## Maori And Settler:

**Maori and Settler** George Alfred Henty, Alfred Pearce, 1891 The Renshaws lose their property and emigrate to New Zealand Against the odds they succeed in establishing themselves happily in New Zealand **Maori and Settler** G. A. Henty, 2016-09-18 George Alfred Henty better known as G A Henty began his storytelling career with his own children After dinner he would spend an hour or two in telling them a story that would continue the next day Some stories took weeks A friend was present one day and watched the spell bound reaction of his children suggesting Henty write down his stories so others could enjoy them About the book The Renshaws emigrate to New Zealand during the period of the war with the natives Wilfrid a strong self reliant courageous lad is the mainstay of the household He has for his friend Mr Atherton a botanist and naturalist of herculean strength and unfailing nerve and humor In the adventures among the Maoris there are many breathless moments in which the odds seem hopelessly against the party but they succeed in establishing themselves happily in one of the pleasant New Zealand valleys **Maori and Settler a Story of the New Zealand War** G a Henty, 2020-08-15 In the following story I have made no attempt to give anything like a general history of the long struggle between the brave tribes of New Zealand and the forces of England and the colony That struggle lasted over a period of some years and to do justice to its numerous incidents in the course of a single volume would have left no space whatever available for the telling of a story It was divided into two distinct epochs In the first the natives of the north of the islands fought for their independence and their right to have a king and be governed by their own laws Nothing could exceed the courage with which they struggled for these ends and it needed a very strong force of British troops to storm their pahs or fortified camps and overcome their resistance The second epoch embraces the struggle brought about by the conversion of a portion of the tribes to the fanatical belief called the Pai Marire literally good and peaceful whose votaries were generally known as the Hau Haus During the earlier war the natives behaved with great moderation and there were but few cases of the murder of outlying settlers The slaying of all whites was however the leading feature of the Hau Hau religion and many cold blooded massacres occurred during the struggle The British troops had been for the most part withdrawn before the commencement of the Hau Hau troubles and the war was carried on by bodies of constabulary raised by the colonists and with the aid of tribes that remained friendly to us The massacre of Poverty Bay which forms the leading feature of my story and the events that followed it are all strictly in accordance with facts G A HENTY **Maori and Settler. a Story of the New Zealand War** G.
