Scribes And Schools The Canonization Of The Hebrew Scriptures:

Scribes and Schools Philip R. Davies, 1998-01-01 *Scribes and Schools* is an examination of the processes which led to the canonization of the Hebrew Bible Philip Davies sheds light on the social reasons for the development of the canon and in so doing presents a clear picture of how the Bible came into being Volumes in the Library of Ancient Israel draw on multiple disciplines such as archaeology anthropology sociology linguistics and literary criticism to illuminate the everyday realities and social subtleties these ancient cultures experienced This series employs sophisticated methods resulting in original contributions that depict the reality of the people behind the Hebrew Bible and interprets these insights for a wide variety of readers

Scribal Culture and Intertextuality JiSeong James Kwon, 2016-05-12 JiSeong James Kwon discusses similar linguistic expressions and themes between Job and Deutero Isaiah and attempts to find out a common historical background He argues that both Job and Deutero Isaiah significantly reflect common scribal ideas although each text belongs to wisdom and prophetic genre From the back of the book

“See and Read All These Words” Chad L. Eggleston, 2016-02-08 Unusually for the Hebrew Bible the book of Jeremiah contains a high number of references to writers writing and the written word The book which was primarily written during the exilic period demonstrates a key moment in the ongoing integration of writing and the written word into ancient Israelite society Yet the book does not describe writing in the abstract Instead it provides an account of its own textualization thereby blurring the lines between the texts in the narrative and the texts that constitute the book Scrolls in Jeremiah become inextricably intertwined with the scroll of Jeremiah To authenticate the book of Jeremiah as the word of YHWH its tradents present a theological account of the chain of transmission from the divine to the prophet and then to the scribe and the written page Indeed the book of Jeremiah extends the chain of transmission beyond the written word to include the book of Jeremiah itself and finally a receiving audience To make the case for this chain of transmission See and Read s three exegetical chapters attend to writers YHWH prophets and scribes the written word and the receiving audience The first exegetical chapter describes the standard chain of transmission from the divine to the prophet to the scribe demonstrating that all three agents in this chain are imagined as writers and that writing was increasingly understood as a suitable conduit for the divine word The second exegetical chapter attends to the written word in Jeremiah especially Jeremiah s self references e g in this book all these words as a pivotal element in the extension of the chain of transmission beyond the words in the text to the words of the text Finally the third exegetical chapter considers the construction of the audience in the book of Jeremiah concluding that the written word as Jeremiah imagines it is to be received by a worshiping audience through public reading but delivered via textual intermediaries

Memory in a Time of Prose Daniel D. Pioske, 2018-08-15 *Memory in a Time of Prose* investigates a deceptively straightforward question what did the biblical scribes know about a past that consumed so many of their writings This book compares biblical references to an early Iron Age world ca 1175 830 BCE with a wide range of archaeological and historical evidence from the era in which

these stories are set in order to reveal how the past was preserved transformed or forgotten within biblical storytelling

Did Moses Speak Attic? Lester L. Grabbe, 2001-03-01 Is the Bible a Hellenistic book The essays in this volume respond to that challenging question formulated by Niels Peter Lemche and offer everything from qualified agreement to vociferous opposition In so doing they debate and illuminate the many features of Jewish writing in the Second Temple period including not only the scriptures themselves and their own history but the non canonized literature of the late Second Temple period As with all the volumes in this pioneering series the editor Lester Grabbe introduces and reflects upon the discussion and its implications for one of the most controversial topics in current biblical studies **The Word Fulfilled** Michael W.

Pahl, 2024-11-19 What does it mean to follow Jesus in the way we read Scripture As Christians we want to follow Jesus in his teachings and way of life which were significantly shaped by his reading of the Jewish Scriptures By exploring how Jesus engaged the Scriptures we can better understand how we should read our Bibles today thereby following Jesus in the way we study our foundational text *The Word Fulfilled* offers in depth explorations of how Jesus discussed seven important passages in his life and ministry Through scholarship scriptural engagement and imaginative storytelling author and pastor Michael W Pahl illuminates what Scripture looked and sounded like in Jesus context For anyone who desires to follow Jesus more deeply Pahl helps us step back into the world of early Judaism and into synagogues family kitchens and other first century settings as we encounter afresh the Word of God **Jerusalem in Bible and Archaeology** Andrew G. Vaughn, Ann E.

Killebrew, 2003 What are archaeologists and biblical scholars saying about Jerusalem This volume includes the most up to date cross disciplinary assessment of Biblical Jerusalem ca 2000 586 B C E that represents the views of biblical historians archaeologists Assyriologists and Egyptologists The archaeological articles both summarize and critique previous theories as well as present previously unpublished archaeological data regarding the highly contested interpretations of First Temple Period Jerusalem The interpretative essays ask the question Can there be any dialogue between archaeologists and biblical scholars in the absence of consensus The essays give a clear yes to this question and provide suggestions for how archaeology and biblical studies can and should be in conversation This book will appeal to advanced scholars nonspecialists in biblical studies and lay audiences who are interested in the most recent theories on Jerusalem The volume will be especially useful as a supplemental textbook for graduate and undergraduate courses on biblical history **The Wiley**

