## Lucy Gayheart:

*Lucy Gayheart* Willa Cather, 2024-11-24 Willa Cather's *Lucy Gayheart* gropes a wistful way back to the time of the horse and buggy when some men and some women loved deeply and truly and make themselves miserable and hugged their misery. Small towns no less than Vienna and the Paris Left Bank and a Greenwich Village as dirty and noisy then as it is now had romances of which they had a right to be proud. So it is with *Lucy Gayheart* written in 1935. When she wrote the novel Cather had just turned 60 and was in tune with the zeitgeist that shortly would produce the works of Jean Paul Sartre and Albert Camus. In her homey yet subtle way she tapped into the modern loss of faith. And she created an existential novel. A romance, a feminist story. It doesn't seem that way at the beginning. Indeed *Lucy Gayheart* appears to be nothing more than a confection of a romance. Lucy is the bright, lively musical girl, a stand-out among her young adult peers in the small Nebraska town of Haverford where Harry Gordon, the banker's son, is the most eligible bachelor. They seem made for each other as they skate together on the Platte River in the novel's opening scene. They have always seemed made for each other. But Lucy wants a career and has been working in Chicago. She becomes the piano accompanist to a much older classical singer, Clement Sebastian. The two fall in love in a chaste way just as Harry sweeps into town and with ham-handed arrogance tells Lucy that it's about time for them to get married. Right. Wrong. Then the book seems to be on its way to becoming a feminist Horatio Alger story in which the plucky heroine will find her way to beauty and maybe love in the stratospheric Olympus of the high arts.

*Lucy Gayheart* Willa Cather, David H. Porter, 2015-08-01 The story of the eponymous *Lucy Gayheart*, a spirited young girl from Haverford, Nebraska, who leaves home to pursue a career in music.

In a prolepsis, she recalls going to a performance by Clement Sebastian and later to an audition with him. She has one scheduled for her return. Back in Chicago, then she goes to a concert by the same artist. The next day she goes to his place for a singing practice and meets his valet, Giuseppe. She will replace Sebastian's accompanist, James Mockford, whilst the latter is convalescent. During these practice sessions, Clement Sebastian seems distant. Once he gets a call asking for money, which must be from his wife. On another occasion, he goes to Madame Renee de Vignon's funeral; later he goes into that same Catholic church again. Sebastian goes off to Minnesota and Wisconsin on a tour with Mockford. Lucy

feels dejected However she gets a telegram from Sebastian telling her to come to his studio the following day this cheers her up However when she returns to his studio she asks him if he ever got pleasure out of being in love He says N n no not much then asks her Why Do you She replies Yes I do And nobody can spoil it This embarrasses her she worried that it exposed her love for him and she leaves abruptly He manages to meet her again at Auerbach s the studio where she studies and also gives lessons and calms her fears Later both Lucy and Sebastian are depressed the latter takes her to dinner and tells her about Larry MacGowan a friend from his school days who died recently The next day he tells her he loves her but is old enough to be her father so will not act on his love He says that she is not really in love with him only growing up and finding things Later when Sebastian is off on an Eastern U S tour Harry visits her and they go to operas and museums together Although she seems appreciative and making an effort to be nice she finds his visit stressful She rejects his proposal for marriage saying that she loves someone else

century including Wharton's *The House of Mirth*, *Ethan Frome*, and *The Age of Innocence*, and Cather's *O Pioneers!*, *My Antonia*, and *Death Comes for the Archbishop*. Yet despite their perennial popularity and their status as major American novelists, Wharton (1862–1937) and Cather (1873–1947) have rarely been studied together. Indeed, critics and scholars seem to have conspired to keep them at a distance. Wharton is seen as our literary aristocrat, an author who chronicles the lives of the East Coast Europe-bound elite, while Cather is considered a prairie populist who describes the lives of rugged western pioneers. These depictions, though partially valid, nonetheless rely on oversimplifications and neglect the striking and important ways the works of these two authors intersect. The first comparative study of Edith Wharton and Willa Cather in thirty years, this book combines biographical, historical, and literary analyses with a focus on place and aesthetics to reveal Wharton's and Cather's parallel experiences of dislocation, their relationship to each other as writers, and the profound similarities in their theories of fiction. Julie Olin Ammentorp provides a new assessment of the affinities between Wharton and Cather by exploring the importance of literary and geographic place in their lives and works, including the role of New York City, the American West, France, and travel. In doing so, she reveals the two authors shared concern about the culture of place and the place of culture in the United States.

**Sixteen Modern American Authors** Jackson R. Bryer, 1989. Praise for the earlier edition: Students of modern American literature have for some years turned to *Fifteen Modern American Authors* (1969) as an indispensable guide to significant scholarship and criticism about twentieth-century American writers. In its new form, *Sixteenth Modern American Authors*, it will continue to be indispensable. If it is not a desk book for all Americanists, it is a book to be kept in the forefront of the bibliographical compartment of their brains. *American Studies*
