Scripts 1974 1975:

Television Series and Specials Scripts, 1946-1992 ,2009-10-21 In the early days of television many of its actors writers producers and directors came from radio This crossover endowed the American Radio Archives with a treasure trove of television documents The collected scripts span more than 40 years of American television history from live broadcasts of the 1940s to the late 1980s They also cover the entire spectrum of television entertainment programming including comedies soap operas dramas westerns and crime series The archives cover nearly 1 200 programs represented by more than 6 000 individual scripts Includes an index of personal names program and episode titles and production companies as well as a glossary of industry terms

Scripts and Social Cognition Gen Eickers,2024-12-09 This book argues that our success in navigating the social world depends heavily on scripts Scripts play a central role in our ability to understand social interactions shaped by different contextual factors In philosophy of social cognition scholars have asked what mechanisms we employ when interacting with other people or when cognizing about other people Recent approaches acknowledge that social cognition and interaction depend heavily on contextual cultural and social factors that contribute to the way individuals make sense of the social interactions they take part in This book offers the first integrative account of scripts in social cognition and interaction It argues that we need to make contextual factors and social identity central when trying to explain how social interaction works and that this is possible via scripts Additionally scripts can help us understand bias and injustice in social interaction The author s approach combines several different areas of philosophy philosophy of mind social epistemology feminist philosophy as well as sociology and psychology to show why paying attention to injustice in interaction is much needed in social cognition research and in philosophy of mind more generally Scripts and Social Cognition How We Interact with Others will appeal to scholars and graduate students working in philosophy of mind philosophy of psychology social epistemology social ontology sociology and social psychology

Ruminations, Peregrinations, and Regenerations Christopher J. Hansen,2010-03-08 Peregrinations Ruminations and Regenerations A Critical Approach to Doctor Who examines the famous BBC science fiction show as a cultural artifact in dialogue with other science fiction with politics and religion and with the culture at large both in terms of how it reflects and comments upon that culture and in terms of the audience and the peculiarities of its response This book enables researchers in film and media to make historical industrial aesthetic and ideological connections between and among Doctor Who and other shows and historical events since its inception in 1963 This volume is a new entry in a relatively new area As the young fans of Doctor Who have matured and as many have become scholars they are returning to the show to consider it from a scholarly perspective It is also of use in the media studies classroom to address directly the issues presented by the longest running science fiction show in the history of the medium Peregrinations Ruminations and Regenerations considers not only cultural ramifications and connections but audience studies as well

Scripts, Plans, Goals, and Understanding Roger C. Schank,Robert P. Abelson,2013-05-13

First Published in 1977 In the summer of 1971 there was a workshop in an ill defined field at the intersection of psychology artificial intelligence and linguistics The fifteen participants were in various ways interested in the representation of large systems of knowledge or beliefs based upon an understanding process operating upon information expressed in natural language This book reflects a convergence of interests at the intersection of psychology and artificial intelligence What is the nature of knowledge and how is this knowledge used These questions lie at the core of both psychology and artificial intelligence

Local Radio, Going Global Guy Starkey, 2011-11-22 An examination of the development of local radio broadcasting and the trend for locally owned locally originated and locally accountable commercial radio stations to fall into the hands of national and international media groups Starkey traces the early development of local radio through to present day digital environments

Backstory 5 Patrick McGilligan, 2010 Looks at how Hollywood is changing to meet economic and creative challenges This title probes the working methods of a diverse range of screenwriters to explore how they come up with their ideas how they go about adapting a stage play or work of fiction and whether their variegated life experiences contribute to the success of their writing

History Comes Alive M. J. Rymza-Pawlowska, 2017-10-03 During the 1976 Bicentennial celebration millions of Americans engaged with the past in brand new ways They became absorbed by historical miniseries like *Roots* visited museums with new exhibits that immersed them in the past propelled works of historical fiction onto the bestseller list and participated in living history events across the nation While many of these activities were sparked by the Bicentennial M J Rymza Pawlowska shows that in fact they were symptomatic of a fundamental shift in Americans relationship to history during the 1960s and 1970s For the majority of the twentieth century Americans thought of the past as foundational to but separate from the present and they learned and thought about history in informational terms But Rymza

Pawlowska argues that the popular culture of the 1970s reflected an emerging desire to engage and enact the past on a more emotional level to consider the feelings and motivations of historic individuals and most importantly to use this in reevaluating both the past and the present This thought provoking book charts the era s shifting feeling for history and explores how it serves as a foundation for the experience and practice of history making today

Scripts 1974 1975: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthraling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. Scripts 1974 1975 : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
