Seeing Angels True Contemporary Accounts Of Hundreds Of Angelic Experiences:

Seeing Angels - True Contemporary Accounts of Hundreds of Angelic Experiences Emma Heathcote James, 2009

Collected here are more than 50 fascinating case histories of individuals who have claimed to encountered or been saved by a heavenly being According to Time magazine 69% of American people believe in angels and 46% feel they have a guardian angel In fact people the world over have claimed to have experienced visions of angels These people are not crazy new age loonies but ordinary individuals from all walks of life from professionals to prisoners to children **Seeing Angels - True Contemporary Accounts of Hundreds of Angelic Experiences** Emma Heathcote James, 2009-05-04 Emma Heathcote James has analysed over 800 such accounts for her PhD into Contemporary Experiences of Angels Hundreds of people have claimed to have experienced visions of angels These people are not crazy new aged loonies but ordinary people from all walks of life from professionals to prisoners to children This absorbing book the product of painstaking research gets to grips with the issues surrounding these strange manifestations What do they mean How do we know that we ve seen one When are they seen The weight of the evidence may well lead you to adjust the way you have previously considered the supernatural

Encountering Mystery Dale C. Allison, 2022-07-26 Despite widespread skepticism on the matter a significant number of people today have stories of religious experience moments of inexplicable terror or rapturous joy visions near death experiences of the afterlife encounters with angels heavenly voices and premonitions How should rationally minded people respond What would your reaction be if someone told you that one night while sitting alone she saw through the window a brilliant light descend from the sky until it was so large that it filled the room and that it radiated a feeling of pure love And what would you say if a friend confided that one night he woke up and could not move felt he was being suffocated and sensed an evil spirit in the room By default in the secular age we are skeptical about anything mysterious or supernatural More likely than not most people would respond to the stories above with embarrassment and concern about the person s grasp of reality or they would attempt to explain them away through rational or scientific means But the truth is that religious experiences like these are not as uncommon as they seem although talking about such experiences often is This is the case even in a faith tradition such as Christianity despite the Bible s numerous accounts of miraculous and mysterious happenings In *Encountering Mystery* noted biblical scholar Dale Allison makes the argument that stories of religious experience are meaningful and not to be marginalized and that we have a moral prerogative to lovingly engage with such stories regardless of whether we have had similar experiences Through a close look at phenomena such as moments of inexplicable terror or rapturous joy visions near death experiences of the afterlife encounters with angels heavenly voices and premonitions Allison shows how ordinary practices of faith need not be at odds with individual religious experiences Above all he enjoins us to be honest about the persistence of religious experience in a secular age and to make space for those who encounter mystery in their lives *Intuitive Knowing as Spiritual Experience* Phillip H. Wiebe, 2015-09-16 This

book is Wiebe's defense of the claim that a significant form of spiritual experience is found in knowing something we have no right to know. He selects forty-five first-hand accounts from a data base at the University of Wales to make his case and in solidarity with those people recounts something of his own experience. *Gifts from Angels* Chrissie Astell, 2012-01-01. Angels are everywhere ready to help in times of need. We just have to open ourselves to their healing energies and this uplifting collection shows how. Drawing on leading expert Chrissie Astell's personal experiences of angelic intervention along with moving accounts from her readers, course participants and workshop attendees, *Gifts from Angels* tells stories of children protected, accidents avoided and other life-changing miracles. Astell also provides practical visualizations and meditations along with guidance on guardian angels, archangels and the life to come. *Spiritual Encounters with Unusual Light Phenomena* Mark Fox, 2013-06-15. This book is a study of unusual light phenomena based on almost 400 unpublished accounts of modern-day encounters with strange lights collected over a period of thirty years held at the University of Wales Lampeter. It is an original and perennially topical book that goes beyond existing studies of unusual light phenomena such as lights encountered during angelic experiences, near-death experiences, after-death communications in a number of ways. It shows, for example, that experiences of unusual spiritual, religious and paranormal lights are cross-cultural, trans-historical and are reported widely in the present day but not necessarily experienced when near to death. It also demonstrates that these experiences share to a remarkable degree a common core, showing by drawing on a large number of vivid unpublished and dramatic testimonies that unusual lights typically manifest at times of crisis and are overwhelmingly benign and loving, producing turning points in the lives of experiencers and typically setting them in new spiritual and creative directions.

