Room Con Lehane, 2024-03-26 The second in Con Lehane's 42nd Street Library mystery series *Murder in the Manuscript Room* is a smart compelling mystery in which the characters themselves are at least as interesting as the striking sleuthing Not to be missed Megan Abbott A story utterly relevant to the real life horror story unfolding in America's immigration politics Sara Paretsky When a murder desecrates the somber book lined halls of New York City's iconic 42nd Street Library Raymond Ambler the library's curator of crime fiction has a personal interest in solving the crime His quest to solve the murder is complicated by personal entanglements involving his friend or perhaps more than friend Adele Morgan Not only does Adele's relationship with the young woman staffer who was murdered get in the way of Ambler's investigation more disturbing for him is Adele's growing interest in a darkly handsome Islamic scholar Soon the Intelligence Division of the New York Police Department takes over the case from NYPD homicide detective Mike Cosgrove Ambler's friend and sometimes partner in crime solving Ambler suspects that the murder of the young woman who'd been working at the library under an assumed name and the curious intervention of NYPD's intelligence division are connected The trail of intrigue leads to a

seemingly unrelated murder in an upstate prison and a long ago murder of a trade union reformer No one else sees the connections Ambler is sure are there not an unusual state of affairs for Ambler But with the city s law enforcement establishment determined to stop his investigation the inquisitive and intrepid librarian faces challenges that may put his very life at risk *Manuscript for Murder* Jessica Fletcher,Jon Land,2019 **Manuscript for Murder** P. S. Eliot Volume II T. S. Eliot,2015-11-17 The Poems of T S Eliot is the authoritative edition of one of our greatest poets scrupulously edited by Christopher Ricks and Jim McCue It provides for the first time a fully scrutinized text of Eliot s

poems carefully restoring accidental omissions and removing textual errors that have crept in over the full century in which Eliot has been so frequently printed and reprinted The edition also presents many poems from Eliot s youth which were published only decades later as well as others that saw only private circulation in his lifetime of which dozens are collected for the first time To accompany Eliot s poems Christopher Ricks and Jim McCue have provided a commentary that illuminates the creative activity that came to constitute each poem calling upon drafts correspondence and other original materials to provide a vivid account of the poet s working processes his reading his influences and his revisions The first volume respects Eliot s decisions by opening with his Collected Poems 1909 1962 in the form in which he issued it shortly before his death fifty years ago There follow in this first volume the uncollected poems from his youth that he had chosen to publish along with such other poems as could be considered suitable for publication The second volume opens with the two books of poems of other kinds that he issued Old Possum s Book of Practical Cats and his translation of Perse s Anabase moving then to verses privately circulated as informal or improper or clubmanlike Each of these sections is accompanied by its respective commentary and then pertaining to the entire edition there is a comprehensive textual history recording variants both manuscript and published The Poems of T S Eliot is a work of enlightening scholarship that will delight and inform all those who read Eliot for pleasure as well as all those who read with pleasure and for study Here are a new accuracy and an unparalleled insight into the marvels and landmarks from The Love Song of J Alfred Prufrock and The Waste Land through to Four Quartets
