Strawn, 2016-08-16 This Covenant experience will guide participants in a comprehensive in depth study of the Bible over twenty four weeks Unlike the learning participants may have experienced in other groups this in depth study of the whole Bible emphasizes the biblical concept of covenant as a unifying pattern through all the books in the Old and New Testaments It underscores the unique relationship that God chooses to have with us as God s people This relationship is grounded in the faithfulness of God s love and on our ongoing commitment to stay in love with God while we share signs of that love with others Each episode connects to an aspect of this covenant relationship which is summarized in the heading of each participant guide GOD ESTABLISHES THE COVENANT to be in relationship with us So the first eight weeks Creating the Covenant examines how the covenant community is created and established highlighting several examples throughout scripture It discusses the story of our origins in Genesis the Exodus narrative the teachings of Moses the Gospels of Matthew and Mark as well as other books from each Testament that focus on the foundation of Christian faith In doing so it lays out the framework for a life lived in concert with God and others Each participant in the group needs the Participant Guides and a Bible The CEB Study Bible is preferred The Creating Participant Guide is eight weeks long and has a lay flat binding making it easy to take notes in the generous space provided on each page The Creating Participant Guide contains the following episodes Episode 1 Creating the Covenant Relationships with people in our lives are key to faithful living Covenant is about the family God creates and the power of love that overcomes evil We are broken and miss the mark Substitutes for faithful love destroy our relationships Yet God s response to broken relationships is to restore us to wholeness Through the shared practice of reading and interpreting the Bible scripture in holy conversation we sharpen our understandings until they become more accurate and relevant And we learn about God s gracious love and how to share it with others Episode 2 Torah Genesis Genesis answers the question Who are we in the scheme of things Covenant relationships are a metaphor for life together before God This life is characterized by both gift and responsibility Broken relationships in these stories are countered by forgiveness and generosity Episode 3 Exodus Leviticus Numbers Passover is a bittersweet celebration of Israel s liberation The covenant at Sinai creates a people with instructions for living in harmony These instructions are ever in need of reinterpretation in new situations much like amendments to a constitution God is holy and calls the people to be distinct

and set apart in their faithfulness

Episode 4 Gospels Matthew and Mark The Gospels are similar to Greco Roman biographies but with a saving twist They paint a portrait of Jesus significance for first century readers living under Roman rule before and after the destruction of the temple in 70 CE By arranging the events of his life death and resurrection in distinct order these writers depict Jesus as both the suffering human one Mark and a new teacher like Moses Matthew Jesus comes to bring and embody a new covenant reign kingdom of God s saving love in the world

Episode 5 Romans and Galatians The letters of Paul substituted for his presence and represent his attempt to deal with controversies and provide guidance to churches from a pastor s perspective For Paul God s grace expressed in Jesus faithfulness on the cross is a saving gift with no substitutes The Spirit s presence too is a gift that marks the community of faith and produces fruit for faithful life together making us more gracious to ourselves and others

Episode 6 Hebrews The book of Hebrews is a masterful sermon written by an unknown author to a struggling community The writer encourages them to live lives of gratitude for God s saving work in Jesus Hebrews embraces the imagery of sacrifice in the Old Testament to describe Jesus pioneering cosmic work of redemption Replacing fear with trust Jesus our faithful forerunner made it possible for us to approach the holy with confident expectation of God s favor

Episode 7 1 and 2 Corinthians Paul s letters to the church at Corinth address very concrete issues in a culture that honors the freedom of superiors to do as they please Paul counters this with the mind of Christ patterned by the logic of self giving love This logic of the cross balances freedom with Christ shaped responsibility to live in ways that benefit both self and community

Episode 8 Deuteronomy Joshua Judges 1 Samuel These books retell the story of Israel and its responsibilities as a rescued covenant people As they transition to a new life in the promised land the first commandment no other gods is restated positively love God with all your heart and strength Life in the land after Moses and Joshua is characterized by a cycle of faithlessness crisis cries for help and temporary rescue The last tribal chieftain first prophet Samuel will anoint kings for an unruly people when the real king missing in Israel is God

**Bible Readers and Lay Writers in Early Modern England** Kate Narveson, 2016-04-15 Bible Readers and Lay Writers in Early Modern England studies how immersion in the Bible among layfolk gave rise to a non professional writing culture one of the first instances of ordinary people taking up the pen as part of their daily lives Kate Narveson examines the development of the culture looking at the close connection between reading and writing practices the influence of gender and the habit of applying Scripture to personal experience She explores too the tensions that arose between lay and clergy as layfolk embraced not just the chance to read Scripture but the opportunity to create a written record of their ideas and experiences acquiring a new control over their spiritual self definition and a new mode of gaining status in domestic and communal circles Based on a study of print and manuscript sources from 1580 to 1660 this book begins by analyzing how lay people were taught to read Scripture both through explicit clerical instruction in techniques such as note taking and collation and through indirect means such as exposure to sermons and then how they adapted those techniques to create their own devotional writing The first part of the book concludes with case studies of three ordinary lay people Anne Venn Nehemiah Wallington and Richard Willis The second half of the study turns to the question of how gender registers in this lay scripturalist writing offering extended attention to the little studied meditations of Grace Lady Mildmay Narveson concludes by arguing that by mid century despite clerical anxiety writing was central to lay engagement with Scripture and had moved the center of religious experience beyond the church walls *Scripture as Communication* Jeannine K. Brown, 2021-07-20 Jeannine Brown a seasoned teacher of biblical interpretation believes that communication is at the heart of what happens when we open the Bible We are actively engaging God in a conversation that can be life changing In this guide to the theory and practice of biblical hermeneutics Brown emphasizes the communicative nature of Scripture proposing a communication model as an effective approach to interpreting the Bible The new edition of this successful textbook has been revised and updated to interact with recent advances in interpretive theory and practice **The Publishers Weekly**, 1898 **Sticks** Kat Armstrong, 2023-04-18 These studies guide you through the storyline of Scripture each following a person place or thing in the Bible Maybe you are practiced in dissecting a passage and pulling things out of the text to apply to your life But now you may feel as though your faith is fragmented The Storyline Bible studies help you put the pieces back together You ll discover cohesive thematic storylines with literary elements and appreciate the Bible as the masterpiece that it is Each study is five weeks long and can be paired with its thematic partner for a seamless ten week study to fit in a church semester Every study features Gospel presentation at the beginning of each Bible study Full Scripture passages included in the study so that you can mark up the text and keep your notes in one place Insights from female scholars and scholars of color Free resources for preaching and leading small groups Every tree bush or vine in the Bible is deeply embedded in an ancient symbolic driven world where imagery of the story didn t just matter it had meaning The Sticks Bible study will guide you through five Bible stories where trees point us to how we can seek godly wisdom and make hard choices that honor God In Sticks we re going

to explore Genesis 2 3 where the Tree of Life and the Tree of the Knowledge of Good and Evil show us how to choose wisely and not to take matters into our own hands Exodus 3 where the Burning Bush helps us choose to notice when God is trying to get our attention Isaiah 1 6 11 53 where the Messiah Tree helps us choose to branch out from our shady family trees John 15 where the True Vine teaches us how to choose to stay connected to Jesus for a fruitful life and Revelation 22 where the Tree of Life helps us to choose to reframe our views from the treetops      **On Reading the Bible** Bill Bradfield,2012-07-12
