Cohen, 2017-05-26 The slow collapse of the European colonial empires after 1945 provides one of the great turning points of twentieth century history With the loss of India however the British under Harold Macmillan attempted to enforce a second colonial occupation supporting the efforts of Sir Andrew Cohen of the Colonial Office to create a Central African Federation Drawing on newly released archival material The Politics and Economics of Decolonization offers a fresh examination of Britain's central African territories in the late colonial period and provides a detailed assessment of how events in Britain Africa and the UN shaped the process of decolonization The author situates the Central African Federation which consisted of modern day Zambia Zimbabwe and Malawi in its wider international context shedding light on the Federation's complex relationships with South Africa with US Presidents Dwight Eisenhower and John F Kennedy and with the expanding United Nations The result is an important history of the last days of the British Empire and the beginnings of a more independent African continent **Colonialism in Africa 1870-1960: Volume 5, A Bibliographic Guide to Colonialism in**

Sub-Saharan Africa L. H. Gann, Peter Duignan, 1969 A comprehensive study of recent African history examining the political social and economic effects of colonialism A tale of two dialect regions: Sranan's 17th-century English input André Sherriah, 2019 This book traces the precise origin of the early English lexical and lexico phonetic influences in Sranan an English based creole spoken in Suriname Sranan contains fossilised linguistic remnants of an early English colonial period The book discusses whether Sranan's English influence's originated from a single dialect from the general London area as proposed by Norval Smith in 1987 or whether we are dealing with a composite of dialectal features from all over England The book introduces a novel replicable methodology for linguistic reconstructions which combines statistics in the form of binomial probability English dialect geography via use of Orton's et al 1962 1971 Survey of English Dialects which focuses on traditional regional English dialects across England and Wales and 17th century English migration history compiled from The Complete Book of Emigrants 1607 1660 The Bristol Registers of Servants Sent to Foreign Plantations 1654 1686 Virtual

Keeping Democracy at Bay Suzanne Pepper, 2008 This thoroughly researched study provides an invaluable account of Hong Kong's political evolution from its founding as a British colony to the present Exploring the interplay between colonial capitalist communist and democratic forces in shaping Hong Kong's political institutions and culture Suzanne Pepper offers a fresh perspective on the territory's development and a gripping account of the transition from British to Chinese rule The author carries her narrative forward through the lives of significant figures capturing the personalities and issues central to understanding Hong Kong's political history Bringing a balanced view to her often contentious subject she places Hong Kong's current partisan debates between democrats and their opponents within the context of China's ongoing search for a viable political form The book considers Beijing's increasing intervention in local affairs and focuses on the challenge for Hong Kong's democratic reformers in an environment where ultimate political power resides with the communist led mainland government and its appointees

British Propaganda and Wars of Empire Christopher Tuck, 2016-04-15 Influence is a slippery concept yet one of tremendous relevance for those wishing to understand global politics From debates on the changing sources of power in the international system through to analyses of its value as an alternative to the active use of force as a policy instrument influence has become a recurrent theme in discussions of international relations and foreign policy In order to provide a better understanding of the multifaceted and shifting nature of influence this volume looks at how the British government employed various forms of pressure and persuasion to achieve its goals across the twentieth century By focusing on Britain a global actor with great power objectives but declining physical means the collection provides a wide range of case studies to assess how influence was brought to bear on a wide array of non western cultures and societies It furthermore allows for an assessment of just how effective or ineffective British efforts were at influencing non Western targets over a hundred years of operations By shedding important light on the efficacy of British efforts to sustain and advance its interests in the twentieth century the volume will be of interest not only to historians but to anyone interested in contemporary problems surrounding the operation of influence as a foreign policy tool

Reimagining Social Medicine from the South Abigail H. Neely, 2021-07-12 In Reimagining

Social Medicine from the South Abigail H Neely explores social medicine's possibilities and limitations at one of its most important origin sites the Pholela Community Health Centre PCHC in South Africa The PCHC's focus on medical and social factors of health yielded remarkable success And yet South Africa's systemic racial inequality hindered health center work and witchcraft illnesses challenged a program rooted in the sciences To understand Pholela's successes and failures Neely interrogates the social in social medicine She makes clear that the social sciences the PCHC used failed to account for the roles that Pholela's residents and their environment played in the development and success of its program At the same time the PCHC's reliance on biomedicine prevented it from recognizing the impact on health of witchcraft illnesses and the social relationships from which they emerged By rewriting the story of social medicine from Pholela Neely challenges global health practitioners to recognize the multiple worlds and actors that shape health and healing in Africa and beyond

Economic Reforms and Modernization in Nigeria, 1945-1965 Toyin Falola, 2004 Created as a result of British colonialism Nigeria emerged as a nation state during the mid 20th century Toyin Falola presents statistical data on Nigeria's economy that illustrate the nature of the changes made throughout the mid 20th century

King Khama, Emperor Joe, and the Great White Queen Neil Parsons, 1998-02-03 They were remarkably successful in gaining support eventually swaying Secretary of State for the Colonies Joseph Chamberlain into drafting the agreement that secured their territories against the encroachment of Rhodesia leading indirectly to the independence of present day Botswana

Imperialism, Race and Resistance Barbara Bush, 2002-01-04 Imperialism Race and Resistance marks an important new development in the study of British and imperial interwar history Focusing on Britain West Africa and South Africa Imperialism Race and Resistance charts the growth of anti colonial resistance and opposition to racism in the prelude to the post colonial era The complex nature of imperial power is explored as well as its impact on the lives and struggles of black men and women in Africa and the African diaspora Barbara Bush argues that tensions between white dreams of power and black dreams of freedom were seminal in transforming Britain's relationship with Africa in an era bounded by global war and shaped by ideological conflict

Understanding the British Empire Ronald Hyam, 2010-05-20 Understanding the British Empire draws on a lifetime's research and reflection on the history of the British Empire by one of the senior figures in the field Essays cover six key themes the geopolitical and economic dynamics of empire religion and ethics imperial bureaucracy the contribution of political leaders the significance of sexuality and the shaping of imperial historiography A major new introductory chapter draws together the wider framework of Dr Hyam's studies and several new chapters focus on lesser known figures Other chapters are revised versions of earlier papers reflecting some of the debates and controversies raised by the author's work including the issue of sexual exploitation the European intrusion into Africa including the African response to missionaries trusteeship and Winston Churchill's imperial attitudes Combining traditional archival research with newer forms of cultural exploration this is an unusually wide ranging approach to key aspects of empire

Debunking History Ed Rayner, Ron

Stapley, 2009-07-20 History is full of myths legends fables folklore misinformation and misconceptions Whether they have come about inadvertently or deliberately many have become part of the public imagination This book presents some of the most popular and enduring of these myths from the time of the American and French revolutions to the two world wars and beyond Arranged within well defined geographical or thematic sections and through a mix of short and long entries each topic is clearly explained and the myth error or controversy is exposed This is an authoritative compelling and illuminating miscellany where you can find a straight answer to all those niggling questions about the past
