Fosse, 2021-05-23 *The Many Faces of Polyamory* Longing and Belonging in Concurrent Relationships provides new perspectives on polyamory and the longing to belong in the relatively uncharted territory of nonnormative relationships This volume offers a valuable and compelling account on how to approach polyamorous relationships from the clinical perspective While there is no uniform answer Dr

Fosse's compassionate and discerning approach that combines relative neutrality an open minded embrace of nontraditional lifestyle choices and skilful attention to countertransference dynamics is likely to be inspiring Dr Fosse exposes the dynamics of love sex jealousy and compersion as they play out in lives of those interested in polyamory and more broadly consensual nonmonogamy Her focus is on relationships worth having With its nuanced clinical focus *The Many Faces of Polyamory* will be an essential resource for psychotherapists educators students and anyone inside and outside of the mental health field drawn to the intricacies of sexuality intimacy and how they are intertwined with relational satisfaction **The Many Faces of Love**, 2006 *The Face of Love* Ellen Zetzel Lambert, 1996-07-01 To see beauty as the face of love rather than the arbitrary gift of fortune is to enlarge our sense of life's possibilities A woman becomes beautiful when she believes that her appearance reflects her essential self Ellen Zetzel Lambert explores the connection of physical appearance to self esteem through photography literature and life experience *Rabindranath Tagore's The Home and the World* Pradip Kumar Datta, 2005 Designed as a companion to Rabindranath Tagore's *Ghare Baire* *The Home and the World* the ten essays of this volume cover the novel in terms of the complexity of colonial modernity The book will be of great value and interest to those studying Indian literature post coloniality gender representations and nationalism **The Many Faces of God** Jaap Durand, 2007-03-01 Since the Enlightenment of the eighteenth century theologians and philosophers have brought about profound changes in the discourse about God The orthodox image of God developed in the previous seventeen centuries in Roman Catholicism as well as within Protestantism has come under great pressure but it would be wrong to think that this image is no longer relevant and that only a few conservative Christians hold on to it **The Many Faces of Job** Choon-Leong Seow, 2025-03-13 This handbook analyses in a comparative method and on an interdisciplinary level how the biblical figure of Job and his texts were interpreted from premodern times until today highlighting continuities and discontinuities The first volume addresses the premodern period and includes chapters on Second Temple Judaism Jewish Interpretations Christian Interpretations Islam Literature Visual Arts and Music **The Many Faces of Subud** Riantee Lydia Rand, 2005-04-18 Subud is a direct and spontaneous spiritual experience that allows people to receive a contact with the Great Life Force It re awakens their inner feeling and puts them in touch with their own guidance eventually bringing to the surface their true nature which was before obstructed and cluttered with erroneous beliefs ancestral patterns of behavior culture education and their family malfunctions Many have found a deeper understanding of their own religious beliefs from the evidence they receive for themselves Others have come to actualize their true talent and work There are Subud groups in eighty countries bringing together harmoniously people of many different religious and ethnic backgrounds The spiritual practice or latihan arises from within It is a natural process that occurs without effort or study This book is the result of the collaborative effort of three women who have practiced the latihan of Subud for decades It compiles testimonies of Subud members from all over the world on different topics Each chapter begins with a short account of observations experiences

receptions and dreams on the subject People interviewed were of different age groups social and ethnic backgrounds some newly opened in Subud some older members some second and third generation Subud The opening latihan when one first receives this contact is a ceremony of introduction into the spiritual exercise after a three month period of inquiry referred to as the probation or investigation period Through the latihan people renew their contact with the power of God and become aware of the latent powers that reside in all of humankind The central feature of Subud is the latihankejiwaan or inner training which takes place for half an hour up to an hour two or three times a week and is practiced by men and women separately Subud has little doctrinal teaching except for the belief in divine power and higher centers of consciousness The implication is that people practicing the latihan align themselves with those higher centers It is available to any person seventeen and older who has a sincere wish to worship God and wants to receive this contact The action of the latihan within each person allows the power of God to express itself spontaneously through singing chanting shouting moving dancing crying laughing etc Subud's founder Bapak Muhammad Subuh explains that in this way when in the latihan we make a complete surrender to the Power of God or the Great Life Force we can receive the education of our inner selves free from interference by our minds and hearts and according to our own individual needs Participants have often reported strong feelings of rapture and release psychological and physical healing During latihan one lets go of thoughts and emotions in order to follow what surfaces those movements and sounds that spontaneously arise from deep within It is a form of cleansing which allows the worship of God to become stronger and less obstructed a training that lets individuals get in touch develop and trust their inner guidance enabling the complete self to emerge through an action that comes from beyond the thinking and the will
