moments of modern and contemporary art history in Canada Egypt Iceland India Ireland Israel Palestine Romania Scotland Turkey and the United Arab Emirates paying particular attention to the agency of institutions such as archives art galleries milestone exhibitions and artist retreats Old and emergent art cities including Cairo Dubai New York and Vancouver are also examined in light of avant gardism cosmopolitanism and migration Narratives Unfolding is both a survey of current art historical approaches and their connection to the source art making and art experience happening somewhere Teenage Dreams Charlie Jeffries,2022-06-17 Utilizing a breadth of archival sources from activists artists and policymakers Teenage Dreams examines the race and class inflected battles over adolescent women s sexual and reproductive lives in the late twentieth and early twenty first century United States Charlie Jeffries finds that most adults in this period hesitated to advocate for adolescent sexual and reproductive rights revealing a new culture war altogether one between adults of various political stripes in the cultural mainstream who prioritized the desire to delay girlhood sexual experience at all costs and adults who remained culturally underground in their support for teenagers access to frank sexual information and who would dare to advocate for this in public The book tells the story of how the latter group of adults fought alongside teenagers themselves who constituted a large and increasingly visible part of this activism The history of the debates over teenage sexual behavior reveals unexpected alliances in American political battles and sheds new light on the resurgence of the right in the US in recent years **Women's International Network News** ,1978 **Transnational Perspectives on Feminism and Art, 1960-1985** Jen Kennedy,Trista Mallory,Angelique Szymanek,2021-04-28 Transnational Perspectives on Feminism and Art 1960 1985 is a collection of essential essays that bring transnational feminist praxis into conversation with histories of feminist art in the 1960s 1970s and early 1980s The artistic practices and processes examined within these pages all centre on gender and sexual politics as they variously intersect with race class sovereignty Indigeneity citizenship and migration at particular historical moments and within specific geopolitical contexts The book s central premise is that reconsidering this period from transnational feminist perspectives will enable new thinking about the critical commonalities and differences across heterogeneous and geographically dispersed practices that have contributed to the complex and multifaceted relationship between feminism and art today The book will be of interest to scholars working in art history cultural studies visual culture material culture and gender studies Women Together/Women Apart Tirza True Latimer,2005-08-24 What does it mean to look like a lesbian Though it remains impossible to conjure a definitive image that captures the breadth of this highly nuanced term today at least we are able to consider an array of visual representations that have been put into circulation by lesbians themselves over the last six or seven decades In the early twentieth century though no notion of lesbianism as a coherent social or cultural identity yet existed In Women Together Women Apart Tirza True Latimer explores the revolutionary period between World War I and World War II when lesbian artists working in Paris began to shape the first visual models that gave lesbians a collective sense of identity and allowed them to recognize each

other Flocking to Paris from around the world artists and performers such as Romaine Brooks Claude Cahun Marcel Moore and Suzy Solidor used portraiture to theorize and visualize a new breed of feminine subject The book focuses on problems of feminine and lesbian self representation at a time and place where the rights of women to political professional economic domestic and sexual autonomy had yet to be acknowledged by the law Under such circumstances same sex solidarity and relative independence from men held important political implications Combining gender theory with visual cultural and historical analysis Latimer draws a vivid picture of the impact of sexual politics on the cultural life of Paris during this key period The book also illuminates the far reaching consequences of lesbian portraiture on contemporary constructions of lesbian identity

Luxury and Gender in European Towns, 1700-1914 Deborah Simonton, Marjo Kaartinen, Anne Montenach, 2014-09-04 This book conceives the role of the modern town as a crucial place for material and cultural circulations of luxury It concentrates on a critical period of historical change the long eighteenth and nineteenth centuries that was marked by the passage from a society of scarcity to one of expenditure and accumulation from ranks and orders to greater social mobility from traditional aristocratic luxury to a new bourgeois and even democratic form of luxury This volume recognizes the notion that luxury operated as a mechanism of social separation but also that all classes aspired to engage in consumption at some level thus extending the idea of what constituted luxury and blurring the boundaries of class and status often in unsettling ways It moves beyond the moral aspects of luxury and the luxury debates to analyze how the production distribution purchase or display of luxury goods could participate in the creation of autonomous selves and thus challenge gender roles

The Argosy, 1901 **The reign of woman under queen Victoria. Argosy mem. no** Argosy, 1901 **Feminists Who Changed America, 1963-1975** Barbara J. Love, 2006-09-22 Documenting key feminists who ignited the second wave women s movement Barbara J Love s *Feminists Who Changed America 1963 1975* will be the first comprehensive directory to document many of the founders and leaders including both well known and grassroots organizers of the second wave women s movement It tells the stories of more than two thousand individual women and a few notable men who together reignited the women s movement and made permanent changes to entrenched customs and laws The biographical entries on these pioneering feminists represent their many factions all parts of the country all races and ethnic groups and all political ideologies Nancy Cott s foreword discusses the movement in relation to the earlier first wave and presents a brief overview of the second wave in the context of other contemporaneous social movements
