Mehay, 1994-06-06 This book will appeal to persons interested in national security issues and more specifically to those who may want to know more about the manpower and recruiting problems facing the military of the future The authors come from a wide variety of backgrounds and academic disciplines including economics political science psychology sociology operations research education and public administration This book will also appeal to persons interested in human resource issues beyond the military as well as those interested in tracking trends in the labor force public opinion education youth attitudes or society in general **Air University Library Index to Military Periodicals**, 1999 **Rights and Duties of Dual Nationals** David A. Martin, Kay Hailbrunner, 2003-01-01 The increased emergence of dual and multiple nationality in our globalized world has recently led to public and scholarly debates on a number of resulting practical questions This book comprehensively evaluates the legal status of dual nationals on the basis of a comparative analysis with emphasis on practice and law in the United States of America the Federal Republic of Germany Turkey and other selected countries comprising contributions of both academics and practitioners Among the legal subjects examined more intensively are the exercise of political rights by dual nationals including voting and office holding performance of military service loss and withdrawal of citizenship and effects of dual nationality on judicial cooperation as well as aspects of private international law The authors pay attention to developmental trends and legal changes in various countries and also to the philosophical and theoretical perspectives underlying various practices Specific recommendations for states dealing with dual nationality complete the investigation **Clausewitz Goes Global** Reiner Pommerin, 2011 **ROTC Future Lieutenant Study**, 1999 *Democratic Societies and Their Armed Forces* Stuart A. Cohen, 2013-02-01 These papers are an edited selection from the BESA conference of 1998 They present an overview of transformations in societal military relations in the western world and the specific manifestations in Israel **Military Review**, 1927 **Air Power History**, 1995 **The Generation of Trust** David C. King, Zachary Karabell, 2003 A penetrating look at why today's generation looks up to the military more than its Baby Boomer parents ever did **Encyclopedia of Military Science** G. Kurt Piehler, 2013-07-24 The Encyclopedia of Military Science provides a comprehensive ready reference on the organization traditions training purpose and functions of today's military Entries in this four volume work include coverage of the duties responsibilities and authority of military personnel and an understanding of strategies and tactics of the modern military and how they interface with political social legal economic and technological factors A large component is devoted to issues of leadership group dynamics motivation problem solving and decision making in the military context Finally this work also covers recent American military history since the end of the Cold War with a special emphasis on peacekeeping and peacemaking operations the First Persian Gulf War the events surrounding 9 11 and the wars in Afghanistan and Iraq and

how the military has been changing in relation to these events      **Sermon** CSS Publishing Co,2001      **Ace in the Hole** Timothy J. Botti,1996-06-21 Using newly released documents the author presents an integrated look at American nuclear policy and diplomacy in crises from the Berlin blockade to Vietnam The book answers the question why when the atomic bomb had been used with such devastating effect against the Japanese Empire in 1945 American leaders put this most apocalyptic of weapons back on the shelf never to be used again in anger It documents the myopia of Potomac strategists in involving the U S in wars of attrition in Korea and Southeast Asia marginal areas where American vital interests were in no way endangered Despite the presence of hundreds then thousands of nuclear bombs and warheads in the nation s stockpile the greatest military weapon in history became politically impossible to use And yet overwhelming nuclear superiority did serve its ultimate purpose in the Cold War When American vital interests were threatened over Berlin and Cuba the Soviets backed down from confrontation Despite errors in strategic judgment brought on by fear of Communist expansion and in some cases outright incompetence the ace in the hole proved decisive      **History of the 4th Marine Division, 1943-2000** ,2000      **The Rebirth of the Habsburg Army** Scott Lackey,1995-10-20 Friedrich Beck was the single most important figure in the transformation of the inept Habsburg military into the modern military state that would wage World War I He correctly perceived that only an elite body of officers responsible for war planning and preparation could provide lasting security for the Austro Hungarian empire After firmly establishing the general staff as an institution Beck led war planning to counter threats from Russia Italy and the Balkans and spearheaded a vast rebuilding of the rail network While his rise to power marked a return to the favorite system of military administration of the early Franz Joseph period Beck proved himself a man with real military ability that revolutionized an army      **Parameters** ,2001      **American Military Life in the 21st Century** Eugenia L. Weiss,Carl Andrew Castro,2018-11-16 A comprehensive guide to the lives and experiences of military service members veterans and their families in the United States today with special emphasis given to those of the post 9 11 era This reference work provides detailed information on the issues U S service members face both stateside and during deployments overseas Issues covered include relations with family substance use housing educational and job training opportunities post traumatic stress disorder and other health issues and experiences of women sexual minorities and ethnic racial minorities in the armed services This set also examines major issues related to military service for people close to the men and women who serve our country such as spouses or partners children and parents grappling with such issues as single parenthood during deployment and bereavement at the loss of a loved one Finally this set is a valuable resource for people seeking a greater understanding of the issues that confront some military service members and veterans from chronic health problems to economic vulnerability to suicide to incarceration The two volumes are written in a comprehensive yet succinct and accessible style by experts familiar with the latest trends and findings      **The Founding of Russia's Navy** Edward Phillips,1995-05-23 The reign of Peter the Great 1682 1725 long regarded as the turning point in the Europeanization of

Russia witnessed the establishment of Russia's first modern navy the Azov Sea fleet Its creation evokes a fundamental question about the era was Peter a reformer or a revolutionary This three part study examines Russia's maritime experience in the 17th and early 18th centuries in order to address this central question The author argues that Peter's development of the navy was revolutionary in the scale and level of technology brought to fruition through the reform of existing political and social structures
