Ho,2004-04-30 Ever since the death of Mao China has undergone a transformation almost as radical as the Communist Revolution that Mao instigated This book tells the stories of the many difficult economic political and social struggles that have taken place in post Maoist China Using both Chinese and non Chinese sources Alfred K Ho unravels the complexities of life in China during the past generation As Ho explains contemporary Chinese are seeking to find solutions to their problems that reflect their own cultural values As such reform in China cannot be seen solely as an effort to emulate the West especially the free market and democratic United States Rather Ho places current efforts at reform as part of a prolonged and continual process by Chinese to deal with their internal problems as well as the challenges and opportunities they face as a result of greater contact with the outside world China and the New Maoists Kerry Brown,Simone van Nieuwenhuizen,2016-08-15 Forty years after his death Mao remains a totemic if divisive figure in contemporary China Though he retains an immense symbolic importance within China s national mythology the rise of a capitalist economy has seen the ruling class become increasingly ambivalent towards him And while he continues to be a highly visible and contentious presence in Chinese public life Mao s enduring influence has been little understood in the West In China and the New Maoists Kerry Brown and Simone van Nieuwenhuizen look at the increasingly vocal elements who claim to be the true ideological heirs to Mao ranging from academics to cyberactivists as well as at the state s efforts to draw on Mao s image as a source of legitimacy This is a fascinating portrait of a country undergoing dramatic upheavals while still struggling to come to terms with its past *No Holiday* Martin Cohen,2006-06-01 In this first Disinformation Travel Guide Martin Cohen visits exotic locations 80 of them but with a different aim than the usual travel book to seek out the suffering and injustices not to skirt them We will see the dark red waters of Murdering Creek in Australia silent testament to the ongoing genocide of the world s oldest people we will visit the olive groves of Palestine where the helicopter gunships of the Israeli Army patter by like so many gigantic marauding insects and we will queue up to see not museums and art galleries but the more sinister monuments of politics like the academy of terror funded by the CIA at Fort Benning in Georgia or the poisoned shores of the Aral Sea revealing an abandoned biological warfare center We will visit not the great sights but the great sores the forever cursed cites of Hiroshima and Nagasaki where so many died as Churchill might have said for so little We ll enter the no man s lands of the demilitarized zones of past conflicts between North and South Korea between Syria and Israel even between Catholic and Protestants in Northern Ireland **Mao** Michael Lynch,2017-05-02 Michael Lynch s second edition of Mao examines the life of this controversial figure Opening with a detailed chronology it delves into Mao s younger years and tracks his gradual rise to power with a chapter dedicated to the cult status that surrounded him Through a wealth of primary
