Marching To Captivity The War Diaries Of A French Peasant 1939-1945:

Prisoners of War Bob Moore, 2022-04-14 The Second World War between the European Axis powers and the Allies saw more than twenty million soldiers taken as prisoners of war. While this total is inflated by the unconditional surrender of all German forces in Europe on 8 May 1945, it nonetheless highlights the fact that captivity was one of the most common experiences for all those in uniform, even more common than frontline service. Despite this and the huge literature on so many aspects of the war, prisoner of war histories have remained a separate and sometimes isolated element in the wider national chronicles of the conflict constructed in the post-war era. Prisoners of every nationality had their own narratives of military service and captivity. While it is impossible to encompass their collective histories, let alone the individual experiences of all twenty million prisoners in a single volume, Bob Moore uses a series of case studies to highlight the key elements involved and to introduce, analyse and refine some of the major debates that have arisen in the existing historiography. The study is divided into three broad sections: captivity in Eastern and Western Europe during the war itself; comparative studies of specific categories of prisoners; and the repatriation and reintegration of prisoners after the war.

Prisoners in War Sibylle Scheipers, 2010-02-25 The issue of prisoners in war is a highly timely topic that has received much attention from both scholars and practitioners since the start of the military operations in Afghanistan and Iraq and the ensuing legal and political problems concerning detainees in those conflicts. This book analyses these contemporary problems and challenges against the background of their historical development. It provides a multidisciplinary yet highly coherent perspective on the historical trajectory of legal and ethical norms in this field by integrating the historical analysis of war with a study of the emergence of the modern legal regime of prisoners in war. In doing so, it provides the first comprehensive study of prisoners, detainees and internees in war, covering a broad range of both regular and irregular wars, from the crusades to contemporary counterinsurgency campaigns. The book revolves around two major developments. First, there has been a continuous increase in the political relevance of prisoners in war, in particular since the emergence of POW camps in the nineteenth century. Secondly, and related, the growth in the legal regime pertaining to prisoners had contradictory consequences. Whilst it enhanced the protection of prisoners in regular conflicts, its state-centric bias tends to exclude combatants who do not fit the template of regular inter-state war. Detainees in the war on terror embody both tendencies, the development of which, however, is by no means a novel phenomenon. This book is a project of the Oxford Leverhulme Programme on the Changing Character of War.

The Fall of France Julian Jackson, 2004-04-22 On 16 May 1940, an emergency meeting of the French High Command was called at the Quai d'Orsay in Paris. The German army had broken through the French lines on the River Meuse at Sedan and elsewhere, only five days after launching their attack. Churchill, who had been telephoned by Prime Minister Reynaud the previous evening to be told that the French were beaten, rushed to Paris to meet the French leaders. The mood in the meeting was one of panic and despair; there was talk of evacuating Paris. Churchill asked Gamelin, the French

Commander in Chief Where is the strategic reserve There is none replied Gamelin This exciting book by Julian Jackson a leading historian of twentieth century France charts the breathtakingly rapid events that led to the defeat and surrender of one of the greatest bastions of the Western Allies and thus to a dramatic new phase of the Second World War The search for scapegoats for the most humiliating military disaster in French history began almost at once were miscalculations by military leaders to blame or was this an indictment of an entire nation Using eyewitness accounts memoirs and diaries Julian Jackson recreates in gripping detail the intense atmosphere and dramatic events of these six weeks in 1940 unravelling the historical evidence to produce a fresh answer to the perennial question of whether the fall of France was inevitable The Fall of France in the Second World War Richard Carswell,2019-02-01 This book examines how the fall of France in the Second World War has been recorded by historians and remembered within society It argues that explanations of the fall have usually revolved around the four main themes of decadence failure constraint and contingency It shows that the dominant explanation claimed for many years that the fall was the inevitable consequence of a society grown rotten in the inter war period This view has been largely replaced among academic historians by a consensus which distinguishes between the military defeat and the political demise of the Third Republic It emphasizes the contingent factors that led to the military defeat At the same time it seeks to understand the constraints within which France s policy makers were required to act and the reasons for their policy making failures in economics defence and diplomacy **British Strategy and Politics during the Phony War** Nick Smart,2003-02-28 The so called Phony War from September 1939 to May 1940 occupies a peculiar yet distinct place in popular memory All the sensations of war except the fighting were present yet instead of massed air attacks and great land battles very little happened The British government was said to be complacent and the people downright bored Then France fell to German attack and the small British army was evacuated minus its equipment from Dunkirk Reaction to this major strategic catastrophe was naturally to blame the men deemed guilty for bringing the nation to the verge of humiliating defeat In sharp contrast to previous studies Smart argues that there was more to the phony war than governmental complacency that the period was more than a foolish or frivolous ante chamber to a later more heroic phase The extent to which the guilty men verdict on the first nine months of Britain s Second World War has stuck remains surprising The notion that the phony war was a necessary indeed over determined prelude to catastrophe has become cemented over time Examining the workings of the Anglo French leadership during this period Smart picks this thesis apart and argues that disaster was not necessarily still less inevitably just around the corner He concludes that Anglo French decision making during this time was basically sound that the soldiers were well equipped and in good heart and that there was no malaise eating away at the entente This study offers a challenging reappraisal of the phony war from a British perspective Memory of War in France, 1914-45 M. Perry,2011-01-19 Memory of War in France examines France in the era of world war through the unconventional eyes of the veteran activist and novelist C sar Fauxbras It encompasses the

