Stefan Rinke, Michael Wildt

Manuel Ugarte Y La Lucha Por La Unidad Latinoamericana:

Manuel Ugarte Norberto Galasso,1985 El latinoamericanismo en el pensamiento político de Manuel Ugarte Miguel Ángel Barrios,2007 **Diplomacia y acción cultural americana en la España de Primo de Rivera** Cagiao Vila, Pilar,2021-03-01 El eje que articula las diferentes aportaciones contenidas en este libro cruza la acción de la diplomacia y de agentes culturales americanos que se emplearon ya fuera de manera oficial o privada en promover o participar en iniciativas que tuvieron lugar en la coyuntura de la Dictadura de Primo de Rivera En el impulso que el régimen se propuso dar a las relaciones con América que pas a ocupar un lugar destacado en la política exterior la Exposición Iberoamericana de Sevilla fue sin duda la manifestación simbólica de mayor envergadura A través de distintas aportaciones esta cuestión es analizada aquí bajo el prisma del diálogo entre políticos y otros agentes sociales en tiempos de afirmación de la diplomacia tanto de la oficial como de la paralela Por otro lado algunas contribuciones centran su atención en otro tipo de hitos políticos y culturales que traducen aspectos diferentes de las relaciones transatlánticas en tiempos del directorio primorriverista **Latin America's Democratic Crusade** Allen Wells,2023-09-26 By emphasizing Latin American reformers decades long struggle to defeat authoritarianism this transnational history challenges the timeworn Cold War paradigm and recasts the region's political evolution Scholars persist in framing the Cold War as a battle between left and right one in which the Global South is cast as either witting or unwitting proxies of Washington and Moscow What if the era is told from the perspective of the many who preferred reform to revolution Scholars have routinely neglected dismissed or caricatured moderate politicians In this book Allen Wells argues that until the Cuban Revolution the struggle was not between capitalism and communism that was Washington's abiding preoccupation but between democracy and dictatorship Beginning in the 1920s the fight against authoritarianism was contested on multiple fronts political ideological and cultural taking on the dimensions of a political crusade Convinced that despots represented an existential threat reformers declared that no civilian government was safe until the cancer of dictatorship was excised from the hemisphere Dictators retaliated often with deadly results exporting strategies that had been honed at home to guarantee their political survival Grafted onto this war without borders was a belated Cold War with all its political convulsions the aftershocks of which are still felt today En el trance más oscuro de la historia Pulido García, David Antonio,2024-10-31 Este libro representa un genuino aporte historiográfico por parte de su autor David A Pulido a quien lo conocemos por hallarse dedicado a la más alta investigación académica El propio Pulido sin alardes se ha permitido tomar distancia aquí de dos fenómenos relevantes la Revolución mexicana y el llamado Grito de Córdoba para seguir otro derrotero explicativo en el accionar y el pensamiento estudiantil regional el de la Primera Guerra Mundial sin desconocer la existencia de otras indagaciones precedentes pero imprimiéndole a su labor un enjundioso desarrollo personal Por otro lado al hacer hincapi en el papel protagónico de la juventud el autor se aleja sideralmente de quienes le endilgan un carácter desdeñable a dicha etapa de la vida sea por imputarle una índole demoníaca sea por asociarla

a un estado enfermizo que suele abandonarse con el paso irreversible del tiempo Entre los principales voceros que acompañan la ex génesis de este texto iluminador se encuentran figuras protagónicas como las de Manuel Ugarte Jos Enrique Rod Deodoro Roca y otros Finalmente toda esa faena hermenéutica lo inducen en definitiva a fomentar el despliegue de estudios análogos fuera de México y Argentina dentro del dilatado tronco reformista y sin resultar tampoco ajenos al crucial impacto de la guerra del 14 Dmosle pues la mejor bienvenida a esta obra la cual ha permitido reabrirnos la puerta perceptual de la temática en juego *Manuel Ugarte. Tomo I* Norberto Galasso, 2016-06-02 La intención de la colección Los libros son nuestros es realizar un acto de reparación histórica ya que a los textos que fueron elegidos para integrarla les fue arrebatada violentamente la posibilidad de ser conocidos y leídos por el público cuando en 1976 fueron secuestrados por los militares para su inmediata destrucción La sentencia pronunciada por Luis Pan director ejecutivo de Eudeba entonces que selló el destino de estos títulos fue recuperada gracias al título con el que Hernán Invernizzi bautizó el valioso trabajo de investigación que permite conocer este oscuro capítulo de nuestra historia Los libros son tuyos Ahora la editorial se propone resignificar esas palabras a través de la recuperación de algunos de los libros perdidos en ese acto de barbarie Entre ellos se presenta este enorme trabajo de Norberto Galasso editado en dos volúmenes que recorre la vida y las ideas de una figura fundamental del pensamiento latinoamericano el Socialismo y las luchas por la unidad latinoamericana Manuel Ugarte *Revolutions and Counter-Revolutions* Stefan Rinke, Michael Wildt, 2017-05-11 Unquestionably a watershed year in world history 1917 not only saw the Russian Revolution and the US entry into World War I it also marked a foundational moment in determining global political structures for the remaining twentieth century Yet while contemporaries were cognizant of these global connections historiography has been largely limited to analysis of the nation state A century later this book discusses the transnational dimension of the numerous upheavals rebellions and violent reactions on a global level that began with 1917 Experts from different continents contribute findings that go beyond the well known European and transatlantic narratives making for a uniquely global study of this crucial period in history *Manuel Ugarte y la revolución latinoamericana* Jorge Abelardo Ramos, 1961 **Cables, Crises, and the Press** John A. Britton, 2013-12-30 In recent decades the Internet has played what may seem to be a unique role in international crises This book reveals an interesting parallel in the late nineteenth century when a new communications system based on advances in submarine cable technology and newspaper printing brought information to an excitable mass audience A network of insulated copper wires connecting North America the Caribbean South America and Europe delivered telegraphed news to front pages with unprecedented speed Britton surveys the technological innovations and business operations of newspapers in the United States the building of the international cable network and the initial enthusiasm for these electronic means of communication to resolve international conflicts Focusing on United States rivalries with European nations in Latin America he examines the Spanish American War in which war correspondents like Richard Harding Davis fed accounts of Spanish atrocities and Cuban heroism into the

