Maori Tales:

Maori Tales And Legends Kate McCosh Clark, 2013-05-31 The following tales are an outcome of a long residence in New Zealand and of many opportunities whilst travelling amongst the Maoris of becoming acquainted with their folk lore superstitions and customs From a vast mass of legendary tales rich in variants and recorded often in a fragmentary manner I have chosen those in this little volume as the oldest and best known amongst the natives I have endeavoured to adhere to the true spirit of the tales themselves and to give them the form expression and speech characteristic of the country and clever native race The Maoris as a rule are eloquent and their language is full of metaphor and poetical allusion and musical with open vowels Every syllable ends with a vowel every vowel is sounded and that according to the Italian method Though the Maori practice of cannibalism in times past is revolting to a higher civilisation it may to a certain extent have been due to the entire absence of any quadrupeds larger than a rat and to the craving for flesh food so well described in Stanleys accounts of some of the races in Central Africa The Maoris are a strong race both physically and mentally Revengeful and cruel to their enemies they were passionate in love and ever fearless in war Religious they venerated their gods and believed in an atzkn or spiritual essence their deities being rarely represented by any image Their priests were consulted on all great occasions and their mandates obeyed especially when they spoke as the oracle making known to the people the will of the gods Whence came the race with their strange superstitions their worship of Tane the creation god of the sun god I must leave for others to discuss But it is an accepted fact that the natives of New Zealand and of some of the groups of Pacific Islands in many respects show evidence of a common origin for instance their general appearance long straight hair ignorance of bows and arrows of the art of pottery and their knowledge of the same legends and folk lore though told in various forms When Captain Cook first visited New Zealand he had a native of Hawaii who acted as interpreter In ancient New Zealand tradition the Maoris are said to have come from Hawaii in four large war canoes about the twelfth or thirteenth century For these reasons I have not hesitated to include in this book four South Sea tales which though not told by New Zealand natives will I hope be acceptable for their beauty and peculiarities They are specified in the Notes The illustrations are by the late Mr R Atkinson and are of special value as they were drawn by that able artist Preface from sketches of natives and native surroundings made by him while staying amongst the Maorjs both in the remote King country and in the hot lake district Rotorua His picture of the little grandchild of Ic heu heu the well known war chief of Lalie Taupo was exhibited in the Royal Academy in 1891 I regret that the size of the book does not make it possible to do full justice to the beauty of the original drawings

LEGENDS of MAUI - 15 Polynesian Legends from the Hawaiian Islands Anon E. Mouse, 2018-10-01 Within this unique volume are 15 legends of Maui Legends like MAUI THE FISHERMAN MAUI LIFTING THE SKY MAUI SNARING THE SUN and twelve more captivating stories and tales from antiquity from the Polynesian people of the South Pacific These legends are not only different from the myths of other nations but they are unique in the character of the actions recorded There are three centres for these legends New Zealand in the south Hawaii in the north and the

Tahitian group in the east In each of these groups of islands separated by thousands of miles there are the same legends told in almost the same way and with very little variation in names and content However Maui s deeds rank in a higher class than most of the mighty efforts of the demi gods of other nations and races and are usually of more utility The Maui legends are full of helpful imaginations which are distinctly and uniquely Polynesian in nature Here you will find adventures from the great voyages of discovery which carry fragments and hints of wonderful deeds The Maoris of New Zealand claim Maui as an ancestor of their most ancient tribes and class him as one of the most ancient of their gods calling him creator of land and creator of man even sometimes the sun himself the solar fire and the the sun god while his mother Hina was called the moon goddess NOTE MAUI Ma u i Ma oo e is a Polynesian demi god His name derives from Mohyi meaning causing to live or life applied sometimes to the gods and sometimes to chiefs as preservers and sustainers of their followers The Maui story probably contains a larger number of unique and ancient myths than that of any other legendary character in the mythology of any nation They also form one of the strongest links in the mythological chain of evidence which binds the scattered inhabitants of the Pacific into one nation They possess remarkable antiquity
