Sandra F. Rief, Julie A. Heimborge, 2007-08-17 *How to Reach and Teach All Children Through Balanced Literacy* offers you a handbook for teaching literacy to diverse students in grades 3-8. The balanced literacy method combines the best practices of phonics and other skill-based language instruction with the holistic literature-based approach in order to help you teach reading, writing, and speaking in a clear and approachable format. This dynamic resource offers an easily accessible research-based approach to balanced literacy that is grounded in the innovative ideas developed by authors Sandra F. Rief and Julie A. Heimborge. The book includes detailed descriptions of what a balanced literacy classroom looks like and shows how to create a program from the ground up or give your existing program a boost. The book can be used across content areas and is filled with reproducible worksheets, activities, and other handy classroom tools. Some topics covered include: Shared book experiences, Reading aloud, Oral language and vocabulary development, Guided reading for comprehension, Modeled writing, Reading and writing conferences, Book clubs, Content area reading and writing, Ongoing assessments, Enhancing literacy through technology.

Nuclear Science Abstracts, *Content Area Literacy Strategies That Work* Lori G. Wilfong, 2019-03-13 Content area teachers are now being tasked with incorporating reading and writing instruction but what works? In this essential book from Routledge and AMLE author Lori G. Wilfong describes ten best practices for content area literacy and how to implement them in the middle level classroom. She also points out practices that should be avoided, helping you figure out which ideas to ditch and which to embrace. Topics covered include: Building background knowledge quickly, Using specific strategies to scaffold focus while reading, Using small group reading strategies to bring personal response and accountability to the content, Understanding items that make reading in different disciplines unique, Teaching content area vocabulary in meaningful ways, Making writing an authentic process through daily and weekly assignments, Planning and teaching effective informational and argumentative pieces. Each chapter includes Common Core connections and practical templates and tools. The templates are available as free eResources so you can easily print them for classroom use.

Striking a Balance Nancy L. Cecil, 2017-05-12 *Striking a Balance* explores a comprehensive program of early literacy instruction through a balanced approach to reading and writing for both enjoyment and information. The fifth edition retains the special features that adopters have come to appreciate: classroom vignettes, discussion questions, field-based activities, a student website, and study guide. This latest edition offers expanded content on differentiating instruction for diverse learners, including working with English Language Learners and students with special needs. Also new to this edition is greater coverage on integrating state standards with early literacy instruction. The book's practical approach fundamentally demonstrates how children develop authentic literacy skills through a combination of direct strategy instruction and motivating contexts.
