Lucid Living Tim Freke, 2016-08-16 A stirring response to Eckhart Tolle's invitation to find the Power of Now that invites spiritual seekers to rethink awareness, awakening and presence. After a lifetime studying the world's spiritual traditions, pioneering philosopher Tim Freke presents the mystical heart of spirituality in eight transformative principles. Drawing from his personal experience, he compares spiritual awakening to the experience of lucid dreaming, except while in the waking state. Awakening is lucid living. This astonishingly direct book points to an awakened state, guiding you through a radically new way of looking at the present moment, step by step. It will take you less than an hour to read, but it could change your life for good. Since it was first published, *Lucid Living* has come to be seen by many as a modern spiritual classic. In this new edition, Tim Freke reworks, adding an eighth principle to account for the profound developments in his own understanding of awakening.

Lucid Living. Timothy Freke Timothy Freke, 2008-03 *Lucid Living* is a magical little book that distills the essence of the timeless wisdom of awakening and presents it in a funky new way. It is an experiential journey through seven extraordinary ideas that will completely transform your understanding of who you are and open up a wonderful new experience of being alive. Inspirational, utterly unique, and destined to become a modern spiritual classic, *Lucid Living* is a life-changing book you can read in an hour.

According to Freke and Gandy, religiously inspired acts of violence, such as the attacks on 9/11, are nothing new. They are the continuation of a long and bloody history of brutality caused by mistaking bizarre old books for the Word of God. The time has come to end religious intolerance and wake up to oneness by rediscovering the Gnostic way of transforming oneself and the world. Freke and Gandy's incendiary new book is a wake-up call to the world: What if the Old Testament is a work of fiction? Jesus never existed, and Muhammad was a mobster. What if the Bible and the Quran are works of political propaganda created by Taliban-like fundamentalists to justify the sort of religious violence we are witnessing in the world today? What if there is a big idea that could free us from the us versus them world created by religion and make it possible for us to truly love our neighbors and even our enemies? What if it is possible to awaken to a profound state of oneness and love, which the Gnostic Christians symbolized by the enigmatic figure of the laughing Jesus? Discover for yourself why the Gnostic Jesus laughs. **Mindplayers** Pat Cadigan, 2011-09-29 Mindplayers are tomorrow's psychoanalysts, linked directly to their patients using sophisticated machinery attached to the optic nerve.
