*Marco Polo* Marco Tabilio, 2017-09-01 The son of a traveling merchant Marco Polo spent his early years among the ports of Venice Italy As a young man he headed eastward with his father and his uncle toward the lands of the Mongol emperor Kublai Khan Their journey from Europe into Asia marked by risks setbacks and discoveries transformed every person involved It also led to one of the world s most studied and most debated travelogues Marco Tabilio an emerging talent of Italian cartooning creates a graphic novel in the form of a puzzle and finds the coming of age tale within the legend of Marco Polo

*Travels of Marco Polo* Marco Polo, 2004-10-05 His journey through the East began in 1271 when still a teenager he set out of Venice and found himself traversing the most exotic countries His acceptance into the court of the great emperor Kublai Khan and his service to the vast and dazzling Mongol empire led him to places as far away as Tibet and Burma lands rich with gems and gold and silk but virtually unknown to Europeans Later as a prisoner of war Marco Polo would record the details of his remarkable travels across harsh deserts great mountain ranges and dangerous seas as well as of his encounters with beasts and birds plants and people His amazing chronicle is both fascinating and awe inspiring and still serves as the most vivid depiction of the mysterious East in the Middle Ages Edited and with an Introduction by Milton Rugoff and an Afterword by Howard Mittelmark

*Marco Polo* John Bankston, 2013 Marco Polo was 17 the first time he saw his father Soon after he joined his father and uncle on a trip from Marco s hometown of Venice Italy to China In the 1200s that journey took several years and the three travelers faced many hazards Once he arrived Marco impressed the country s powerful leader Kublai Khan enough to become an ambassador and governor He spent years crisscrossing China then known as Cathay in the Khan s service He finally returned home but a few years later he was imprisoned during a conflict between Venice and Genoa During his imprisonment he wrote a book that described places and sights few Europeans knew even existed and changed their view of the world forever

*Hasan-i-Sabah* James Wasserman, 2020-09-14 This publication includes the first English translation of the 1310 biography of Hasan i Sabah by Rashid al Din The Biography of Our Master Sar Guzasht i Sayyidna Hasan i Sabah was born in northern Persia around 1050 and died in 1124 He was an Ismaili missionary or dai who founded the Nizari Ismailis after the usurpation of the Fatimid Imamate by the military dictator of Egypt It may be said that Hasan founded and operated the world s most successful mystical secret society while building a political territory in which to maintain his independence The small empire he created would be home to him his followers and their descendants for 166 years Today under the leadership of the Aga Khan the Nizari Ismailis are one of the preeminent Muslim sects in the world numbering some twenty million members in twenty five countries The medieval Nizaris were also known as Assassins or Hashishim They became embedded in European consciousness because of their contact with the Knights Templar and other Crusaders and visitors to the Near East Several Europeans reported back with strange and largely false tales of the Assassins In the fourteenth century they were widely popularized by the famed Venetian traveler and

writer Marco Polo in The Travels of Marco Polo He added a whole new level of myth in his account of the sect included in this volume along with extensive commentary Of greatest interest is the idea that the Assassins were the spiritual initiators of the Knights Templar If this is true Hasan i Sabah would be in part responsible for the European Renaissance that would reclaim the spiritual centrality of the Hermetic writings and the Gnostic Esoteric trends that continue to this day Essential reading for an understanding of modern esoteric secret societies and today s headlines coming from the Middle East Includes 9 maps
