Scriptural Freedom From Sin:

Freedom from Sin Jacob Trent, 2019-10-18 A CONFRONTATIONAL BLUNT AND TO THE POINT book that rebukes the bondage of sin with the authority of Scripture An in depth study on the scriptures of God concerning the doctrines dangers and consequences of sin In this short book we will openly declare the truth of the gospel of Christ a gospel that truly SAVES FROM SIN As much of modern theology today assumes man will never be free from sin cannot be made perfect and will always sin we will rebuke those heretical anti gospel claims with the authority of God s almighty word Indeed a man can be made free from sin can be made perfect and can walk in Holiness because of the beloved blood of Christ that cleanses all who REPENT If you are one of those folks who believe that we are born sinners original sin and that we will never be free from sin this is the book for you **The Scripture Doctrine of Original Sin Proposed to Free and Candid Examination** John

Taylor, 1845 *Come and Ride with Me* Chris Nwoke, 2020-10-29 *Come and Ride with Me* is a call for action God is saying you can depend on me In both the physical and invisible realm well before global navigational systems emerged the word of God has been a guiding light The Psalmist declared in Psalm 119 105 saying Thy word is a lamp unto my feet and a light unto my path The word of God enlightens presently the path for the living in this world and has been since the beginning of time The precious word of God is true living ageless and relevant today and will be in years to come as it was in the past It is holy righteous blessed and priceless Considering its origin it will not fail God who is faithful and true has blessed it The full impact of its power is in the application From joyous to sad times from easy to challenging times the word of God shines a bright light into the hearts and souls of the hearers Whosoever receives and applies it to their lives will forever know the difference Consistent with the call to serve I have traveled to various countries of the world proclaiming the gospel In each place I beheld the working power of God through changed lives In the beginning I shared weekly messages online on many topics Each message is inspirational speaking to the hearts and minds of people Over the years I had desired to compile those messages in a book for the benefit of more readers So to that end with much prayer we have incorporated in this book those messages with some images and testimonies that reflect the great commission I encourage you to read by faith to discover how God has done extraordinary things in the lives of ordinary people **Freedom from Sin** John MacArthur, 1987

Three Free Sins Steve Brown, 2012-02-07 Hilarious honest and full of the hard won wisdom At its core is this truth real change only happens when we realize God loves us whether we change or not Susan E Isaacs author of *Angry Conversations With God* From a popular pastor and radio host *Three Free Sins* teaches that the only people who make any progress toward being better are those who know that God will still love them regardless of how good they are This book is about the misguided obsession with the management of sin that cripples too many Christians It s about the view that religion is all about sin about how to hide side sin or how to stop sinning all together In the Introduction the author toys good naturedly with an agitated caller on his radio program teasing him in a segment where he offers three free sins The offer is real Not

that Steve has the power to forgive sins but he wants to make the point that Jesus has made the offer to cover all of our sins not just three Chapter one titled Teaching Frogs to Fly is even better The gist of this chapter is that you can't teach frogs to fly just like you can't teach people not to sin Steve tells a story about a guy who has a frog and he's convinced he can teach the frog how to fly The man keeps throwing the frog up in the air or up against walls all to the poor frog's demise The message is that even though people can be better they can never not sin just like a frog can never learn to fly no matter how much pressure is put on it Steve continues through the book to show readers that while they can never manage sin they can relax in knowing that they are completely forgiven not just of three but of all
