concern not only person centred practitioners but those across the whole counselling and psychotherapy field New to this edition is the inclusion of relational depth a key development for the person centred approach and counselling generally extended discussion of the counsellor s use of self a new chapter containing the authors answers to frequently asked questions the inclusion of diversity issues covering religion gender and sexual orientation further reading suggestions Much has changed in the person centred orientation since the death of Carl Rogers in 1987 Not only have new schools of thought emerged with different emphases and therapeutic possibilities but the authors of this book have themselves been responsible for significant advances in key areas of person centred theory and practice These developments are fully reflected in the revised text Continuing to offer a clear exposition of the theory and practice of the approach Person Centred Counselling in Action Third Edition will be invaluable for those embarking on their first stages of training Well established practitioners and even seasoned scholars will

continue to find much to interest and stimulate them Praise for previous editions An important book a most sophisticated text Mearns and Thorne have written a book for all counsellors and psychotherapists The reader will be left both grateful and hungry for more British Journal of Guidance and Counselling The discussion of empathy acceptance and congruence is central and should be required reading for all trainees working to understand the richness of these core concepts outstanding Counselling and Psychotherapy The Journal of the British Association for Counselling and Psychotherapy Without doubt the clearest description of the person centred approach to counselling that I have read apart from Carl Rogers own writings I felt that I had got to know both Dave Mearns and Brian Thorne through their offering the reader their own congruence and I found this aspect of the book at times quite moving Social Work Today Gives real insight into person centred counselling This is a gentle book an absolute delight to read I couldn't put it down as it held me in the realm of my own feelings I would like to thank both authors for sharing so much of their intimate selves I recommend this book to trainee counsellors trained counsellors clients and those involved in the helping professions It is a book that has influenced me and that I would not want to be without BPS Counselling Psychology Review Excellent all rounder for practitioners to learn and build upon counselling skills with young offenders lecturer Guidance Youth and Youth Justice Nottingham Trent University An excellent text Student friendly and covering all main issues lecturer Psychology Swansea Institute of HE Stimulates a re exploration of the doctor patient relationship British Medical Journal I felt understood by this book Ann Weiser PCA Letter Network This book could very sensibly be placed on the reading lists of all counselling trainers and trainees this is the most informative and useful book I have read in a long time and I have no doubt that if Carl Rogers were still alive today he would not only agree but also acknowledge experiencing some envy Changes The skilful conveying of tenderness and building of trust are well explained and described with lots of case study examples Guidance Matters Excellent book a useful and practical way to underpin current emphasis on humanism in nursing lecturer West London NHS Mental Health Trust Continues to be an excellent easy introduction but with depth Deserves to be a bestseller lecturer Preston College The book conveys the profound respect for the person for his/her autonomy and uniqueness which is inherent in the Rogerian approach British Journal of Medical Psychology A marvelous book highly recommended Someone has finally written an easily accessible book about the theory and practice mostly practice of the kind of therapy that makes the most sense to many focusers Hurrah The Focusing Connection Truly allows the reader to enter the world of the person centered counsellor Contemporary Psychology Person Centred Counselling in Action written by Dave Mearns and Brian Thorne was originally published in 1988 about a year after the death of Carl Rogers It has helped to maintain and stimulate interest in this approach and has become a best seller in the Counselling in Action series The Journal of Critical Psychology Counselling and Psychotherapy *The Sage Handbook of Decision Making, Assessment and Risk in Social Work* Brian J. Taylor, John D. Fluke, J. Christopher Graham, Emily Keddell, Campbell Killick, Aron Shlonsky, Andrew Whittaker, 2023-08-16 The SAGE

Handbook on Decision Making Assessment and Risk in Social Work provides a comprehensive overview of key strands of research and theoretical concepts in this increasingly important field With 49 chapters and four section summaries this Handbook describes the state of the art discuss key debates and issues and gives pointers on future directions for practice research teaching management of services and development of theoretical understandings A key aim of this Handbook is to support the development of sound applied knowledge and values to underpin reasoned professional judgement and decision making by social workers in practice and those in management and regulatory roles With contributions from a global interdisciplinary body of leading and emerging scholars from a wide variety of roles this handbook has been designed to be internationally generalisable and applicable to all major areas of social work This Handbook provides a field defining account of decision making assessment and risk in social work which is unrivalled for its diversity and strength of coverage and will be of value to social work researchers teachers and practitioners as well as to those in allied fields such as health care

Section 1 Professional Judgement Section 2 Assessment Risk and Decision Processes Section 3 Assessment Tools and Approaches Section 4 Developing and Managing Practice Section 5 Concluding Section Afterword Multicultural Social Work Practice Derald Wing Sue, Mikal N. Rasheed, Janice Matthews Rasheed, 2015-12-18 A thorough exploration of diversity and social justice within the field of social work Multicultural Social Work Practice A Competency Based Approach to Diversity and Social Justice 2nd Edition has been aligned with the Council on Social Work Education's 2015 Educational Policy and Standards and incorporates the National Association of Social Workers Standards of Cultural Competence New chapters focus on theoretical perspectives of critical race theory microaggressions and changing societal attitudes and evidence based practice on research supported approaches for understanding the influence of cultural differences on the social work practice The second edition includes an expanded discussion of religion and spirituality and addresses emerging issues affecting diverse populations such as women in the military Additionally Implications for Multicultural Social Work Practice at the end of each chapter assist you in applying the information you have learned Multicultural Social Work Practice 2nd Edition provides access to important guidance regarding culturally sensitive social work practice including the sociopolitical and social justice aspects of effective work in this field This thoroughly revised edition incorporates new content and pedagogical features including Theoretical frameworks for multicultural social work practice Microaggressions in social work practice Evidence based multicultural social work practice New chapter overviews learning objectives and reflection questions Multicultural Social Work Practice 2nd Edition is an integral guide for students and aspiring social workers who want to engage in diversity and difference *Appalachian Cultural Competency* Susan Emley Keefe, 2005 Health and human service practitioners who work in Appalachia know that the typical textbook methods for dealing with clients often have little relevance in the context of Appalachian culture Despite confronting behavior and values different from those of mainstream America these professionals may be instructed to follow organizational mandates that are

ineffective in mountain communities subsequently drawing criticism from their clients for practices that are deemed insensitive or controversial In *Appalachian Cultural Competency* Susan E Keefe has assembled fifteen essays by a multidisciplinary set of scholars and professionals many nationally renowned for their work in the field of Appalachian studies Together these authors argue for the development of a cultural model of practice based on respect for local knowledge the value of community diversity and collaboration between professionals and local communities groups and individuals The essays address issues of both practical and theoretical interest from understanding rural mountain speech to tailoring mental health therapies for Appalachian clients Other topics include employee assistance programs for Appalachian working class women ways of promoting wellness among the Eastern Cherokees and understanding Appalachian death practices Keefe advocates an approach to delivering health and social services that both acknowledges and responds to regional differences without casting judgments or creating damaging stereotypes and hierarchies Often she observes the reflexive approach she advocates runs counter to formal professional training that is more suited to urban and non Appalachian contexts Health care professionals mental health therapists social workers ministers and others in social services will benefit from the specific cultural knowledge offered by contributors illustrated by case studies in a myriad of fields and situations Grounded in real tested strategies and illustrated clearly through the authors experiences *Appalachian Cultural Competency* is an invaluable sourcebook stressing the importance of cultural understanding between professionals and the Appalachian people they serve