Jesus' Resurrection and Apparitions Jake O'Connell, 2016-11-03. Did Jesus rise physically from the dead or did he rise as a real non-bodily apparition like those reported in the parapsychological literature? In this book, which is the first book-length examination of the question in over fifty years, Jake O'Connell argues in favor of the physical resurrection hypothesis. In order to do so, he employs Bayes' Theorem, a mathematical theorem which encapsulates the way humans think when they analyze the probability of a hypothesis. In addition, he provides a thorough overview of the evidence for the reality of apparitions of the dead. *The Truth about Angels* Theresa Cheung, 2021-03-04. *The Truth about Angels* is the one book you need to discover the angels within. With the world in turmoil, spiritual forces are needed more than ever before. Harnessing the angel and new age movement can help you make sense of life when it feels directionless. Angels provide us with hope and illuminate a new path forward. They are appearing with more frequency and intensity in both our daily lives and our dreams as they're wanting us to see, hear and know them, because consciously or unconsciously we have collectively been asking for them. Rather than visiting or becoming dependent on gurus, psychics or mediums, expert Theresa Cheung is here to show you how to directly communicate with angels on your own. Divided into three parts: *The Secret World of Angels*, *The Secret Language of Angels* and *Angels and Miracles*, Theresa Cheung's much-anticipated book will teach you everything you need to

know including how to decode the secret language they speak to us in how to look within rather than externally to find angels as well as sharing real life anecdotes on how angels have changed the lives of people all over the world In *The Truth about Angels* Theresa will also share her own spiritual story her book is based on decades of research personal experience and is underpinned by science Theresa Cheung is mysterious illuminating kind and informative Russell Brand Theresa Cheung shows us that the way forward is to understand that consciousness spiritual awareness is the fundamental ground of all experience Deepak Chopra Theresa offers fascinating and practical advice to aid people in personally exploring mind bending concepts and applying them to their own lives Eben Alexander In a world full of naysayers and skeptics Theresa is helping to steer us on a new course She not only offers support and understanding to those with the gift of inner sight but also helps the non believer to come to terms with the existence of the paranormal and non corporeal with down to earth explanations that are backed by science Alexandra Wenman Sky well being Angel expert author of the Archangel Fire Oracle *The Lost Sheep in Philosophy of Religion* Blake Hereth, Kevin Timpe, 2019-09-04 Contemporary research in philosophy of religion is dominated by traditional problems such as the nature of evil arguments against theism issues of foreknowledge and freedom the divine attributes and religious pluralism This volume instead focuses on unrepresented and underrepresented issues in the discipline The essays address how issues like race sexual orientation gender identity disability feminist and pantheist conceptions of the divine and nonhuman animals connect to existing issues in philosophy of religion By staking out new avenues for future research this book will be of interest to a wide range of scholars in analytic philosophy of religion and analytic philosophical theology **What Does the Bible Say About Angels and Demons?** John Gillman, Clifford M. Yearly, 2021-02-21 Modern western culture seems to find angels demons and even dragons irresistible They are the topic of many books films and television series A recent poll indicated that nearly eighty percent of people believe in such beings But they are hardly a modern invention Such creatures that go beyond time and space have been imagined for centuries The Bible itself addresses the topic with various tales of angels and demons and yes even dragons If you are intrigued about this background this book is for you It reveals how thoroughly biblical these creatures are and what they can still teach us

The Oxford Handbook of Religion and Science Philip Clayton, Zachary Simpson, 2006 The field of science and religion is exploding in popularity among both academics and the reading public This is a comprehensive and authoritative introduction to the debate written by the leading experts yet accessible to the general reader **Exorcism and Deliverance** William K Kay, Robin Parry, 2011-04-01 A significant examination of exorcism and deliverance from a range of disciplines focuses on an important but often neglected area of the church s mission to the world The diversity of essays makes sure that every facet is presented to encourage the reader thoroughly to consider this aspect of the church s approach to evil in our society Since Jesus of Nazareth made exorcism a cornerstone of his own ministry the Church has seen itself as engaged in a battle against the demonic Exorcism has continued to play a role throughout Christian history in this conflict

