Marco Polo's Travels on Asia's Silk Road Cath Senker, 2008 How did Marco Polo manage to walk across all of Asia Why did he become a favorite of fabled Mongol ruler Kublai Khan Why was he not recognized on his return home More than 700 years ago merchants grew rich trading silks spices and glittering jewels between Europe and East Asia Marco Polo decided to see for himself the mysterious lands of the East and embarked on an expedition lasting 24 years The account of his epic journey astounded people throughout Europe Find out how Marco Polo braved bandits sandstorms mountains pirates and deadly diseases along the Silk Road and Spice Route Discover how he became a spy for Kublai Khan saw treasures beyond his dreams brought riches home to Italy and wrote one of the greatest travel books of all time **In the Footsteps of Marco Polo** Clarence Dalrymple Bruce, 1907 **Did Marco Polo Go To China?** Frances Wood, 2018-06-19 We all know that Marco Polo went to China served Ghengis Khan for many years and returned to Italy with the recipes for pasta and ice cream But Frances Wood head of the Chinese Department at the British Library argues that Marco Polo not only never went to China he probably never even made it past the Black Sea where his family conducted business as merchants Marco Polo's

travels from Venice to the exotic and distant East and his epic book describing his extraordinary adventures *A Description of the World* ranks among the most famous and influential books ever published In this fascinating piece of historical detection marking the 700th anniversary of Polo's journey Frances Wood questions whether Marco Polo ever reached the country he so vividly described Why in his romantic and seemingly detailed account is there no mention of such fundamentals of Chinese life as tea foot binding or even the Great Wall Did he really bring back pasta and ice cream to Italy And why given China's extensive and even obsessive record keeping is there no mention of Marco Polo anywhere in the archives Sure to spark controversy Did Marco Polo Go to China tries to solve these and other inconsistencies by carefully examining the Polo family history Marco Polo's activities as a merchant the preparation of his book and the imperial Chinese records The result is a lucid and readable look at medieval European and Chinese history and the characters and events that shaped this extraordinary and enduring myth

In the Hands of a Child: Project Pack Marco Polo, In the Footsteps of Marco Polo— Being the Account of a Journey Overland from Simla to Peking Clarence Dalrymple BRUCE, 1907, 2025-07-31 More than 600 years after Marco Polo traveled to the East Clarence Dalrymple Bruce retraced the famous Venetian's steps from Shimla in British India to Beijing publishing this book about his experience in 1907 **Marco Polo's China** Stephen G.

Haw, 2006-11-22 Marco Polo's famous book about his journey to China written in 1298 continues to be a subject of considerable controversy One recent work on the subject argues that Marco Polo never went to China at all and other scholars have pointed out apparent mistakes and important omissions in Marco's writings including his failure to mention the Great Wall and his apparently erroneous description of the course of the Yellow River Haw re-examines Marco Polo's writings The main arguments against his credibility have been negative concentrating on things that it is argued he should have seen and noted but did not The most serious of these supposed omissions are generally said to be his failure to describe the Chinese writing system tea foot binding and the Great Wall of China Yet Haw argues that what he does mention is impressive and argues strongly for his veracity This book clarifies Marco Polo's itineraries in China and proposes several new identifications of places mentioned Relying extensively on original Chinese sources and supplemented by Haw's wide knowledge of China Marco Polo's China presents a convincing argument and concludes that his work is an accurate important and useful source from an extraordinary period of Chinese history *Manichaeism in Central Asia and China* Samuel Lieu, 2020-10-26 The discovery of genuine Manichaean texts from sites like Turfan and Tunhuang since the beginning of the century has greatly increased our knowledge of the teaching of Manichaeism and of its amazing geographical spread in pre-Islamic times This volume brings together the contributions by a leading authority on the subject including a long survey article on the history of the discovery of the texts from Central Asia as well as articles focusing on some of these texts and on the incredible history of adaptation and survival of the sect in China proper The studies include many Chinese texts on Manichaeism made available for the first time in their original scripts and in translation The volume

also contains the first ever working catalogue of all Manichaean texts in western as well as oriental languages published up to 1997 St. Nicholas Mary Mapes Dodge,1900 **Medieval Textiles across Eurasia, c. 300-1400** Patricia Blessing,Elizabeth Dospěl Williams,Eiren L.
