Maori Girl:

Waihoura, the Maori Girl William Henry Giles Kingston, 2023-10-04 In *Waihoura the Maori Girl* William Henry Giles Kingston crafts a vivid narrative that intricately weaves together elements of adventure romance and social commentary within the rich tapestry of 19th century New Zealand. Kingston's literary style is characterized by his engaging prose often infused with a sense of nostalgia and an earnest appreciation for the indigenous Maori culture. Set against the backdrop of colonial expansion, the story follows the trials and tribulations of Waihoura, a young Maori woman who embodies both strength and vulnerability, capturing the essence of her people's struggles and resilience in the face of changing times.

Kingston, an English author known for his adventure stories and travel writings, possessed a keen interest in the peoples and places of the British Empire. His experiences and the wider imperial context of his era profoundly influenced his writing. Kingston's works often reflect his desire to present a more nuanced portrayal of native cultures, challenging prevailing stereotypes of his time while evoking empathy and understanding for their plight. Thus, *Waihoura the Maori Girl* is not only a gripping tale of personal growth and cultural identity but also an important commentary on colonialism.

Recommended for readers seeking a deeper understanding of Maori culture and the complexities of indigenous lives in the face of colonization, Kingston's novel remains a powerful and enlightening read that resonates today.

Maori and Aboriginal Women in the Public Eye Karen Fox, 2011-12-01 From 1950 increasing numbers of Aboriginal and Māori women became nationally or internationally renowned. Few reached the heights of international fame accorded Evonne Goolagong or Dame Kiri Te Kanawa, and few remained household names for any length of time. But their growing numbers and visibility reflected the dramatic social, cultural, and political changes taking place in Australia and New Zealand in the second half of the twentieth century. This book is the first in-depth study of media portrayals of well-known Indigenous women in Australia and New Zealand, including Goolagong, Te Kanawa, Oodgeroo Noonuccal, and Dame Whina Cooper. The power of the media in shaping the lives of individuals and communities for good or ill is widely acknowledged. In these pages, Karen Fox examines an especially fascinating and revealing aspect of the media and its history: how prominent Māori and Aboriginal women were depicted for the readers of popular media in the past.

Publisher's description: *Cassidy et al.: Women and Empire, 1750-1939, Vol. II* Caroline Daley, 2021-12-24 *Women and Empire 1750-1939* functions to extend significantly the range of the *History of Feminism* series co-published by Routledge and Edition Synapse, bringing together the histories of British and American women's emancipation represented in earlier sets into juxtaposition with histories produced by different kinds of imperial and colonial governments. The alignment of writings from a range of Anglo-imperial contexts reveals the overlapping histories and problems while foregrounding cultural specificities and contextual inflections of imperialism. The volumes focus on countries, regions, or continents formerly colonized in part by Britain: Volume I Australia, Volume II New Zealand, Volume III

Africa Volume IV India Volume V Canada Perhaps the most novel aspect of this collection is its capacity to highlight the common aspects of the functions of empire in their impact on women and their production of gender and conversely to demonstrate the actual specificity of particular regional manifestations Concerning questions of power gender class and race this new Routledge Edition Synapse Major Work will be of particular interest to scholars and students of imperialism colonization women s history and women s writing