American press creating pressure on diplomats and government leaders in the United States and Spain The new information system also played important roles in the U S British confrontation in the Venezuelan boundary dispute the building of the Panama Canal and the establishment of the U S empire in the Caribbean and the Pacific **Escritos inéditos de Enrique Santos Discépolo** Enrique Santos Discépolo, Norberto Galasso, 1981 **Volver a las fuentes** Juan Godoy, 2021-08-15 Esta obra comprometida con nuestra poca rigurosa y profunda conceptualmente aborda de manera simple cuestiones complejas Recupera en forma de apuntes los conceptos y la trayectoria de los cl sicos del pensamiento nacional Jauretche Hern ndez Arregui Scalabrini Cooke Ugarte o Carpani Interpela las pol ticas de la historia y debate la mistificaci n cultural de nuestro pasado demostrando que fue realizada por los intelectuales de la oligarqu a con la finalidad de justificar los asesinatos a los dirigentes los robos de bienes y la imposici n de un proyecto desigual de pa s Demuele prejuicios y derriba zonceras y sentidos comunes instalados Godoy describe las vidas y los legados de Artigas la causa americanista de Bol var o las luchas populares de las montoneras federales y de Felipe Varela contra el unitarismo olig rquico e imperialista Recupera la trayectoria de figuras ocultas de la historia sudamericana como Manuel Rodr guez Alejandro Mar n Rufino Blanco Fombona o C sar Marcos Volver a las fuentes retoma y analiza en clave nacional a las figuras constructoras de los dos grandes proyectos pol ticos y econ micos del pa s Julio A Roca y Juan D Per n Aborda cr ticamente el debate sobre el m todo de elaboraci n de las ciencias y a partir de revisar textos y pol micas de Carlos Montenegro Roberto Carri y Oscar Varsavsky demuestra que las mentadas neutralidad y objetividad cient fica suelen ser la justificaci n ideol gica de un saber dependiente al servicio de intereses extranjeros Este excelente trabajo no es un libro sobre el pasado sino una obra cargada de presente y futuro **Nación, Fuerzas Armadas y dependencia** Juan Godoy, 2021-09-14 En un contexto de poca signado por las ideas de soberan a de desarrollo nacional y de industrializaci n Juan Godoy busca rescatar a trav s de un minucioso an lisis el pensamiento de una generaci n de militares plasmado en una publicaci n peri dica del C rculo Militar Teniendo a las Fuerzas Armadas y al pensamiento nacional como principales herramientas para el tratamiento de la cuesti n el autor busca articular la historia de las ideas en nuestro pa s la soberan a nacional la conciencia industrial y los diferentes proyectos de naci n

Almanaque Histórico Argentino 1943-1955 Guillermo Máximo Cao, 2020-04-01 Por qu un Almanaque Hist rico Argentino Porque creemos que la historia como ciencia reconstruye y analiza el pasado interpretando las fuentes desde el presente Y los presentes son todos distintos ste de finales de la segunda d cada del siglo XXI que nos toca transitar donde el peronismo ha vuelto a tener plena vigencia si es que alguna vez no la tuvo nos invita a mirar el pasado para encontrar similitudes y diferencias para hallar continuidades y rupturas El movimiento pol tico construido alrededor de la figura de Per n ha generado a lo largo del tiempo todo tipo de interpretaciones Ninguna puede hacerse sin indagar en los or genes de la estructuraci n de un nuevo tipo de poder a trav s del cual un sector social hasta entonces postergado asumi un protagonismo in dito reflejado en todos los mbitos desde lo econ mico y lo pol tico hasta lo social y lo cultural Sin embargo este auge de la

