**Language and Ideology in Children's Fiction** John Stephens,1992 When children read fiction they are exposed to the beliefs which inform and structure their society The books encourage child readers to internalise particular ways of seeing the world and help shape their development as individuals Although this process forms a key part of their education it remains largely invisible As well as a story fictions impart a significance to readers often without revealing its presence or ground and therefore have considerable potential to socialize their audience John Stephens analyses this process and shows

how fictions can work to constrain or liberate audience responses He explores picture books as well as historical realistic and fantastic fictions to show how both a character within the narrative and the implied reader are positioned within ideology The author considers areas of ideology not previously examined and offers new perspectives on realism and fantasy The book will be of interest to linguists and teachers as well as to the general reader The Boy in the Orchard Robert Bertrand,2013-01-31 Although I seldom write about my own experiences often I have met people nearby as well as in far away places whose experiences parallel my own The first writing in this book is a poem a composition from an ensemble of feelings I have experienced and gathered into words which reflect the effect of my having been touched or troubled by the relationships in the planned or chance flow of lives I have made an effort to make clear enough the symbolism which I use throughout the poem as well as in some of the other writings here During my travels I have met many people some interesting others fascinating Everyone has a story Indeed some have many Occasionally actually often I meet one who wants to tell his or her story It seems that I attract the sort who seem to be compelled to share some part of their life experiences with me In this book I have included only a few of the stories I have heard or have been a witness thereto I enjoy picking through stories I hear and pulling out details which I find interesting then I make an attempt at enhancing real experiences to the point where they almost become fiction Robert Bertrand **The Sketch** ,1921 **Getting Old: Deal with it** Lee Janogly,2019-12-13 You know you re old when your adult children talk to each other in front of you and spell out certain words Reaching the milestone of 80 Lee Janogly was continually irritated at the notion that older people are slower frailer and generally out of touch with modern living Even if we do sometimes put the remote control in the fridge we know how to work it An experienced diet and exercise counsellor Lee knows that older people really do want to know how to be healthy and well for as long as possible without being lectured or patronised After all as the 81 year old Vogue magazine cover star actress Jane Fonda says Older women are the fastest growing demographic in the world It s time to recognise our value Lee s new book charts amusingly what happens to bodily and mental functions as we age She looks at diet and fitness options and her friends have their say too She s tracked down expert advice for us all on the best way to improve your memory and general health and appearance By the end of this book you will be standing straighter eating more healthily and people will be telling you how great you look they better not add for your age At times outrageously funny and sometimes exquisitely sad this new book entertains and informs in equal measure Join us you will feel right at home As Lee says we just need love and laughter *On the Edge of Sunrise: Book One of The Long-Hair Saga* Cynthia Ripley Miller,2018-04-30 When love commands destiny must obey The year is AD 450 The Roman Empire wanes as the Medieval Age awakens Attila the Hun and his horde conquer their way across Europe into Gaul Caught between Rome s tottering empire and Attila s threat are the Frankish tribes and their Long Hair chiefs northern pagans in a Roman Christian world and a people history will call the Merovingians A young widow Arria longs for a purpose and a challenge She is as well versed in politics and diplomacy as any

man but with special skills of her own Emperor Valentinian determined to gain allies to help stop the Huns sends a remarkable envoy a woman to the Assembly of Warriors in Gaul Arria will persuade the Franks to stand with Rome against Attila When barbarian raiders abduct Arria the Frank blue eyed warrior Garic rescues her Alarmed by her instant and passionate attraction Arria is torn between duty and desire Her arranged betrothal to the ambitious tribune Drusus her secret enlistment by Valentinian as a courier to Attila the Hun and a mysterious riddle threaten their love and propel them into adventure intrigue and Attila's camp Rebels in a falling empire Arria and Garic must find the strength to defy tradition and possess the love prophesied as their destiny

**Marcella's Mood** Chera Carmichael, A fantastical short story with sword wielding dragels elemental magic and one woman tackling the challenge of learning to trust new friends and places After all a home is only what you make of it and friends do require some care and keeping Marcella's in the mood to tear into something with fangs and claws It's the kind of urge that every Gheyo dragel fighter gives into when the instinctive need grows to unbearable heights Her Storm Element makes her unpredictable but her needs are as basic as they come She can't go alone but her options are sparse Perhaps she can ask for a favor

**Girls with Razor Hearts** Suzanne Young, 2020-03-17 It's time to fight back in this second novel in a thrilling subversive near future series from New York Times bestselling author Suzanne Young about a girls only private high school that is far more than it appears to be Make me a girl with a razor heart It's been weeks since Mena and the other girls of Innovations Academy escaped their elite boarding school Although traumatized by the violence and experimentations that occurred there Mena quickly discovers that the outside world can be just as unwelcoming and cruel With no one else to turn to the girls only have each other and the revenge fueled desire to shut down the corporation that imprisoned them The girls enroll in Ridgeview Prep a private school with suspect connections to Innovations to identify the son of an investor and take down the corporation from the inside But with pressure from Leandra who revealed herself to be a double agent and Winston Weeks an academy investor gone rogue Mena wonders if she and her friends are simply trading one form of control for another Not to mention the woman who is quite literally invading Mena's thoughts a woman with extreme ideas that both frighten and intrigue Mena And as the girls fight for freedom from their past and freedom for the girls still at Innovations they must also face new questions about their existence and what it means to be girls with razor hearts
