Maranatha Our Lord Come A Definitive Study Of The Rapture Of The Church:

Maranatha, Our Lord, Come! Renald E. Showers, 1995-01-01 Maranatha Our Lord Come is an in depth study of matters related to the Rapture of the church It addresses such issues as the birth pang concept in the Bible and ancient Judaism the biblical concept of the Day of the Lord the relationship of the Day of the Lord to the Time of Jacob s Trouble and the Great Tribulation the identification of the sealed scroll of Revelation 5 the significance of the seals the imminent coming of Christ the analogy of John 14 2 3 the relationship of the Rapture to the coming of Christ with His holy angels the relationship of church saints to the wrath of God the significance of 2 Thessalonians 2 the implications of both the 70 weeks prophecy of Daniel 9 and the references to Israel and the church in the book of the Revelation the meaning of the last trump and why the timing of the Rapture has practical implications for daily living and ministry The Rapture Chuck Missler, 2023-01-25

The Revelation Commentary Dennis James Woods, 2025-04-27 Jesus prophesied that the great tribulation would be an unprecedented time of distress that would never occur again Nothing in history compares to what the Bible declares is coming on this world The book of Revelation gives specific details of this time that no other book in the world contains With all its vital information why is it that so many Christians do not read Revelation Have popular rapture theories convinced many that Revelation does not apply to the church Would God providentially place Revelation in the New Testament if the church really didn t need it In this powerful verse by verse commentary Dennis James Woods presents a unique Prewrath interpretation of Revelation critiquing the widely accepted Pretribulation rapture theory The commentary argues that Revelation was written for the church and that much of its content directly applies to believers Woods provides historical context theological analysis and practical insights offering an alternative eschatological framework that challenges traditional dispensational thought while emphasizing the necessity of preparing for end time events Revelation is the only book in the world with specific details that tell us where this world is heading It s the only book in the Bible that begins with a special blessing for those who read it If the church is to be raptured before the Antichrist comes praise God But what happens if that s wrong Then the book of Revelation marginalized by so many will become a vital guide for prophetic events to come *Is This the End? (with Bonus Content)* Dr. David Jeremiah, 2016-10-04 This eBook includes the full text of the book plus an additional chapter on Europe from Dr Jeremiah s book What in the World Is Going On not included in the print book According to the headlines the world is falling apart Where s God in all of the change conflict and chaos Pastor David Jeremiah offers culturally relevant and biblically accurate insights on terrorism radicalized Islam the new Russia the debt crisis and more to reveal how God s hand is at work in his unfolding plan for humanity Never have headlines been this jarring cultural changes this rapid or moral decay this pronounced What on earth is happening After each new occurrence the most oft heard questions are Will the world ever be the same again and Where is God in all of this Over the last few decades Dr David Jeremiah has become one of the world s most sought after Christian leaders on topics that deal with biblical

application and modern culture And few would dispute that the pace at which things are currently changing is unprecedented The time has come to accept this new normal Jeremiah says and understand how God s hand is still at work on His eternal plan for mankind Split into two sections the book covers timely topics surrounding two important questions Is this the end of America and Is this the end of the world including detailed chapters on Terrorism in the world today ISIS and radicalized Islam The New Russia and its global impact The bleeding of America s borders and the immigration crisis Polarization and divisiveness politically and in our communities The anything goes society The coming of Christ and the end of the world No one can afford to ignore these warnings but all can better understand the greater story and the role we each play in this changing world From prophetic clues in Scripture to an understanding of the power of Christ in all believers this book directs us on a clear path forward Interested in learning more Check out other books by Dr David Jeremiah The Great Disappearance Where Do We Go from Here The World of the End Living with Confidence in a Chaotic World The Book of Signs After the Rapture

The Fathers on the Future: A 2nd-Century Eschatology for the 21st-Century Church Michael J. Svigel, 2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with The Fathers on the Future as you unpack key truths untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework Many today with an interest in the end times face a problem they have forgotten the past Knowing the history of eschatology is key to understanding its importance how we interpret our faith and our outlook on God and humanity So why do so many overlook it and what can we do to correct this The Fathers on the Future uses a thorough exegetical and theological analysis to defend the foundation and structure of the second century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers It makes a case for a contemporary Irenaean premillennial eschatology arguing that it is a reliable framework for a biblically defensible

theologically balanced and historically informed eschatology The Fathers on the Future includes these key features Restores historical perspective Recovers the forgotten roots of early Christian eschatology emphasizing the teachings of Irenaeus of Lyons and other church fathers Biblically grounded framework Offers a well supported case for a biblically defensible premillennial eschatology balancing theology and history Clarifies and corrects Clarifies complex aspects of early eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions The Fathers on the Future begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective [What's the Difference in a Millennium and a Millipede?](#) David Reagan,2022-04-22

third type of perichoresis Perichoresis is a word that describes the way the persons of the Trinity interrelate without losing their essential oneness nor without being absorbed into each other In short the doctrine of perichoresis preserves the unity and diversity within the Godhead It is also used to describe the hypostatic union of the divine and human in Christ In Perichoretic Salvation James Gifford argues that the union of the believer and Christ is a relationship of the same kind though of a third type Arguing from a perspective that is rooted biblically historically and theologically the book will allow the union to be explained more fully than in the past while remaining within the bounds of what the church has taught over the centuries It may prove to be a basis for understanding the work of Christ afresh for the twenty first century The Greatness of God Charles Frank Thompson,2016-02-08 With each passing day our world seems to drift further and further away from the God of the Bible divine creation and Christian belief This societal shift toward postmodernism and secularism is not a new development however the expanding and intensifying revolt against the biblical God and Christianity traces its roots back to the modern philosophies of the Enlightenment and Romanticism which have given rise to many divergent views during the past three centuries and become even more extreme in recent postmodernism The Greatness of God How God Is the Foundation of All Reality Truth Love Goodness Beauty and Purpose stands as an intellectual counterweight to the prevailing winds of a secular postmodern world Author Charles Frank Thompson argues that the consequences of this rejection of God and divine creation have not been benign He traces the modern revolution in detail and describes its deleterious consequences including the loss of the ultimate basis for universal truth knowledge meaning and purpose In The Greatness of God Thompson explores a wide range of topics including Christian theology metaphysical philosophy and an analysis of modern thought and art He examines the rich history of Christian poetry prose and art and takes a look at recent scientific discoveries that help us understand Christian teachings about God s creation He concludes with an exploration of the millennium the eternal kingdom of God and the spiritual state of America and Europe today **Insights on Revelation** Charles R.
