Essentials of Western Civilization Steven C. Hause, William S. Maltby, 2001 This text will appeal to instructors who want a brief balanced text that integrates the social as well as political history of western civilization The many historical documents and statistical tables incorporated into the text enhance the discussion of everyday life among rich and poor and men women and children through all periods of European history As they learn about kingdoms intellectual movements and the fine arts students will also discover much about famous and ordinary people their family life sexuality life expectancy and daily concerns

The West Brian P. Levack, Michael Maas, Edward Muir, Meredith Veldman, 2004 The West Encounters and Transformations takes a new approach to telling the story of Western Civilization Rather than looking at Western Civilization only as the history of Europe from ancient times to the present this groundbreaking book examines the changing nature of the West how the definition of the West has evolved and transformed throughout history It explores the ways Western civilization has changed as a result of cultural encounters with different beliefs ideas technologies and peoples both outside the West and within it Presenting a balanced treatment of political social religious and cultural history this new text emphasizes the ever shifting boundaries of the geographic and cultural realm of the West with special attention given to Eastern Europe and the Muslim world Africa Asia and the Americas

Western Civilization Steven C. Hause, William S. Maltby, 1998 This book will appeal to anyone who wants to focus on the social history of western civilization rather than merely the political history The many historical documents statistics incorporated into the book enhance the discussion of the lifestyle of the general populace across western civilization Volume A contains Chapters 1 through 14 of the comprehensive edition

Mapping America Ken L. Weatherbie, 1997-08 This two volume workbook series presents the basic geography of the United States its land and river systems and helps students place the history of the United States into spatial perspective The goal of this workbook is to reinforce through practice how to read visual materials as historical documents Free when valuepacked with any Longman American History text