although it has received different emphases in different times and places and has been practiced in a range of different ways Exorcism and Deliverance aims to shed new light on the phenomena of possession and exorcism by looking at them from a range of disciplinary perspectives Unseen Worlds Kate Adams,2011-01-15 The book explores children s experiences of creative play fairies angels imaginary friends dreams seeing deceased relatives alongside the more frightening realms of nightmares and the unexplained It breaks new ground by giving voice to children of various ages to express how they encounter these worlds and why they often keep them a secret *They Suck, They Bite, They Eat, They Kill* Joni Richards Bodart,2012 Teen readers have always been fascinated by monsters but lately it seems like every other young adult YA book is about vampires zombies or werewolves These works are controversial since they look at aspects of life and human nature that adults prefer to keep hidden from teenagers But this is also why they are so important They provide a literal example of how ignoring life s hazards won t make them go away and demonstrate that ignorance of danger puts one at greater risk In *They Suck They Bite They Eat They Kill The Psychological Meaning of Supernatural Monsters in Young Adult Fiction* Joni Bodart examines six different monsters vampires shapeshifters zombies unicorns angels and demons in YA literature Bodart first discusses the meaning of these monsters in cultures all over the world Subsequent chapters explore their history and most important incarnations comparing the same kind of creatures featured in different titles This volume also contains interviews with authors who provide additional insight and information and the bibliography includes a comprehensive list of titles featuring the various monsters Analyzing the most important and well written series and titles for teens *They Suck They Bite They Eat They Kill* will be useful for parents teachers and anyone else hoping to understand why teens want to read books in this genre and what some of the benefits of reading them might be A Brief Guide to the Supernatural Leo Ruickbie,2012-02-16 From *Most Haunted* to *Buffy the Vampire Slayer* from *Underworld* to *Twilight* from *Doom* to *Resident Evil* *The Brief Guide to the Supernatural* goes in search of the unearthly with unexpected results combining history science psychology and myth he explores the allure of the paranormal why so many people still believe in ghosts and angels as well as the many ways people have tried to contact and record the impossible *Christianity And The Supernatural: Why the Bible is Relevant Today* Mark Apelt,2017-01-09 All of us want to believe in an afterlife If it s true then we must have a soul or spirit We question this however because we are taught science has all the answers It is science vs the bible Physical vs supernatural To believe in the afterlife is to believe in God One area of research that has not been thoroughly examined in relationship to Christianity is the supernatural This book explores how archaeology scientific studies and personal stories reveal the accuracy of the bible Discover how we know we have a spirit why select people encounter angels and why some prayers are answered It will show you that there is an afterlife there is hope and that there is a God The stories of today resemble the stories of the bible The mystical events that happened then are similar in almost all aspects to what the bible tells us will happen Prophecies are continuing to be fulfilled The foreknowledge He gave his chosen people are still

applicable today Angels are still sent to serve and protect us Our spirit will rejoin with God as told by near death experiencers God does exist and millions of people maybe even yourself have witnessed Him through the supernatural This leads to the conclusion God the bible and the supernatural are relevant today **Relationality and Resilience in a Not So Relational World?** Artwell Nhemachena,2017-03-08 This book critically examines the relevance of the increasingly popular theories on relationality by interfacing those theories with the African Shona modes of engagement known as chivanhu often erroneously narrowly translated as tradition In other words the book takes seriously concerns by African scholars that much of the theories that have been applied in Africa do not speak to relevance and faithfulness to the continent Situated in a recent Zimbabwean context marked by multiple crises producing multiple forms of violence and want the book examines the relevance of relational ontologies and epistemologies to the everyday life modes of engagements by villagers in a selected district The book unflinchingly surfaces the strengths and weaknesses of popular theories while at the same time underlining the exigencies of theorising from Africa using African data as the millstones By meticulously and painstakingly unpacking pertinent issues the book provides unparalleled intellectual grit for the contemporary and increasingly popular discourses on de coloniality and resilience in relation to the African peoples and their often deliberately contested environments past present and future In other words the book loudly sounds the bells for the battles to decolonise and transform Africa on Africas own terms This is a book that would be extremely useful to scholars activists theorists policy makers and implementers as well as researchers interested not only in Africas future trajectory but also in the simultaneities of temporalities and worlds that were sadly overshadowed by colonial epistemologies and ontologies for the past centuries

It's really rather normal Tilly Gerritsma and Titus Rivas,2013-08 Hearing voices or seeing images is much more common than one might think Nevertheless mainstream psychiatry still approaches such hallucinations as signs of a mental disorder This book shows how outdated this view really is Experiential expert Tilly Gerritsma shares her experiences with hearing voices and related phenomena and describes how she has learned to deal with them helped by her main positive voice She shows that hearing voices may offer a potential for psychological emotional and spiritual growth Psychologist and philosopher Titus Rivas gives a concise overview of theories about hallucinations He rejects one sided bio psychiatric theories and favors alternatives such as social psychiatry He stresses the reality and normality of psychic phenomena People with paranormal experiences have not gone mad The Bloomsbury Handbook to Studying Christians George D.

Chryssides,Stephen E. Gregg,2019-11-14 Drawing on a range of methodologies editors George D Chryssides and Stephen E Gregg shift attention from normative textual and doctrinal matters to issues of materiality and everyday life in Christianity This handbook is structured in four parts which include coverage of the following aspects of Christianity sacred space and objects cyber Christianity food prayer education family life fundamentalism and sexuality In addition issues of gender race and ethnicity are treated throughout The international team of contributors provide in depth analysis that highlight the

current state of academic study in the field and explores areas in which future research might develop Clearly organised to help users quickly locate key information and analysis the book includes an A to Z of key terms extensive guides to further resources a comprehensive bibliography and a chronology of landmark events making it a unique resource to upper level students and researchers
