Internal Revenue Service, 1955 *Clash of Empires in South China* Franco David Macri, 2015-06-05 Japan's invasion of China in 1937 saw most major campaigns north of the Yangtze River where Chinese industry was concentrated The southern theater proved a more difficult challenge for Japan because of its enormous size diverse terrain and poor infrastructure but Generalissimo Chiang Kai shek made a formidable stand that produced a veritable quagmire for a superior opponent a stalemate much desired by the Allied nations In the first book to cover this southern theater in detail David Macri closely examines strategic decisions campaigns and operations and shows how they affected Allied grand strategy Drawing on documents of U S and British officials he reveals for the first time how the Sino Japanese War served as a proxy war for the Allies by keeping Japan's military resources focused on southern China they hoped to keep the enemy bogged down in a war of attrition that would prevent them from breaching British and Soviet territory While the most immediate concern was preserving Siberia and its vast resources from invasion Macri identifies Hong Kong as the keystone in that proxy war vital in sustaining Chinese resistance against Japan as it provided the logistical interface between the outside world and battles in Hunan and Kwangtung provinces a situation that emerged because of its vital rail connection to the city of Changsha He describes the development of Anglo Japanese low intensity conflict at Hong Kong he then explains the geopolitical significance of Hong Kong and southern China for the period following the German invasion of the Soviet Union Opening a new window on this rarely studied theater Macri underscores China's symbolic importance for the Allies depicting them as unequal partners who fought the Japanese for entirely different reasons China for restoration of its national sovereignty the Allies to keep the Japanese preoccupied And by aiding China's wartime efforts the Allies further hoped to undermine Japanese propaganda designed to expel Western powers from its Greater East Asia Co Prosperity Sphere As Macri shows Hong Kong was not just a sleepy British Colonial outpost on the fringes of the empire but an essential logistical component of the war and to fully understand broader events Hong Kong must be viewed together with southern China as a single military zone His account of that forgotten fight is a pioneering work that provides new insight into the origins of the Pacific War *An Endangered Species* David Gower, Simon Wilde, 2013-09-12 As a cricketer David Gower was famed for the elegance of his strokeplay as one of England's greatest batsmen and for his superb fielding As a captain he led his country to Ashes success yet some queried his application because it all seemed to come to him so easily and effortlessly But that was never the whole story Gower was always committed and a great competitor as this fascinating and frank book looking back on his life and career

shows Once he retired from the game Gower built a new career for himself first as team captain in the long running TV comedy series They Think It's All Over and then as an astute and charming presenter and commentator with Sky Sports After more than 30 years as one of the most popular figures in the game Gower now reveals there is so much more to his story than the clichéd image of Lord Gower flying in his Tiger Moth He is a man of great insight determination and drive but who also knows there is always more to be had from life **Hoosier Independent** ,1943 **Alberici a Rosate dictionarium ad utriusque iuris facilitatem pertingere nitenti maxime necessarium, rugosum quod prius erat& obscurum, octingentis& amplius, quibus scatebat mendis repurgatum splendet** Albericus (a Rosate.),1548 **The Country Gentleman** ,1911 **The Code of Federal Regulations of the United States of America** ,1939 The Code of federal regulations is the codification of the general and permanent rules published in the Federal register by the executive departments and agencies of the federal government **Code of Federal Regulations** ,1955 Special edition of the Federal Register containing a codification of documents of general applicability and future effect with ancillaries *Publication* ,1960 **Monopoly Restored** Jack Lawrence Luzkow,2018-07-16 This book is a work of contemporary economic history focusing primarily on the US and the UK It shows that historically much of the wealth of the ultra wealthy has been based on inheritance tax evasion political influence or wage theft Today much of the wealth of the rentier class the super rich is based on income from ownership or control of scarce assets or assets artificially made scarce As a result the super rich reap much of their wealth from patents monopolies and subsidies Their banks retain the right to speculate on risky derivatives and their credit card companies are not limited by usury laws that reduce interest rates The super rich have lowered or escaped inheritance taxes shifted much of their income to lower taxed capital gains practiced wage theft fought minimum wage laws outsourced jobs and resorted to temps and contract labor to avoid unions and decent wages They use tax havens where trillions of dollars remain untaxed transfer profits of their intellectual and financial property to subsidiaries in low tax regimes and defend for profit health insurance that is unaffordable and inequitable for millions This book states in qualitative and quantitative terms how expensive the super rich have become why they are unsustainable for the rest of us and what the way forward to greater economic equality may be In sum the super rich are unaffordable **Flame Dragons of the Korean War** Jerry Ravino,Jack Carty,2003 This book is the result of collaboration by Jerry Ravino and Jack Carty veterans of the Korean War with the Flame Platoon Headquarters Company First Tank Battalion First Marine Division who did not meet until almost 50 years after what went down in history as the Forgotten War Although the two former tankers served with the Flame Platoon in different places and different times in that conflict it is a testament to their determination to research and record a part of the war that heretofore had not been chronicled in detail Though it has been some 50 years past the fact this is their story as memory best serves them and others who helped them tell it Learn more about the FLAME DRAGONS [www.flamedragons.com](http://www.flamedragons.com) **Fayne** Ann-Marie MacDonald,2024-03-26 THE INSTANT 1 NATIONAL BESTSELLER A Globe and Mail
