Suttmeier,2019-07-26 This case study seeks to explain how organizations grow and the limits to that growth when an organization engaged in policy implementation lacks the resources necessary to achieve policy goals The discussion of the basis of conflict that emerges from this study is of lasting significance For years studies of this issue have pointed to various models of factionalism stressing the informal character of the groups involved In Professor Ostrov s study however conflict is shown to have a supra Cultural Revolutionary institutional basis in this and other key units      The Effects of Nuclear Weapons Samuel Glasstone,1962      **Our Cosmic Origins** A. H. Delsemme,1998 Our Cosmic Origins first published in 1998 traces the remarkable story of the emergence of life and intelligence right through the complex evolutionary history of the Universe Armand Delsemme weaves together a rich tapestry of science bringing together cosmology astronomy geology biochemistry and biology in this wide ranging book In following the complex chronological story we discover how the first elements formed in the early Universe how stars and planets were born how the first bacteria evolved towards a plethora of plants and animals and how the coupling of the eye and brain led to the development of self awareness and ultimately intelligence Professor Delsemme concludes with the tantalising suggestion that the existence of alien life and intelligence is likely and examines our chances of contacting it This provocative book provides the general reader with an accessible and wide ranging account of how life evolved on Earth and how likely it is to exist elsewhere in the Universe      U.S.
