Many Tables The Eucharist In The New Tes:

A Church Without Borders Jeffrey Thomas VanderWilt, 1998 What kind of Church arises from the Lord's table Doctrine customs culture and history divide the Churches Christians do not share a common table Can a divided and injured Church celebrate the Eucharist the sacrament of Christian communion These are a few of the questions addressed in this study of the ecclesiology of communion The borderless Church of the infinite love of Christ exists today The divided Churches need only receive the communion of God as their innermost nature at the borderless table of God's kingdom BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Theology of the Open Table** Eojin Lee, 2016-11-23 Theology of the Open Table begins with research on the traditional eucharistic understanding in the Presbyterian Church of Korea PCK through cultural and social analyses In developing his argument Eojin Lee has especially researched the biblical theological and early church sources in relation to his subject the Eucharist and the open table This book seeks to provide sound theological justification for the open table with an introduction of practices of the open table in the Uniting Church in Australia UCA **Paul and the Lord's Supper** Panayotis Coutsoumpos, 2005 Most of Paul's letters especially First Corinthians were written in the context of conflict with troublemaking opponents and the social dilemma at the Lord's Supper in Corinth First Corinthians provides a unique glimpse into the social custom of the Christian congregation in a Greco Roman environment during the early years of the Christian Church Much effort has gone into reconstructing what happened at the Lord's Supper and the social issues that were involved More recently attention has focused on the Corinthian congregation itself and how Paul solved the issue of idol food and dining in a pagan temple **The Agitated Mind of God** Dale T. Irvin, 1996 Worship and the Reality of God John Jefferson Davis, 2010-10-07 Professor John Jefferson Davis shows what's really needed for the renewal of worship in our evangelical churches Moving far beyond the worship wars Davis provides profound theological analysis and fresh recommendations to help us recognize obstacles to worship and learn to rightly respond to the glory and gracious real presence of God among us in our worship **Exorcizing Evil** Cheryl A. Kirk-Duggan, 1997 The Spirituals born in the early history of the United States still anchor the soul and awaken the history of much of the African American community today Writing from a womanist perspective theologian Cheryl A Kirk Duggan probes what the Spirituals say about the action of God in the face of racial injustice and oppression Priesthood Kenan Osborne, 2003-08-18 Well written and well presented Father Osborne's book is a solid overview of the history of the sacrament of holy orders not only for Roman Catholic clergy but for clergy throughout the Christian world It will help all of those in ministry to understand the relationships between laity and clergy more deeply and it carefully delineates the deeper theological significance of women in ministry By considering the ordained ministry from the standpoint of Jesus as the primordial minister Priesthood enhances the multiple nature of ministry in ecumenical dialogues of our contemporary world making them less intransigent With the extensive discussion on ministry today Priesthood is a welcome timely and necessary
