Genealogists can sometimes require obscure resources when in search of information about ancestors Tracking down records to complete a family tree can become laborious when the researcher doesn't know where to begin looking Many of the best resources are maintained regionally or even locally and aren't widely known This reference work serves as a guide to both beginning and experienced genealogy researchers The sourcebook is easily accessible and usable featuring approximately 270 entries on all aspects of genealogical research and family history compilation The entries are listed alphabetically and cross referenced so any researcher can quickly find the information he or she is seeking Each state and each of the provinces of Canada has its own entry other countries are listed under appropriate headings The author also provides more than 700

addresses from all over the world so that the genealogist or general researcher may contact any one of these organizations to obtain specific information about particular births deaths marriages or other life events in order to complete a family tree

Researching Scots-Irish Ancestors William J. Roulston, 2005 One of the greatest frustrations for generations of genealogical researchers has been that reliable guidance on sources for perhaps the most critical period in the establishment of their family's links with Ulster the period up to 1800 has proved to be so elusive Not any more This book can claim to be the first comprehensive guide for family historians searching for ancestors in seventeenth and eighteenth century Ulster Whether their ancestors are of English Scottish or Gaelic Irish origin it will be of enormous value to anyone wishing to conduct research in Ulster prior to 1800 A comprehensive range of sources from the period 1600 1800 are identified and explained in very clear terms Information on the whereabouts of these records and how they may be accessed is also provided Equally important there is guidance on how effectively they might be used The appendices to the book include a full listing of pre 1800 church records for Ulster a detailed description of nearly 250 collections of seventeenth and eighteenth century estate papers and a summary breakdown of the sources available from this period for each parish in Ulster
