Off Script Alice Reyes, 2025-02-25 My life used to feel like a movie planned out scene by scene I am Mia Stewart by the way I was the main character always doing what was expected Then I ended up in Maple Ridge Vermont This pretty little town with its hills and postcard views wasn't part of the original plan It was a side trip a fresh start And suddenly my life went Off Script After my relationship imploded I just wanted to disappear Going to my mom's old cottage seemed the only option The idea was simple hide away paint and try to piece myself back together No changes No surprises Just isolate Then Jake showed up Jake Harper my incredibly kind and undeniably attractive next door neighbor He wasn't just nice there's a quiet strength to him a groundedness that's both comforting and unnerving He wasn't in the original plan Love After the wreckage of my last relationship The thought felt absurd But Jake he has this disarming way of looking at me He's good down to earth and his presence is a constant gentle hum in the background of my solitude And the way he smiles it's like he's letting me in on some secret a secret that makes me feel seen truly seen for the first time in years Maple Ridge is already starting to feel different warmer Maybe it's just the summer air or maybe it's Jake Because the way he looks at me it's not just kindness or neighborly concern There's a spark a curiosity a hint of something deeper that makes my carefully constructed world feel a little unsteady It's terrifying It's exhilarating It's real Can a life lived by the script be rewritten Can a heart that's learned to shut itself off learn to open again I'm about to find out All I have to do is try not to run away Easier said than done believe me But maybe running towards him is the answer

him he quickly finds his head turned by an enticing distraction Not a femme fatale but a flick Roy is all but powerless to resist an e mail from a mysterious fan that lures him with the promise of an elusive treasure as fiercely sought after by the celluloid cognoscenti as the Ark of the Covenant was by Indiana Jones It s Jerry Lewis famous unreleased drama The Day the Clown Cried But when he arrives at a rendezvous too late to save a dying man Roy realizes he s stumbled into a dangerous race to possess a piece of cinema history To catch up he ll have to match wits with a rogues gallery a bored and bitter superstar comedian a hot shot producer turned drugged out has been a ferocious German actor who likes to role play off camera a mercurial director with a scary sense of humor and a hard bitten cop who s mad about movies Meanwhile Roy will be tempted by the wiles of three fetching females and tormented by a single minded psychopath with more faces than Lon Chaney He ll even go on location pursuing and being pursued from the mansions of the Hamptons to the harbors of Maine the boulevards of L A to the canals of Amsterdam No one s ever gone to this much trouble just to see a movie But for Roy the reward far outweighs the risk And a chance to glimpse the Big Picture might just be worth coming face to face with the Big Sleep

Beyond Alterity: Contemporary Indian Fiction and the Neoliberal Script Shakti Jaising,2023-09-15 Beyond Alterity contests a core tendency in postcolonial studies as well as emerging critiques of neoliberalism to assume that nations of the Global South are categorically distinct from their counterparts in the North and that they provide an alternative or

even an antidote to the competitive and individualistic cultures of the advanced capitalist world Through a textured analysis of cultural production from contemporary India Shakti Jaising argues that neoliberal capitalism has produced significant continuities in class dynamics and subjective experience across the North South divide continuities that are at least as worthy of our consideration as differences arising from colonialism and its aftereffects The book engages an array of political economic and cultural narratives while focusing in particular on widely circulating Indian English language novels and their audio visual adaptations that demonstrate the growing currency of a neoliberal script extoling values like privatization and deregulation as conduits to both individual growth and national development as well as freedom from poverty With their potent enactments of personal and national maturation contemporary Indian novels and films offer striking illustrations of the imaginative means by which the neoliberal script proliferates even as economic precarity and inequality worsen in India much like elsewhere in the world Whereas literary scholars tend to approach the Indian English novel as an exemplar of resistance from the formerly colonized world Beyond Alterity contends that far from inevitably modelling resistance this genre s contemporary examples instead encapsulate the challenges of disentangling literature from the all pervasive logics and narratives of neoliberal capitalism