clase trabajadora también es preciso comprenderlo teniendo en cuenta la crisis los desvíos errores ataques y enfrentamientos que condujeron al golpe de 1955 Este Almanaque denominación que pretende rescatar esas antiguas publicaciones que trataban distintos aspectos sobre un mismo tema Almanaque mundial Almanaque de la industria etc puede leerse por capítulos y no necesariamente de principio a fin Cada uno de ellos aborda un aspecto del período de la historia argentina comprendido entre el 4 de junio de 1943 y el 16 de septiembre de 1955 Manuel Ugarte. Tomo II Norberto Galasso, 2016-06-02 La intención de la colección Los libros son nuestros es realizar un acto de reparación histórica ya que a los textos que fueron elegidos para integrarla les fue arrebatada violentamente la posibilidad de ser conocidos y leídos por el público cuando en 1976 fueron secuestrados por los militares para su inmediata destrucción La sentencia pronunciada por Luis Pan director ejecutivo de Eudeba entonces que selló el destino de estos títulos fue recuperada gracias al título con el que Hernán Invernizzi bautizó el valioso trabajo de investigación que permite conocer este oscuro capítulo de nuestra historia Los libros son tuyos Ahora la editorial se propone resignificar esas palabras a través de la recuperación de algunos de los libros perdidos en ese acto de barbarie Entre ellos se presenta este enorme trabajo de Norberto Galasso editado en dos volúmenes que recorre la vida y las ideas de una figura fundamental del pensamiento latinoamericano el Socialismo y las luchas por la unidad latinoamericana Manuel Ugarte *Argentina-Brasil* Marcelo Gullo, 2010-01-01 Marcelo Gullo y yo tenemos sobre temas de nuestro común interés las mismas ideas básicas As ocurre con este libro con el cual mantengo plena concordancia Se trata del hecho de que ante el proceso de globalización exacerbado por el unilateralismo imperial del gobierno de George Bush los países como la Argentina y Brasil y con ellos todos los de América Latina están perdiendo su espacio de permisibilidad internacional De seguir así las cosas en un lapso histórico relativamente breve nuestros países se convertirán en meros segmentos indiferenciados del mercado internacional y serán simples provincias del imperio norteamericano Del prólogo de Helio Jaguaribe **Handbook of Latin American Studies**, 2007 Contains scholarly evaluations of books and book chapters as well as conference papers and articles published worldwide in the field of Latin American studies Covers social sciences and the humanities in alternate years **Braden o Perón** Rodrigo Mas, Martín Prestía, 2021-07-01 La presente edición compila dos textos el llamado Libro Azul documento elaborado por el Departamento de Estado de los Estados Unidos y su respuesta el libro Azul y Blanco de Juan D Perón Ambos escritos fueron publicados originalmente en el contexto de las elecciones presidenciales de febrero de 1946 en las que Perón llegó a por primera vez a la presidencia El Libro Azul intentó vincular a Perón con el nazismo mediante la recopilación amañada arbitraria y tendenciosa de una serie de testimonios informes de prensa y registros diplomáticos El sentido político del libro era lograr una victoria de la Unión Democrática la coalición de partidos opositores Esos esfuerzos estuvieron comandados por el entonces embajador norteamericano en Argentina Spruille Braden El Libro Azul y Blanco fue la categórica respuesta de Perón a esas acusaciones En la атаca no solo a Estados Unidos sino a todos sus aliados locales que van desde el Partido Comunista hasta sectores del radicalismo y

conservadurismo La edición cuenta con una traducción integral e inédita del Libro Azul y un exhaustivo trabajo de notas aclaratorias sobre los acontecimientos del periodo y los actores implicados que acercan el texto al público contemporáneo El enfrentamiento entre Braden y Perón fue uno de los episodios más dramáticos de las relaciones entre los Estados Unidos y la Argentina en el siglo XX y tuvo un impacto duradero en los lazos bilaterales durante décadas En este sentido el llamado Libro Azul fue uno de los documentos más importantes en la creación del mito de que la Argentina es una nación pro nazi y antisemita Si Braden había sido enviado a Buenos Aires para ayudar a mejorar las tormentosas relaciones entre los dos estados claramente fracasó Si su objetivo era detener la campaña presidencial de Juan Domingo Perón su fracaso fue humillante Se trata de un caso paradigmático fundamental para entender la compleja relación entre Argentina y los Estados Unidos de la Introducción de Raanan Rein *Literatura mexicana*, 1990 Scalabrini Ortiz y la lucha contra la dominación inglesa Norberto Galasso, 1982 Manuel Ugarte: Los orígenes del socialismo Norberto Galasso, 1974
