

*The Selected Journals of
L. M. Montgomery*

VOLUME II: 1910-1921

Edited by Mary Rubin & Elizabeth Waterston

Selected Journals Of L M Montgomery Vol 2 1910 1921

Jennifer Chambers

Selected Journals Of L M Montgomery Vol 2 1910 1921:

The Selected Journals of L. M. Montgomery, Volume II: 1910-1921 Mary Rubio, Elizabeth Waterston, 2003-04-17 Elizabeth Waterston is a 2011 Fellow of The Royal Society of Canada This volume of Lucy Maud Montgomery's journals records a time of great change and upheaval both in Montgomery's life and in society When she wrote the first entry in this volume she had recently become a world famous author having published *Anne of Green Gables* in 1908 Here we become privy to her response to the death of her grandmother her marriage and honeymoon trip to Scotland and England and her departure from Prince Edward Island to the new restrictions of her life as the wife of a Presbyterian minister in an Ontario village Montgomery reveals the intensities of friendships the minutiae of homemaking and the joys of motherhood along with the traumas of a disturbed marriage By turns tart and sentimental sharp sighted and anxiety ridden L M Montgomery provides a compelling record of her remarkable life against a background both social and literary of a tumultuous period in Canadian history

The Selected Journals of L.M. Montgomery Volume II: 1910-1921 Mary ed Rubio, 1987

The L.M. Montgomery Reader Benjamin Lefebvre, 2014-12-18 Now available in paperback The L M Montgomery Reader assembles rediscovered primary material on one of Canada's most enduringly popular authors spanning the entirety of her high profile career and the years since her death Volume Three A Legacy in Review examines a long overlooked portion of Montgomery's critical reception reviews of her books Although Montgomery downplayed the impact that reviews had on her writing career claiming to be amused and tolerant of reviewers contradictory opinions about her work she nevertheless cared enough to keep a large percentage of them in scrapbooks as an archive of her career This volume presents more than four hundred reviews from eight countries that raise questions about and offer reflections on gender genre setting character audience and nationalism much of which anticipated the scholarship that has thrived in the last four decades Each volume in The L M Montgomery Reader is accompanied by an extensive introduction and detailed commentary by leading Montgomery scholar Benjamin Lefebvre that traces the interplay between the author and the critic as well as between the private and the public Montgomery

The Intimate Life of L.M. Montgomery Irene Gammel, 2005-01-01 Who ultimately is L M Montgomery and why was there such an obsession with secrecy hiding and encoding in her life and fiction Delving into the hidden life of Canada's most enigmatic writer The Intimate Life of L M Montgomery answers these questions The eleven essays illuminate Montgomery's personal writings and photographic self portraits and probe the ways in which she actively shaped her life as a work of art This is the first book to investigate Montgomery's personal writings which filled thousands of pages in journals and a memoir correspondence scrapbooks and photography Using theories of autobiography and life writing the essays probe the author's flair for the dramatic and her exuberance in costuming while also exploring the personal facts behind some of her fiction including the beloved *Anne of Green Gables* Focussing on topics such as sexuality depression marriage aging illness and writing the essays strip away the layers of art and artifice that disguised Montgomery's most intensely guarded

secrets including details of her affair with Herman Leard her marriage with Ewen Macdonald and her friendships with Nora Lefurgey and Isabel Anderson The book also includes rare photographs taken by Montgomery and others many of which have not previously appeared in print One of the highlights of *The Intimate Life of L M Montgomery* is the inclusion of a secret diary that Montgomery wrote with Lefurgey in 1903 This hilarious document is a rare find for Montgomery s teasing banter presents us with a new voice that is distinct from the sombre tone of her journals Published here for the first time more than 100 years after its composition this diary is virtually unknown to readers and scholars and is a welcome addition to the literature on this important figure This volume fills in many of the blanks surrounding Montgomery s personal life Engaging and erudite it is a boon for scholars and Montgomery fans alike

