Arcturians: How to Heal, Ascend, and Help Planet Earth David K. Miller, 2013-04-01 On the Mayan Calendar every day of the year represents the energy of one of the twenty solar glyphs and one of the thirteen numbers called tones The solar glyph indicates your soul purpose and the tone is the energy you will use to attain this purpose **The Full Spectrum Synthesis**

Bible Joshua David Stone, Joshua Stone, 2001-01-20 This new book I very humbly state is one of the most profound books I have ever written This book contains exactly what the title states the best Wisdom Quotes the world has ever known from all religions and all Spiritual paths All Bibles of all religions are wonderful and beautiful This most unique book is literally a Synthesis Bible of the best wisdom quotes in my 40 volume Ascension Book Series and of all religions and all paths back to God It has been my greatest joy to write this book and one that has taken an enormous amount of work to put together It is guaranteed to transform your consciousness The wisdom quotes contained within will come back to you in times of need like mantras to keep you centered clear and totally within an efficient perception of reality as God would have it be Totally electrifying Spiritual reading I do not believe a Synthesis Bible has ever been written on this planet before Must reading for all lightworkers You will enjoy it immensely Literally every sentence of this entire book is filled with the Love Light Wisdom and Power of God and the Masters **Handbook for Healers** Frankie Z. Avery, 2009-03-01 This Handbook for Healers set

includes a 30 minute DVD of ten energy balancing exercises and a 60 minute CD of tones specifically constructed to create a sense of safety warmth and receptivity in healing spaces Book jacket Shamanic Secrets for Material Mastery Robert Shapiro, 1998-07-01 It is well known among the curious that Sedona Arizona and its surrounding regions have seen some of the world s all time most intense UFO paranormal and spiritual activity The question is why Ascension and Romantic Relationships Joshua David Stone, Janna Shelley Parker, 2000-01-01 This book is a sequel to the first two It contributes an added dimension to my earlier information Sedona seems to reflect the best qualities or perhaps I should say combined qualities the essences and elements of the Great Pyramids Glastonbury Stonehenge Ayers Rock Mount Shasta the South American Pyramids Peru Tibet Nepal India Lourdes and many other power places around the world How can I make such a

claim For the reason that I interact on a regular basis with individuals from virtually every corner of the Earth who have spent time in those sacred and mysterious places Through these travelers I have learned that there is simply no other place like Sedona

Mahatma I and II Brian Grattan,1994-01-01 What all of mankind have learned in the past about creation is the way that existence isn't a paradox Awaken and realize that all of mankind will create their body for Ascension whether they accomplish this now or later and that this is not the exclusive domain of Christ or Buddha or many others who have ascended this is your birthright You are not relegated to worshipping those who have already done this very basic initiation called Ascension Christ and Buddha would be the first to acknowledge that they are just beginners on their eternal journey When mankind lifts the veils of their unworthiness and recognize that they are the Sons of God that there is divine equality and no one is greater than another then you will have begun our journey in the way that it was intended In your near future your Planetary Hierarchy will release the world from theology ecclesiasticism and the wrathful Jehovah and return humanity to its rightful journey into spiritualizing matter not worshipping it The Mahatma is for those who are motivated to search for the answers that can respond to their mental and spiritual bodies In the past mankind's choices of beliefs and religions have supported only the emotional body and the darker material side of life And truly if one is going to remain on Earth very drastic shifts of consciousness will be required to have mankind remain in Earth's new fourth dimensional reality No matter how contrary to your current beliefs this book contains methods for creating your spiritual Lightbody for Ascension and it also explains your eternal journey in a way that was never before available to mankind

The Story of Creation Joshua D. Realization

How To Clear The Negative Ego Joshua Stone,2001-02-07 There is no more important lesson in life to understand than it is your thoughts that create your reality Your thoughts create your feelings emotions behavior and what you attract and magnetize into your life Many people think that we see with our eyes The truth is we see through our consciousness minds and belief system There are in truth only two philosophies and feelings and emotions in life The philosophy and feeling of fear and the philosophy and feeling of Love The key to realizing God is to only think and feel from your Love based Spiritual Christ Buddha mind This is why the Bible states Let this mind be in you that was in Christ Jesus It is by mastering our mind that all negative feeling and emotions can be released and one can learn to live in self mastery centeredness unconditional love joy peace forgiveness nonjudgmentalness and equanimity at all times
