McFaul, 2009-11-19 This book offers a bold forecast of the year 2050 and what life will look like in the emerging global village Is this profound new work Thomas McFaul examines the interwoven concepts of truth and freedom in the context of the Modernist movement that has fundamentally reshaped our world McFaul's thesis Societies that make truth and freedom their signature values stand the best chance of prospering in the emerging global village In *The Future of Truth and Freedom in the Global Village* Modernism and the Challenges of the Twenty first Century McFaul relates the two cornerstone ideas of truth and freedom to the development of Modernism and its impact on science religion ethics economics and politics This sets the stage for thought provoking speculation as McFaul forecasts what life might be like in the year 2050 with scenarios that range from moving forward as a unified world embracing new possibilities to sliding back to the good old days McFaul's well reasoned conclusion is that any society's long term viability rests on having the freedom to adapt to changes in the modern world in new and creative ways **Like Rolling River Free ...** Vandana M. Jani, 2023-01-03 *Like Rolling River Free* highlights three central characters Swami Saradananda Sara Bull and Sarah Farmer who played a critical role in the growth of American spirituality The author examines Swami Saradananda's life in detail weaving together strands from America's religious and cultural history In the process she reveals the importance of two women Sara Bull the daughter of a senator and the wife of a famous musician who became one of Swami Vivekananda's most significant supporters and trusted disciples and Sarah Farmer the creator of the Greenacre Conferences The book details the captivating family history of both Bull and Farmer providing readers a detailed view of nineteenth century America But most striking is the book's portrayal of Saradananda who was Sri Ramakrishna's one of the most influential disciple His contributions to the Ramakrishna Order provided it with essential guidance and they continue to reverberate today Join the author as she explores how Saradananda spread a message of religious harmony as you learn about Vedanta one of the six schools of Hindu philosophy *Living Life Consciously* Lana Tracy Lewis, 2009-03 *Living Life Consciously* Living Life Consciously shares with you your soul purpose soul lesson and life lesson each components of what constitutes your purpose in life It reflects on your gifts and lessons and how to actively and consciously implement them in your life in order to experience personal and spiritual enlightenment As the ego and the soul come face to face on this earth plane they become intertwined and must learn to experience life holistically and from a common viewpoint Thus begins the battle for both personal and soul growth As you learn to love appreciate and acknowledge every facet of who you are you begin to experience your absolute potential through your innate power and uniqueness which brings fulfillment happiness and inner contentment Together the ego and the soul dance symbiotically to
