March To The Sound Of The Drums:

March to the Sound of the Drums Harold L. Oppenheimer, 1966 **Marching to the Drums** John Norris, 2012-02-29

Military drummers have played a crucial role in warfare throughout history. Soldiers marched to battle to the sound of the drums and used the beat to regulate the loading and re loading of their weapons during the battle. Drummers were also used to raise morale during the fight. This is the first work to chart the rise of drums in military use and how they came to be used on the battlefield as a means of signalling. This use was to last for almost 4 000 years when modern warfare with communications rendered them obsolete. Even so drummers continued to serve in the armies of the world and performed many acts of heroism as they served as stretcher bearers to rescue the wounded from the battlefield. From ancient China, Egypt and the Mongol hordes of Genghis Khan the drum was used on the battlefield. The 12th century Crusaders helped re introduce the drum to Europe and during the Napoleonic Wars of the 18th and 19th centuries the drum was to be heard resonating across Europe. Drummers had to flog their comrades and beat their drums on drill parade. Today they are ceremonial but this work tells how they had to face enemies across the battlefield with only their drum. 1999 Chacahoula

, **La Mente** Dino DiCriscio, 2024-07-31 Francis a teenager happens upon a young lady by serendipity. From across the crowded room he sees her in all her beauty and something unusual takes place. Francis senses seem to go mute and time seems to stand still. He cranes his neck and pushes through the throng so as not to lose sight of her. But she walks from her location and she suddenly disappears. His heightened pulse begins to wane and his surroundings return once again to normality. He is standing still and suddenly he can hear a voice asking him if he would like to dance. His concentration has been diverted by a female friend who reads him as being out of touch. Francis will cross paths with his mystery lady later on that same evening in an unexpected and unique situation. In *La Mente* witness how love at first sight can lead to a young man's journey to fight, claw and capture the love of a lifetime. We all have a life story that presents challenges that we must overcome. And those challenges can help shed knowledge for us so as to facilitate the journey we may face. About the Author: Dino DiCriscio enjoys baseball, bowling and carpentry. He and his wife Karen share a son, Brandon. Dino enjoys homebuilding in his hometown of Wilmington, DE. Kids Can Listen!