French navy at war the naval mutinies of 1919 the experience of unemployment interwar pacifism French defeat in 1940 and Paris under the heel of German occupation Poilu Louis Barthas,2020-08-11 An exceptionally vivid memoir of a French soldier's experience of the First World War Max Hastings New York Times bestselling author Along with millions of other Frenchmen Louis Barthas a thirty five year old barrelmaker from a small wine growing town was conscripted to fight the Germans in the opening days of World War I Corporal Barthas spent the next four years in near ceaseless combat wherever the French army fought its fiercest battles Artois Flanders Champagne Verdun the Somme the Argonne First published in France in 1978 this excellent new translation brings Barthas wartime writings to English language readers for the first time His notebooks and letters represent the quintessential memoir of a poilu or hairy one as the untidy unshaven French infantryman of the fighting trenches was familiarly known Upon Barthas return home in 1919 he painstakingly transcribed his day to day writings into nineteen notebooks preserving not only his own story but also the larger story of the unnumbered soldiers who never returned Recounting bloody battles and endless exhaustion the deaths of comrades the infuriating incompetence and tyranny of his own officers Barthas also describes spontaneous acts of camaraderie between French poilus and their German foes in trenches just a few paces apart An eloquent witness and keen observer Barthas takes his readers directly into the heart of the Great War This is clearly one of the most readable and indispensable accounts of the death of the glory of war The Daily Beast Hot Reads *Foreign Policy in the Twenty-First Century* Christopher Hill,2015-11-02 In the years since 9 11 followed by the wars in Iraq and Afghanistan public attention the world over has been on foreign policy From the United States to Yemen from China to Venezuela the quality of the decisions taken by politicians and diplomats has been under the closest scrutiny What is more with the increased personal mobility created by globalization many individuals and groups now focus as much on international events as on affairs within their own state Diasporas company managers humanitarian volunteers and other non state actors are aware of the necessity for effective diplomacy to secure the outcomes they hope for This revised and retitled new edition of the author's acclaimed *The Changing Politics of Foreign Policy* provides the concepts and analysis needed to make sense of contemporary developments in this key site of political action It provides a clear and engaging synthesis of what foreign policy means in the twenty first century and shows how it can vary according to regime level of development and geopolitical position Stressing the interplay between context and shared dilemmas it examines how actors including the many non and sub state entities which have developed international strategies engage and attempt to manage their differences within a network of complex multilateral relationships Written by a leading scholar of international renown this new edition has been updated throughout with particular attention given to contemporary issues such as soft power transnational security challenges and the role of regional actors such as the European Union New to this Edition Substantially revised and updated new edition of an extremely influential acclaimed and widely used foreign policy text Updated coverage of events and theory **Case Red** Robert Forczyk,2017-11-30 Even after the legendary evacuation