Blackwell Companion to Ancient Israel Susan Niditch, 2016-01-26 The Companion to Ancient Israel offers an innovative overview of ancient Israelite culture and history richly informed by a variety of approaches and fields Distinguished scholars provide original contributions that explore the tradition in all its complexity multiplicity and diversity A methodologically sophisticated overview of ancient Israelite culture that provides insights into political and social history culture and methodology Explores what we can say about the cultures and history of the people of Israel and Judah but also investigates how we know what we know Presents fresh insights richly informed by a variety of approaches and fields Delves into religion

as lived an approach that asks about the everyday lives of ordinary people and the material cultures that they construct and experience Each essay is an original contribution to the subject *Writing on the Tablet of the Heart Origins of Scripture and Literature* David M. Carr,2005-03-10 This book explores a new model for the production revision and reception of Biblical texts as Scripture Building on recent studies of the oral written interface in medieval Greco Roman and ancient Near Eastern contexts David Carr argues that in ancient Israel Biblical texts and other texts emerged as a support for an educational process in which written and oral dimensions were integrally intertwined The point was not incising and reading texts on parchment or papyrus The point was to enculturate ancient Israelites particularly Israelite elites by training them to memorize and recite a wide range of traditional literature that was seen as the cultural bedrock of the people narrative prophecy prayer and wisdom *The Control of Biblical Meaning* George Aichele,2001-02-01 This provocative book pursues a series of questions associated with canons of the Bible Aichele draws deeply on the insights of poststructuralist literary theory as he pursues these questions He also engages in close readings of specific biblical and nonbiblical texts to demonstrate ways that canon controls the meanings of its texts **The Eerdmans Dictionary of Early Judaism** John J. Collins,Daniel C. Harlow,2010-11-11 The Dictionary of Early Judaism is the first reference work devoted exclusively to Second Temple Judaism fourth century b c e through second century c e The first section of this substantive and incredible work contains thirteen major essays that attempt to synthesize major aspects of Judaism in the period between Alexander and Hadrian The second and significantly longer section offers 520 entries arranged alphabetically Many of these entries have cross references and all have select bibliographies Equal attention is given to literary and nonliterary i e archaeological and epigraphic evidence and New Testament writings are included as evidence for Judaism in the first century c e Several entries also give pertinent information on the Hebrew Bible The Dictionary of Early Judaism is intended to not only meet the needs of scholars and students at which it succeeds admirably but also to provide accessible information for the general reader It is ecumenical and international in character bringing together nearly 270 authors from as many as twenty countries and including Jews Christians and scholars of no religious affiliation **The Deuteronomistic History and the Book of Chronicles** Raymond F. Person,Raymond F. Person (Jr.),2010 This volume reexamines and reconstructs the relationship between the Deuteronomistic History and the book of Chronicles building on recent developments such as the Persian period dating of the Deuteronomistic History the contribution of oral traditional studies to understanding the production of biblical texts and the reassessment of Standard Biblical Hebrew and Late Biblical Hebrew These new perspectives challenge widely held understandings of the relationship between the two scribal works and strongly suggest that they were competing historiographies during the Persian period that nevertheless descended from a common source This new reconstruction leads to new readings of the literature *The Formation of the Biblical Canon: Volume 2* Lee Martin McDonald,2017-01-26 Lee Martin McDonald provides a magisterial overview of the development of the biblical canon the emergence of the list of

individual texts that constitutes the Christian bible In these two volumes in sum more than double the length of his previous works McDonald presents his most in depth overview to date McDonald shows students and researchers how the list of texts that constitute the bible was once far more fluid than it is today and guides readers through the minefield of different texts different versions and the different lists of texts considered canonical that abounded in antiquity Questions of the origin and transmission of texts are introduced as well as consideration of innovations in the presentation of texts collections of documents archaeological finds and Church councils In the first volume McDonald reexamines issues of canon formation once considered settled and sets the range of texts that make up the Hebrew Bible or Old Testament in their broader context Each individual text is discussed as are the cultural political and historical situations surrounding them This second volume considers the New Testament and the range of so called apocryphal gospels that were written in early centuries and used by many Christian groups before the canon was closed Also included are comprehensive appendices which show various canon lists for both Old and New Testaments and for the bible as a whole

The Oxford Handbook of the Writings of the Hebrew Bible Donn F. Morgan, 2019 This handbook provides an important resource for the serious study of the Writings of the Hebrew Bible It addresses historical and literary contexts as well as its roles as scripture and canon in Judaism and Christianity The volume provides creative presentations of the messages and import of the books and the canonical division as a whole