Literary Culture and Female Authorship in Canada

1760-2000 Faye Hammill, 2021-10-18 There are two ladies in the province I am told who read writes Frances Brooke s *Arabella Fermor* but both are above fifty and are regarded as prodigies of erudition Brooke s *The History of Emily Montague* 1769 was the first work of fiction to be set in Canada and also the first book to reflect on the situation of the woman writer there Her analysis of the experience of writing in Canada is continued by the five other writers considered in this study Susanna Moodie Sara Jeannette Duncan L M Montgomery Margaret Atwood and Carol Shields All of these authors examine the social position of the woman of letters in Canada the intellectual stimulation available to her the literary possibilities of Canadian subject matter and the practical aspects of reading writing and publishing in a post colonial country This book turns on the ways in which those aspects of authorship and literary culture in Canada have been inscribed in imaginative autobiographical and critical texts by the six authors It traces the evolving situation of the Canadian woman writer over the course of two centuries and explores the impact of social and cultural change on the experience of writing in Canada

Interfaces Sidonie Smith, Julia Watson, 2002 Charts the ways that woman artists have represented themselves and their life stories

Mobilizing Mercy Sarah Glassford, 2016-11-01 For more than a century the Canadian Red Cross Society has provided help and comfort to vulnerable people at home and abroad In the first detailed national history of the organization Sarah Glassford reveals how the European born Red Cross movement came to Canada and took root and why it flourished From its origins in battlefield medicine to the creation of Canada s first nationwide free blood transfusion service during the Cold War *Mobilizing Mercy* charts crucial organizational changes the influence of key leaders and the impact of social cultural political economic and international trends over time Glassford shows that the key to the Red Cross s longevity lies in its ability to reinvent itself by tapping into the concerns and ambitions of diverse groups including militia doctors government officials middle class women and schoolchildren Through periods of war and peace the Canadian Red Cross pioneered new services and filled gaps in government aid to become a ubiquitous agency on the wartime home front a major domestic public health organization and a respected provider of international humanitarian aid Opening a window onto the shifting relationship between voluntary organizations and the state *Mobilizing Mercy* is a compelling portrait of a major

humanitarian organization its people and its ever evolving place in Canadian society **Canadian History: Confederation to the present** Martin Brook Taylor,Doug Oworm,1994-01-01 In these two volumes which replace the Reader s Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover **A Sisterhood of Suffering and Service** Sarah Glassford,Amy J. Shaw,2012-04-15 As the body of First World War literature continues to grow women s experiences of this period remain largely obscure This innovative collection addresses the invisibility of women in this literature particularly with regard to Canadian and Newfoundland history Drawing upon a multidisciplinary spectrum of recent work studies on mobilizing women paid and volunteer employment at home and overseas grief childhood family life and literary representations this book brings Canadian and Newfoundland women and girls into the history of the First World War and marks their place in the narrative of national transformation **Diversity and Change in Early Canadian Women's Writing** Jennifer Chambers,2009-10-02 Diversity and Change in Early Canadian Women s Writing is a collection of nine essays thematically arranged dedicated to the works of women writing between 1828 and 1914 It is for all those readers who were certain that there had to be diverse interesting socially relevant voices in early Canadian women s writing It is equally for sceptics who will find that early Canada is not bereft of women writers or of writing of substance When Lorraine McMullen published the collection of essays Re dis covering Our Foremothers in 1990 she considered the field in its infancy As keen as literary historians and critics have been to assess the contributions of women to Canada s early cultural scene this collection moves beyond listing which women were writing in early Canada and brings together a study of their journalistic and literary works For a nation caught up in projects to enhance nation building and concerned with the development of its national literature the essays reconnect with early literary works by women Eighteen years after McMullen s this collection shows the progression along the path that hers initiated Working with theories of genre gender socio politics literature history and drama the essayists make cases not only for the women writing but also for the literary voices they created to work for diversity and social change in Canada