from Dunkirk in June 1940 there were still large British formations fighting the Germans alongside their French allies After mounting a vigorous counterattack at Abbeville and then conducting a tough defence along the Somme the British were forced to conduct a second evacuation from the ports of Le Havre Cherbourg Brest and St Nazaire While France was in its death throes politicians and soldiers debated what to do flee to England or North Africa or to seek an armistice Case Red captures the drama of the final three weeks of military operations in France in June 1940 and explains the great impact it had on the course of relations between Britain and France during the remainder of the war It also addresses the military political and human drama of France's collapse in June 1940 and how the windfall of captured military equipment fuel and industrial resources enhanced the Third Reich's ability to attack its next foe the Soviet Union Marching to Captivity Gustave Folcher,1996 Gustave Folcher's story is that of an ordinary peasant from the Languedoc called up into the French Army in September 1939 forced to endure the confusion and incompetence of his superiors during the Phoney War and the disastrous battles of May June 1940 captured by the Germans and subsequently removed to a labour farm in north eastern Germany for the rest of the war Finally released by the advancing Allies Folcher found his way back through the chaos of war torn Europe to his beloved village of Aigues Vives near Nimes on 12 May 1945 Throughout the six years of war bored by the endless card games of his comrades Gustave Folcher kept a record of his experiences in old excise books These were eventually discovered by Remy Cazals and the Federation audoise des oeuvres laiques and published in France in 1981 They provide a unique and fresh account of a soldier at war of the disintegration of French and German peasant life and finally and most dramatically of the breakdown of German society as the defeat of Nazism approached This is a dramatic story told by a clear eyed observer of a side of the Second World War little known to English readers **Witness to War** Richard J. Aldrich,2004 Using compelling material from a startling range of diaries this work offers a fresh perspective on the experience of ordinary individuals during the Second World War *Căderea Franței Invazia nazistă din 1940 - Editura Publisol* Julian Jackson,2022-01-01 n data de 16 mai 1940 naltul Comandament al armatei franceze era convocat de urgen la Quai d Orsay Situa ia era deosebit de grav La numai cinci zile de la declan area atacului armata german str punses la Sedan dar i n alte locuri liniile de ap rare franceze desf urate de a lungul r ului Meuse Sunat cu o sear nainte de prim ministrul Paul Reynaud spre a i se comunica faptul c Fran a era deja nvins Winston Churchill se gr be te s ajung la Paris la nt lnirea cu liderii politici i militari ai rii Ajuns acolo a fost nt mpinat cu o atitudine plin de defetism Panica i disperarea erau omniprezente i se vorbea insistent despre evacuarea capitalei Churchill l a ntrebat pe Gamelin comandantul armatei franceze unde este rezerva strategic spre a fi aruncat n lupta de ap rare Gamelin a r spuns sec Nu exist nicio rezerv strategic Considerat un bastion inexpugnabil al Alia ilor n confruntarea cu Germania nazist Fran a avea s cad sub loviturile lui Hitler n numai ase s pt m ni Cine se face vinovat pentru acest umilitor e ec militar i putea fi el evitat **Books in Print, 2005-2006** Michael Cairns,2005 Books in Print ,1991 *Newsletter* ,1995 **The Battle of France and Flanders, 1940** Brian

Bond, Michael Donald Taylor, 2001 This collection of essays on the politics and fighting on land sea and in the air will be welcomed by academics and military history enthusiasts Topics covered include preparations of the BEF the failure of allied counter attacks and the air war *The British National Bibliography* Arthur James Wells, 1998 **Subject Guide to Books in Print**, 2001 Arts & Humanities Citation Index, 1998 **Cinq siècles de travail de la laine** Rémy Cazals, 2010 Marchands fabricants tisserands et pareurs patrons filateurs et ouvriers fileurs négociants en laine sabreurs peuleuses et marragos Autant de métiers qui ont marqué le bassin lainier de Mazamet et construit son paysage Au cours des cinq derniers siècles Mazamet a connu une extraordinaire aventure industrielle qui a transformé la petite bourgade textile des origines d'abord en Elbeuf du sud puis en place internationale du drapage aux relations tendues au monde entier Cette histoire méritait d'être contée dans tous ses aspects économiques techniques et sociaux

Marching To Captivity The War Diaries Of A French Peasant 19391945 Introduction

In today's digital age, the availability of Marching To Captivity The War Diaries Of A French Peasant 19391945 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Marching To Captivity The War Diaries Of A French Peasant 19391945 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Marching To Captivity The War Diaries Of A French Peasant 19391945 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Marching To Captivity The War Diaries Of A French Peasant 19391945 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Marching To Captivity The War Diaries Of A French Peasant 19391945 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Marching To Captivity The War Diaries Of A French Peasant 19391945 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000

free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Marching To Captivity The War Diaries Of A French Peasant 19391945 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Marching To Captivity The War Diaries Of A French Peasant 19391945 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Marching To Captivity The War Diaries Of A French Peasant 19391945 books and manuals for download and embark on your journey of knowledge?

FAQs About Marching To Captivity The War Diaries Of A French Peasant 19391945 Books

1. Where can I buy Marching To Captivity The War Diaries Of A French Peasant 19391945 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