Early Christian Literature and Intertextuality Craig A. Evans, H. Daniel Zacharias, 2009-04-09 Scholarly interest in intertextuality remains as keen as ever Armed with new questions interpreters seek to understand better the function of older scripture in later scripture The essays assembled in the present collection address these questions These essays treat pre Christian texts as well as Christian texts that make use of older sacred tradition They analyze the respective uses of scripture in diverse Jewish and Christian traditions Some of these studies are concerned with discreet bodies of writings such as the Dead Sea Scrolls while others are concerned with versions of scriptures such as the Hebrew or Old Greek and text critical issues Other studies are concerned with how scripture is interpreted as part of apocalyptic and eschatology Early Christian Literature and Intertextuality includes essays that explore the use of Old Testament scripture in the Gospels and Acts Other studies examine the apostle Paul's interpretation of scripture in his letters while other studies look at non Pauline writings and their utilization of scripture Some of the studies in this collection show how older scripture clarifies important points of teaching or resolves social conflict Law conversion anthropology paradise and Messianism are among the themes treated in these studies themes rooted in important ways in older sacred tradition The collection concludes with studies on two important Christian interpreters Syriac speaking Aphrahat in the east and Latin speaking Augustine in the west Part of the LNTS sub series Studies in Scripture in Early Judaism and Christianity SSEJC volume 14

The Transjordanian Palimpsest Jeremy Michael Hutton, 2009 This study analyzes several passages in the Former Prophets 2 Sam 19 12 44 2 Kgs 2 1 18 Judg 8 4 28 from a literary perspective and argues that the text presents Transjordan as liminal

in Israel's history a place from which Israel's leaders return with inaugurated or renewed authority. It then traces the redactional development of Samuel Kings that led to this literary symbolism and proposes a hypothesis of continual updating and combination of texts beginning early in Israel's monarchy and continuing until the final formation of the Deuteronomistic History. Several source documents may be isolated including three narratives of Saul's rise, two distinct histories of David's rise and a court history that was subsequently revised with pro-Solomonic additions. These texts had been combined already in a Prophetic Record during the 9th c. B.C.E. with A.F. Campbell, which was received as an integrated unit by the Deuteronomistic Historian. The symbolic geography of the Jordan River and Transjordan, which even extends into the New Testament, was therefore not the product of a deliberate theological formulation but rather the accidental by-product of the contingency of textual redaction that had as its main goal the historical presentation of Israel's life in the land.

Literary Depictions of the Scribal Profession in the Story of Ahiqar and Jeremiah 36 James D. Moore, 2021-12-06. This is the first study to compare the allusions to scribal culture found in the Aramaic Story of Ahiqar and the Hebrew Tale of Jeremiah and Baruch's Scroll in Jeremiah 36. It is shown that disguised in the royal propagandistic message of Ahiqar is a sophisticated Aramaic critique on the social practices of Akkadian scribal culture. Jeremiah 36, however, uses loci of scribal activity as well as allusions to scribal interactions and the techniques of the scribal craft to construct a subversive tale. When studied from a comparative perspective, it is argued that the Story of Ahiqar, which has long been associated with the well-known court tale genre, is an example of a subgenre which is here called the scribal conflict narrative, and Jeremiah 36 is found to be a second example of or a response to it. This observation is arrived at by means of rigorous manuscript examination combined with narrative analysis, which identified among other things the development of autobiographical and biographical styles of the same ancient narrative. This study not only provides new perspectives on scribal culture, Ahiqar studies, and Jeremiah studies, but it may have far-reaching implications for other ancient sources.

Dictionary of the Old Testament: Wisdom, Poetry & Writings Tremper Longman III, Peter Enns, 2008-06-06. Tremper Longman III and Peter E. Enns edit this collection of 148 articles by over 90 contributors on Job, Psalms, Proverbs, Ecclesiastes, Song of Songs, Lamentations, Ruth, and Esther.

The Shape of the Writings Julius Steinberg, Timothy J. Stone, 2015-09-09. Are the Writings a miscellaneous collection of books as is so often asserted, or do they have a purposeful design or arrangement? Over the past 35 years, there has been a significant amount of scholarly interest in the shape of the Law, Former Prophets, Twelve Minor Prophets, and the Psalms, while examinations of the shape of the Writings were almost nonexistent until very recently. The 11 essays in this volume explore this often neglected issue from a variety of critical perspectives: reader-centered approaches, canonical, structural, canonical, and redactional, made more robust by the mix of German and English language scholarship on this question, including 4 articles translated from German into English. Essays range from the historical development of the collection to analysis of the collection's different arrangements, to the relationship of books and subcollections within the Writings, to the reception of the

collection in Jewish and Christian sources Every book in the Writings is discussed with particular attention given to Job Ruth and 1 and 2 Chronicles The volume closes with 3 critical responses from John Barton Tamara Cohn Eskenazi and Christopher Seitz

Scribes and Scrolls at Qumran Sidnie White Crawford, 2019-07-02 The discovery of the Dead Sea Scrolls altered our understanding of the development of the biblical text the history and literature of Second Temple Judaism and the thought of the early Christian community Questions continue to surround the relationship between the caves in which the scrolls were found and the nearby settlement at Khirbet Qumran In *Scribes and Scrolls at Qumran* Sidnie White Crawford combines the conclusions of the first generation of scrolls scholars that have withstood the test of time new insights that have emerged since the complete publication of the scrolls corpus and the much more complete archaeological picture that we now have of Khirbet Qumran She creates a new synthesis of text and archaeology that yields a convincing history of and purpose for the Qumran settlement and its associated caves
